

Come meet our SWEET PRINCESS LEIA! And no, she was not in STAR WARS and she does not have hair buns! We think she might be American Bulldog without the bulk. She slightly resembles an Albino Boxer too! We love her SIGNATURE SPOT around her left eye! She is a little shy and timid at first, but when she opens up, she is one HAPPY, WIGGLY pup! She is a year and a half years old, weighs 49 pounds and easy to handle. She loves to sit next to you and likes when you put your arm around her. She likes to be close to you for lots of CUDDLE TIME. She has a gratefulness about her that is simply PRECIOUS! She has a medium amount of energy, walks well on a leash and takes treats gently. She adores people she knows and likes to give and receive ATTENTION and AFFECTION. She is a kind, GENTLE girl who is very curious because she is still very young. She does very well with other friendly dogs. Leia tested positive for Lyme disease which is easily managed with medication for about 4 weeks or so.

LEIA is spayed, heartworm negative and up to date on all her vaccinations. If you are interested in meeting Leia, please feel free to come visit her at the Edison Animal Shelter, 125 Municipal Blvd., Edison, NJ 08817.
