Dear Property Owner,

I am proud to present Edison Township's 2015 Calendar complete with noteworthy dates, useful information and essential phone numbers.

One of my Administration's top initiatives is to reduce Edison's disposal fees, to protect our environment, and to save tax dollars by increasing our community-commitment to recycling. The more recyclables that Edison collects – the more money our town can save.

So, in addition to curbside collections, Edison has reopened its South Edison recycling drop-off center at 471 Meadow Road and it has opened a new North Edison drop-off site at the Minnie Veal Community Center on Grove Avenue. These drop-off sites are for your convenience.

For a second year, Edison will host its popular "leaf bag giveaway program" for homeowners this fall. We found a very economical way to buy and distribute biodegradable leaf bags to our residents.

I encourage you to regularly visit www.edisonnj.org for information about the many high-quality services that Edison provides to you and your family. You can also stay up-to-date about community events by watching our award-winning public access TV Channel 15.

And, please sign-up online for our improved NIXLE service. This invaluable notification system will alert you to local emergencies, road closures, traffic problems and inclement weather conditions.

To help you navigate Edison Township's menu of services, please contact our Constituent Relations Administrator Anthony Russomano at (732) 248-7298. To assist you with recycling, sanitation or street maintenance issues contact Public Works Director Jeff Roderman at (732) 248-7518.

Best Wishes.

Mayor Thomas Lankey Township of Edison (732) 248-7298

RECYCLING COLLECTION

The Township provides a curbside recycling collection program for basic recyclable items (single stream containers, newspaper, magazines, mixed paper and corrugated cardboard). The curbside recycling program is a simple and efficient way residents can properly dispose of recyclables. Recyclables must be placed at your curbside in appropriate recycling containers prior to 6:00 A.M. on your recycling days. Large cardboard is placed next to container.

There are two Recycling Drop-Off Centers for Edison residents located at:

Please do not leave any items outside the gate when the Recycling Drop-Off Center is closed. This is a violation of Township Ordinance.

HOW TO DETERMINE YOUR RECYCLING SECTION

The Township is divided into 10 Recycling Sections (RS). Materials for recycling are collected every other week (bi-weekly). Refer to page 9 for your Recycling Section and Recycling Collection Day. The specific dates for each recycling section are shown on the Month-by-Month Calendar starting on page 10.
