You will be contacted by phone prior to your start date and will be advised of the *approximate* time you will be picked up for a particular service.

Please contact the Edison Senior Citizen Center at 732-248-7345 for specific information on transportation services and to schedule or cancel an appointment for transportation services.

I. Medical Transportation

Medical Transportation is available Monday through Friday between the hours of 9 a.m. and 3 p.m. to medical offices in Edison and Metuchen only. Due to the large volume of medical transportation requests, we ask that individuals contact our office a minimum of two weeks prior to their appointment date.

All transportation is available on a first come, first served basis. Please call 732-248-7345 to cancel or schedule an appointment. If we are unable to accommodate a request, we will ask that the physician appointment be rescheduled for another date or time. Our first appointment pick up time is at 9 a.m. and last pick up from the medical office is at 3 p.m. We will not accept a request for medical transportation scheduled after 1:30 p.m.

Those individuals requesting repetitive appointments for physical therapy, chemotherapy or radiation therapy must follow the guidelines outlined below:

1. Obtain a prescription for therapy from your physician.
2. Arrange your therapy schedule with your facility of choice in Edison or Metuchen.
3. Fax a copy of your prescription to the transportation coordinator at 732-767-0433.
4. Call the Edison Senior Center to schedule your therapy dates and times.
5. If therapy is extended past the original schedule, a new prescription must be faxed to the transportation coordinator.
6. Passengers are to be ready for pick up within one hour of their medical appointment and rides are often shared with other passengers.
7. Passengers will be dropped off outside of the physician's office.
8. Drivers do not accompany passengers inside the building.
9. When your appointment has been completed, follow up appointments have been scheduled and all other personal business finished, please have the office staff contact the senior center at 732-248-7345 and advise us that you are ready to be picked up for a return trip home.
10. Please wait in the lobby or any other area which will allow you to see our bus pull up to the building

Residents requesting medical transportation, please note:

Please call the Edison Senior Center to schedule your medical transportation needs at 732-248-7345 as early as possible.

You will be asked to provide us with the following information:

1. Your name, address and telephone number
2. The date and time of your appointment
3. An emergency contact name and phone number
4. If you use a wheelchair, walker or cane
5. If someone will be accompanying you to assist you with your wheelchair.

II. Club Transportation

Club members are considered regular passengers and once registered for transportation will be automatically picked up on a weekly basis. It is the responsibility of the club member to call and cancel their club transportation due to weather, illness, travel plans or hospitalization.

- Club members will be picked up on their designated day only.
- It is your responsibility to contact the Edison Senior Center at 732-248-7345 if you have need to cancel your club transportation.
- The driver will pick you up at your home, drop you off at the senior citizen center and return you to your home at the end of your club meeting. The driver will not drop you off at the mall, a friend's home or within walking distance of your home.
- In the event of inclement weather your club president will make the decision as to whether or not to cancel the club meeting. You will be notified by your club phone chain if the meeting is cancelled.

III. Shopping Transportation

Those who have registered for shopping are considered regular passengers and once registered will be automatically picked up on a weekly basis. It is the responsibility of each individual to call the senior center at 732-248-7345 to cancel their club transportation due to weather, illness, travel plans or hospitalization.

Pick up time for shopping will vary daily dependent on traffic, the number of riders and weather. The driver will drop all shoppers off at the store and will advise them of the return pick up time and location. (Times will vary depending on the location of the shopping center.)

We ask that you be considerate and courteous regarding the amount of items you buy at the grocery store. Our buses are quickly crowded by shopping bags belonging to each rider. A good rule of thumb is buy only as much as you can carry, unaided, by yourself. Although our drivers will be there to offer assistance, loading volumes of grocery bags on and off the bus is cumbersome and NOT the responsibility of the drivers.

We reserve the right to restrict the quantity of cases of water or soda, pet food, watermelons, detergent/bleach, and family sized food items allowed on the bus. Those with large shopping orders will be asked to board the bus last and assist with the loading of items onto the bus.

Once you return home, you will be responsible for the transporting of your grocery bags to your apartment or home as the driver is not required to carry the bags to your door.

Carts, coolers, suitcases or duffle bags are not allowed on the shopping bus. Heavy items such as cases of water, watermelons and pet food are not allowed on the bus unless the passenger is able to carry them unaided.

- It is your responsibility to contact the Edison Senior Center at 732-248-7345 if you have need to cancel your transportation.
- If your shopping day is cancelled due to inclement weather an attempt will be made to reschedule the missed food shopping trip. You will be notified by phone should we be able to provide you with an alternate shopping day.

VI. Senior Lunch Program

Transportation is available to Edison residents who wish to participate in the Middlesex County Senior Lunch Program hosted at the Edison Senior Citizen Center. Individuals from throughout Edison Township who currently do not drive can request free transportation one to five days a week and participants may arrive at the senior center as early as 10 a.m. Lunch is served at 11:30 a.m. and the participants will then board the bus at 12:30 p.m. for the return ride home.

All transportation needs are arranged through the Edison Senior Center Nutrition site manager at 732-452-0377.

Homebound residents may be eligible for home delivered meals through the county meals-on-wheels program. Additional information can be obtained by calling 732-452-0377.

Inclement Weather

The Edison Township Senior Center staff makes every effort to provide transportation on a daily basis. In the event of inclement weather safety is our first priority and decisions are based on various road, weather, staffing and safety considerations. In the event of inclement

weather:

1. Each club president will make the decision as to whether or not a club meeting is to be cancelled due to inclement weather. It is the responsibility of the club president to make arrangements for the notification of meeting cancellations to the club members.
2. The Edison Senior Citizen Center reserves the right to cancel any and all transportation services based on information obtain related to snow, rain and flooding, dangerous road conditions, safety issues, or emergency situations.
3. In the event of inclement weather, every effort will be made to safely transport clients scheduled for medical appointments, but those individuals receiving life-sustaining treatments will be given a priority.
4. Should there be a need to cancel regularly scheduled food shopping routes due to the status of the roads and our ability to transport our customers safely calls will be placed by senior center staff members to all effected shoppers to cancel services.
5. The decision to cancel the Senior Lunch Program due to inclement weather will be made by the Middlesex County Office on Aging. Inquiries regarding cancellations should be forwarded to 732-452-0377.
6. Residents are encouraged to call the Edison Senior Center at 732-248-7345 with any questions or concerns regarding the status of transportation services and our ability to transport clients safely.

In the event of severe weather, we ask that you use your best judgment. Only you can decide if you are capable of safely meeting the van at your curb. When in doubt, it is best to err on the side of safety. You can always reschedule your appointment for another day. No doctor's appointment is worth a stay in the nursing home or hospital as a result of a fall or injury.

Free Home Safety Inspections

Each year, according to estimates by the U.S. Consumer Product Safety Commission (CPSC), nearly one million people over age 65 are treated in hospital emergency rooms for injuries.

Slips and falls are the main source of injury for older people in the home and many of these injuries result from hazards that are easy to overlook, but also easy to fix. By spotting these hazards and taking some simple steps to correct them, many injuries might be prevented.

The Edison Township Mr. Fix-It Program offers a **free home safety inspection** to spot possible safety problems which may be present in your home. Once identified, many possible safety problems can be repaired free of charge through the Mr. Fix It program. The free home safety inspection is mandatory for all NEW Mr. Fix-It program clients.

To schedule your free home safety inspection, please call the Division of Senior Citizen Services, Monday through Friday between the hours of 9 a.m. and 4 p.m. at 732-248-7345 to schedule an appointment.
