Section 6. This Resolution shall take effect immediately.

RESOLUTION R.478-062016

EXPLANATION: This Resolution support the adoption of Senate Bill S2254 and Assembly Bill A3821, which clarify that a municipality’s present and prospective fair share of the housing need in a given region shall be computed for a 10-year period, and shall not include a retrospective obligation arising from any so called “gap period. The Resolution authorizes the Mayor and Council to send the appropriate letters of support to the Legislature.

WHEREAS, pursuant to the March 10, 2015 New Jersey Supreme Court order which transferred oversight of the Fair Housing Act (FHA) to the courts, many municipalities (including Edison) filed declaratory judgment actions to voluntarily comply with their present and prospective affordable housing requirements as established in the FHA; and

WHEREAS, the FHA and existing case law are clear that “present and prospective fair share of the housing need in a given region ... shall be computed for a 10-year period.” (See N.J.S.A. 52:27D-307(c)); and

WHEREAS, in October 2015, the Middlesex County Superior Court issued a decision that included a distinct “gap period” obligation, retroactively imposing an additional municipal obligation over an additional 16 year period, separate and apart from the normal 10 year present and prospective need set forth in the FHA. Recently the Ocean County Superior Court did the same. The Ocean County decision is currently on appeal; and

WHEREAS, this “gap period” issue arises out of COAH’s inability to promulgate Third Round regulations from 1999 to the present, or make any final determination as to state and regional housing need. Despite this, the courts are not holding COAH accountable but rather are imposing additional obligations on municipalities. These retroactive obligations will have a significant and unfunded impact on municipalities, straining their already overburdened resources; and

WHEREAS, aside from other inequities and issues imposed by a so-called “gap” obligation, the households counted in the “gap period” may well be double counted when the present need is calculated. The prospect of double counting compounds this dilemma and will likely result in forcing municipalities and their property taxpayers to subsidize development or subject them to court orders allowing enormous numbers of new housing units as a result of “builder’s remedy” lawsuits. Such a result will radically and irrevocably transform the character and quality of life for all New Jersey residents; and

WHEREAS, hundreds of New Jersey’s municipalities have expended significant financial and other administrative resources in their attempts to voluntarily comply with their constitutional obligation for affordable housing as established by the Supreme Court and the FHA. As a direct result of the State’s failure to advance viable regulations or enact overdue legislative reform, this will only continue to spiral out of control; and

WHEREAS, Senate Bill S2254 and Assembly Bill A3821 are important legislative remedies designed to clarify existing law and preclude these significant, unfair impacts. Swift and decisive adoption of both is a critical step toward a more rational statewide housing policy, including reasonable and achievable obligations for municipalities.

NOW THEREFORE, BE IT RESOLVED by the Township Council of the Township of Edison, County of Middlesex, and State of New Jersey, as follows:

1. The Mayor and Township Council hereby support the adoption of Senate Bill S2254 and Assembly Bill A3821 which clarify that a municipality’s present and prospective fair share of the housing need in a given region shall be computed for a 10-year period, and shall not include a retrospective obligation arising from any so called “gap period.”
2. The Mayor and Township Council urge the members of the New Jersey Senate, General Assembly and the Governor, to swift and decisively adopt both as a critical step toward a more rational statewide housing policy, including reasonable and achievable obligations for municipalities.
3. A certified copy of this Resolution shall be sent to Hon. Chris Christie, Governor; Hon. Steve Sweeney, President, NJ Senate; Hon. Vincent Prieto, Speaker, NJ General Assembly; Senate and General Assembly representatives and the New Jersey State League of Municipalities.

Walter Stochel, 2118 Oak Tree Road, he had worked with Joe when he started a graffiti clean ups group called Operation Get Done, we look at Joe as one of us. Congratulations Joe. He read in the paper James Monroe new school is delayed until January 2017 to open.

Mr. Diamond asked about the dirt pile at 69 Calvert, he had sent pictures to John Haines and never heard back from him.

Ms. Ruane said Mark issued a stop order and is checking on the soil erosion permit.

Councilmember Diehl, on Monday we did talk about the dirt, Mark was very cooperative to go look at site. The next day they dumped twice as much there its half way up the front. Happy we stopped the work there.

Mr. Diamond, Master Plan isn't fair for existing residents. We should stop giving variances.

Ms. Ruane, we have a sub contractor that does that work it should be done shortly.

Mr. Pagdon, on Talmadge Road they put in ADA cross walks, he counted 50 going nowhere this is a complete waste of money.

Councilmember Sendelsky, it is ADA requirement, if you don't put in cross walks we lose state money.
