

Come meet our SWEET girl MAGGIE. She is a dilute tortoiseshell and grey tabby mix who is about 2 years old. She is FRIENDLY and she likes head and chin scratches. She is very HAPPY and well adjusted. She would love to SNUGGLE up with you. She is a little chubbier since the picture was taken. Right now she has the luxury of staying in one of our DELUXE CAT CONDOS. Let's get her a home so another kitty can have a turn.

Maggie is spayed, up to date on her vaccinations and FIV/FelV Negative. She is waiting for you at the Edison Animal Shelter, 125 Municipal Blvd., Edison, NJ 08817.
