

**TOWNSHIP OF EDISON
NEW COMMUNITY CENTER
PUBLIC FORUM #2**

The Township of Edison will hold a public forum to solicit feedback on the creation of a new community center. We encourage residents to attend and provide feedback and input on what the facility should include and what services are needed.

The moderator will be Suburban Consulting Engineers, who were retained by the township in June 2017 to conduct a feasibility study and develop a conceptual plan for a new community center.

All residents are invited to attend.

Date: Thursday, March 22, 2018

Time: 7:00PM until 9:00PM

Location: 100 Municipal Boulevard
