WHEREAS, the Township desires to amend Chapter 11 “General Licensing and Business Regulations” of the Code to include “11-34 Filming and Videotaping,” to read as follows (additions are underlined and deletions are in [brackets]).

NOW, THEREFORE, BE IT ORDAINED by the Municipal Council of the Township of Edison, Middlesex County, State of New Jersey, as follows:

1. The aforementioned recitals are incorporated herein as though fully set forth at length.
2. The Municipal Council hereby amends Chapter 11 “General Licensing and Business Regulations” of the Code to read as follows:

11-34 FILMING AND VIDEOTAPING.

11-34.1 Definitions.

Filming means the taking of still or motion pictures, either on film, videotape or similar recording medium, for commercial or educational purposes intended for viewing on television or in theaters or for institutional use. Filming includes all rehearsals, preparations and assembly and dismantling of all equipment and structures, including but not limited to scaffolding, lights, backdrops, tools and food, and the loading and unloading of vehicles containing the equipment, structures and food.

Public Lands means any and every public street, highway, sidewalk or square, public park or playground or other public place within the Township which is within the jurisdiction and control of the Township.

11-34.2 Permits

(a) No person shall film or permit filming within the Township without obtaining a permit therefor, which permit set forth the location of such filming and the date or dates when filming shall take place. No permits shall be issued unless applied for prior to five (5) days before the requested shooting date. However, the Administrator may waive the five-day period if in his/her judgment the applicant has obtained all related approvals and adjacent property owners or tenants do not need to be notified.

(b) Permits shall be obtained in the office of the Township Clerk during normal business hours. Applications for such permits shall be in a form approved by the Township Clerk and shall be accompanied by a permit fee in the amount established by the Township. Incidental use of a public sidewalk or street which does not result in a closing of the street or sidewalk to public use shall not be considered filming on public land.

(c) One permit shall be required for each location.

(d) One (1) permit shall be sufficient to authorize outdoor filming on one (1) day and indoor filming on one (1) day, provided that such date on which filming is to take place shall be specified in the permit, and further provided that the maximum number of days on which filming may be authorized in any calendar year for premises located in a residential zone shall not exceed ten (10) without a waiver pursuant to 11-34.4(i) of this chapter.

(e) If a permit is issued and, due to inclement weather or other good cause, filming does not in fact take place on the dates specified, the Township Clerk may, at the request of the applicant, issue a new permit for filming on other dates, subject to full compliance with all other provisions of this chapter. No additional fee shall be paid for this permit.

(f) No permit shall be issued for filming within the Township on or in any private property unless written consent of the property owner and/or tenant accompanies the application. Any businesses, merchants or residents on the block in which filming will occur shall be given written notice of the filming within three (3) days prior to the requested shooting date. Said notice shall inform the businesses, merchants or residents that the application is on file with the Clerk's Office, and the businesses, merchants or residents shall be informed that objections may be filed with the Township Clerk. The objections will become part of the applicant's application and will be considered by Township officials in reviewing the same. Proof of service of the notification of adjacent property owners shall be submitted to the Township Clerk at least two (2) days prior to the requested shooting date.

11-34.3 Applications for Permits

Applications shall be obtained from and submitted to the Township Clerk in person or by mail and must contain at least the following information:

- (b) The location of the property where filming, etc., is to take place.
- (c) Whether the applicant is the owner or tenant in possession of the property.
- (d) The name and address of the owner of the property if the applicant is not the owner.
- (e) The consent of the owner if other than the applicant.
- (f) The name, address and telephone number of the person or entity the applicant wishes to allow to film, etc.
- (g) The date filming is to take place and the hours of filming.
- (h) The dates within the previous 12 months that any filming, as described in 11-34.2 above, was conducted at this location.
- (i) Approval from the Police Chief, with any conditions he may set forth if the filming is to take place on public lands.
- (j) Any other approval the Township Clerk deems necessary, with any conditions which may be set forth.

(k) A signed statement that the applicant affirms, under penalty of perjury, that all statements contained in the application are true.

11-34.4 Rules and Regulations

(a) No permit shall be issued for filming at a particular location in a residential zone within the Township which would permit filming at said location on more than ten (10) days during any one calendar year unless a waiver pursuant to 11-34.4(i) of this chapter is granted.

(b) No permit shall be issued for filming upon public lands within the Township unless the applicant for such permit:

1. Provides proof of insurance coverage as follows: for bodily injury for any person in the amount of \$500,000 and for any aggregate occurrence in the amount of \$1,000,000.

2. Agrees, in writing, to indemnify and save harmless the Township from any and all liability or damages resulting from the use of such public lands.

3. Agrees, in writing, to reimburse the Township for any lost revenues, such as parking meter revenue, repairs to public property and other revenue that the Township was prevented from earning because of the filming.

4. Posts a cash bond of \$500 or a maintenance bond of \$1,000 in favor of the Township for protecting and ensuring that the site of the filming is left in a satisfactory condition (free of debris, rubbish and equipment), and that all Township laws and regulations are followed. Within seven (7) days of the completion of the filming, the Township return the bond if there is no damage to public or private property or public expense caused by the filming.

(c) The holder of a permit shall take all reasonable steps to minimize interference with the free passage of pedestrians and traffic over public lands and shall comply with all lawful directives issued by the Township Police Chief with respect thereto.

(d) The holder of a permit shall conduct filming in such a manner as to minimize the inconvenience or discomfort to adjoining property owners attributable to such filming and shall, to the extent practicable, abate noise and park vehicles associated with such filming off the public streets. The holder shall avoid any interference with previously scheduled activities upon public lands and shall limit, to the extent possible, any interference with normal public activity on such public lands.

(e) The holder of a permit shall take all reasonable steps to minimize the creation and spread of debris and rubbish during filming and shall be responsible for removing all equipment, debris and other rubbish from the filming location upon the completion of filming or the expiration of the permit, whichever comes first.

(f) Filming shall be permitted only Monday through Friday, between the hours of 8:00 a.m. and 7:00 p.m. or sundown, whichever is earlier, in residential zones.

(g) The Township Clerk may refuse to issue a permit on the basis of objective facts and after a review of the application and a report thereon by the Township Police Chief and by other Township agencies involved with the proposed filming site, that filming at the location and/or time set forth in the application would violate any law or ordinance or would unreasonably interfere with the public's use of public lands, unreasonably interfere with the use and enjoyment of adjoining properties, unreasonably impede the free flow of vehicular or pedestrian traffic or otherwise endanger the public's health, safety or welfare.

(h) Any person aggrieved by a decision of the Township Clerk denying or revoking a permit or a person requesting relief pursuant to this section may appeal to the Township Administrator. A written notice of appeal setting forth the reasons for the appeal shall be filed with the Township Administrator. An appeal from the decision of the Township Clerk shall be filed within 10 days of the Township Clerk's decision. The Township

Administrator shall set the matter down for a hearing within 30 days of the day on which the notice of appeal was filed. The decision of the Township Administrator shall be in the form of a written decision.

(i) The Township Administrator may authorize a waiver of any of the requirements or limitations of this chapter and may authorize filming other than during the hours herein described or may extend the duration of a permit beyond ten (10) days or may permit filming at a particular location on more than ten (10) days during any one calendar year or may waive any other limitation or requirement of this chapter whenever he determines that strict compliance with such limitations will pose an unreasonable burden upon the applicant and that such a permit may be issued without endangering the public's health, safety and welfare.

(j) The applicant shall notify the Fire Chief twenty four (24) hours before filming takes place and shall permit the Fire Chief or his designee to inspect the site and the equipment to be used. The applicant shall comply with all fire safety instructions issued by the Fire Chief or his designee.

(k) The holder of a permit issued for filming on public lands shall hire, at said person's sole cost and expense, a Township police officer who will be present at all times at the site during the filming.

(l) Automobiles, trucks and all other vehicles owned, leased or used by the holder of a permit for either residential or public land filming shall not be parked on more than one side of the street.

11-34.5 Fees

Fees shall be as follows:

- (a) A permit fee of \$100 for a normal application.
