

2018 Edison Township Paving List

Note:

These streets are not listed in order of paving. The order of paving will be determined by the contractors and the Township's Engineering Department. The paving season is June through December 2018, and some streets may be delayed until spring 2019, depending on weather conditions and logistical issues that may arise during the paving season.

Hayduk Drive	<i>Woodland Ave</i>	<i>cul-de-sac</i>
Kitchen Court	<i>Hayduk Dr</i>	<i>cul-de-sac</i>

Please be advised, the Department of Planning & Engineering is in the process of putting together a long term roadway improvement program. As a part of the preparation, Township personnel are evaluating the condition of all roads within the Township's jurisdiction. The roadways will then be recommended to be paved in 5 year increments. Based on the current schedule it is expected that the long term roadway improvement program will be available for review in the fourth quarter of 2018.
