

## Openings in the After School Child Care Program

The Edison Township Recreation Department has openings in our After School Child Care Programs held in every public elementary and middle school in Edison. Positions are available for Instructors Age 18 & over and Assistants Age 16 & over. Available Hours of work for elementary schools are 3:15 p.m. to 6:00 p.m.; for middle schools the hours are 2:45 p.m. to 6:00 p.m. This is a great job for teenagers, because it leaves them plenty of time after work to do homework and follows the school schedule. For more information, please call the Recreation Office and ask for Candy or Joyce – 732-248-7309.
