"HARRIET TUBMAN: THE CHOSEN ONE"

This dynamic one-woman performance takes the audience on one of the 19 journeys Harriet Tubman took through the Underground Railroad with music, props, costumes and extraordinary acting. This shows the strength, courage, faith, and steadfastness of this remarkable American. Once a slave herself, she led more than 300 other slaves to freedom.

Awards will also be presented to the winners of the "Injustice Anywhere is a Threat to Justice Everywhere" contest, where participants describe what this quote from Martin Luther King Jr. means to them and how they make a difference when they see this occur. This contest is in the form of original artwork, poetry or a short essay.
