2. The Municipal Council urges the State of New Jersey to establish a renewable portfolio standard (RPS) with a goal of 100% renewable energy and transportation by 2035 and a halt to all new fossil fuel energy projects in the state.
3. The RPS must only contain safe, clean energy such as wind, solar, geothermal and tidal energy sources, not greenhouse gas emitting sources such as burning animal waste, biomass, garbage or false solutions that continue reliance on fossil fuels like pollution trading, carbon capture and sequestration (CCS), gas power plants or pollution trading.

4. Policies must be enacted to support the development of distributed renewable energy, including those that support energy efficiency, retail net metering of electricity, community choice aggregation and community solar.

5. There must be meaningful participation of community members most affected by policy and infrastructure, in the development and implementation of a clean energy plan. Special efforts must be made to engage communities that are underrepresented in the decision-making process such as Indigenous groups, low-income communities, people of color, immigrants, and those disproportionately burdened by pollution.

6. As we transition to a 100% clean energy system, we must transition workers from jobs in the fossil fuel industry to living wage union jobs that support energy efficiency and the development of a renewable energy system. A just transition will include job training programs and relocation assistance that prioritize workers in displaced industries and those living in environmental justice communities.

7. The federal and state governments must provide grants and resources to support municipal, county, state and regional efforts to meet the goal of 100% renewable energy.

8. If any part of this Resolution shall be deemed invalid, such parts shall be severed and the invalidity thereby shall not affect the remaining parts of this Resolution.

9. A copy of this Resolution shall be available for public inspection at the offices of the Township Clerk.
