

F/T EMERGING TECHNOLOGIES/MAKERSPACE LIBRARIAN

The Edison Public Library is seeking energetic and motivated individual to serve as our Emerging Technologies Librarian to manage the library's MakerSpace and foster its community. Applicants will demonstrate technical prowess and creativity in the developing programs and activities throughout the year.

RESPONSIBILITIES

- Develops and implements a suite of technology programs to expand the community's digital learning capabilities from basic competencies to advanced skills.
- Develops digital projects and online exhibits to expand the community's access to library holdings and resources.
- Using principles of solid user experience and design, offers continuous development and management of a CMS-based content-rich website in tangent with our Communications and Marketing team.
- Provides reference services.
- Expands professional knowledge by participating in system, county and statewide initiatives and committees.
- Performs other duties as assigned.
- Stay abreast of technology developments and assist the Library Director in bringing relevant technologies to the library.
- Finds Grants and funding to support the library's MakerSpace and other services.
- Attend related seminars and workshops.

SKILLS

- Ability to translate new and emerging technologies into services that align with the library's mission and community needs.
- Interpersonal, analytic, and project management skills including the ability to collaborate across departments and branches.
- Basic database management, scripting and CMS skills (Proficiency with one or more programming languages preferred).

SCHEDULE

35 hours weekly. Two nights per week and two Saturdays per month. Must be flexible.

QUALIFICATIONS

The applicant must hold a Master's Degree from an ALA accredited graduate program in library science or be close to completing the degree. The person filling this position must also hold or be eligible to obtain NJ Professional Librarian certification. Must collaborate with Teen and Youth Services in collection development.

To Apply: Please submit your cover letter and resume by email to Christine Sickels, csickels@lmxac.org or mail to 340 Plainfield Avenue, Edison, NJ 08817
