EDISON TOWNSHIP

RESOLUTION _____

WHEREAS, in 2006 Woodland Estates at North Edison, LLC (“Woodland at Edison”) inherited final subdivision plan approval (“Approvals”) granted by the Planning Board of the Township of Edison (“Board”) from the original applicant Anda Builders, LLC to construct a residential subdivision of approximately twenty-three (23) homes off of Woodland Avenue (“Woodland Estates”) on property commonly then known as Block 415, Lots 20-A.1 and 20-A.3 on the tax maps of the Township; and

WHEREAS, Woodland at Edison entered a developer’s agreement with the Township in 2006 (“Developer’s Agreement”) under it which agreed, upon completion of Woodland Estates, to dedicate to the Township the street(s) servicing the residences, as required by the Approvals, among other conditions; and

WHEREAS, Woodland at Edison experienced financial difficulty and failed to complete Woodland Estates, including common improvements thereto such as street paving and landscaping; and

WHEREAS, Woodland Estates by Fenix, LLC (“Fenix”) and Windham Associates, LLC (“Windham”) subsequently assumed control of the development of Woodland Estates in 2006 and 2011, respectively, but similarly experienced financial difficulty and failed to complete improvements required under the Approvals and Developer’s Agreement; and

WHEREAS, Woodland at Edison, Fenix and Windham are unresponsive to Township demands to complete Woodland Estates, which remains in a state of partial disrepair and distress; and

WHEREAS, the Municipal Council of the Township (“Municipal Council”) desires to maintain and provide street lighting to the streets servicing Woodland Estates pursuant to the authority granted under *N.J.S.A. 40:67-23.1* and *N.J.S.A. 40:55D-53.6*, pending the Township’s formal acceptance of the streets upon final completion; and

WHEREAS, the Municipal Council believes it is in the best interest of the Township to assume payments for utility bills with respect to street lighting along Hayduk Drive and Kitchen Court in Woodland Estates, and other essential utility services within the development, as necessary, including a pump station, notwithstanding the failures of Woodland at Edison, Fenix and Windham to complete development in accordance with the Approvals and Developer’s Agreement, pending the final resolution of development issues.

Section 4. The Township finance department is hereby authorized to pay any utility bill required to keep essential services operational at Woodland Estates, including for street lighting and the pump station. This authorization is retroactive in that it shall authorize the payment of utility expenses for essential services incurred prior to the adoption of this Resolution.

Explanation: A Resolution supporting Assembly Bill A-1021 requiring direct payment of energy taxes to municipal government.

EDISON TOWNSHIP

RESOLUTION _____

WHEREAS, taxes on gas and electric utilities were originally collected by the host municipalities, and when the State made itself the collection agent for these taxes, it promised to dedicate the proceeds to municipal property tax relief; and

WHEREAS, just as municipalities collect property taxes for the benefit of school districts, counties and other entities, the State is supposed to collect Energy Taxes for the benefit of municipal governments; and

WHEREAS, for years, though, State officials have diverted funding from Energy Taxes to plug holes in the State budget and to fund State programs; and

WHEREAS, the cumulative impact of years of underfunding has left many municipalities with serious needs and burdensome property taxes; and

WHEREAS, municipalities lost \$331 million in combined Energy Tax and Consolidated Municipal Property Tax Relief Aid (CMPTRA) funding in Fiscal Years 2009 through 2011, while also being denied scheduled incremental funding; and

WHEREAS, as a result of these cuts, property taxes in a number of municipalities are higher now, despite the fact that these municipalities are spending less, proving that the State's diversion of tax relief funding has contributed to higher municipal property taxes; and

WHEREAS, A-1021, sponsored by Assemblymen Daniel R. Benson and Wayne P. DeAngelo would restore the \$331 million in municipal property tax relief funding that was diverted due to State budget constraints, ensure that each municipality will be restored to the 2007 (SFY 2008) Energy Tax Receipts/CMPTRA level and adjust that amount to account for inflation; and

WHEREAS, the bill would require certain energy tax receipts to be paid directly to municipalities and, thereby, would assure local property taxpayers compensation for hosting transmission facilities and lines that allow gas and electric energy corporations to serve customers and conduct business in our Garden State; and

WHEREAS, the time has come to restore to local budgets the millions in property tax relief that have been annually diverted to meet State needs.

NOW, THEREFORE, BE IT RESOLVED by the Municipal Council of the Township of Edison, Middlesex County, State of New Jersey, as follows:

1. The Municipal Council ("Council") of the Township of Edison salutes the sponsors for listening to the Mayors in their districts and all around New Jersey and for advancing this legislation.
2. The Council enthusiastically supports and urges our State Legislators to pass A-1021.
3. Certified copies of this Resolution shall be forwarded to Governor Chris Christie, Lieutenant Governor Kim Guadagno, Department of Community Affairs Acting Commissioner Richard E. Constable III, New Jersey Senate President Stephen Sweeney, New Jersey Assembly Speaker Vincent Prieto, our State Senator

Peter J. Barnes III, our Assembly(wo)men Patrick J. Diegnan, Jr. and Nancy J. Pinkin, and to the New Jersey League of Municipalities.
