ORAL PETITIONS AND REMARKS

Council President Lombardi opened the meeting for public comment.

Fank J. Abella Jr, 21 Oak Grove Lane, many residents on our road have been here over 40 years our road is in need of repair of pot holes and should be on the paving list. He went on to ask a few questions regarding the criteria of the paving, funding, list, and priority.

Council President Lombardi asked Mr. Kataryniak to address some of the questions between now and the next council meeting. Over the past three years we have resurfaced about 60 roads.

Mr. Kataryniak, we have been strategically planning with our resources. We are inventorying our roads on their physical condition. The NJDOT has a policy we follow. Currently we are planning to do approximately 50 streets.

Mr. Abella, reported a storm sewer that is broken on their street.

Mr. Russomanno made an appointment with Mr. Ablella for 8:00am tomorrow to evaluate the Storm Sewer.

Mr. Fred Carbene, 33 Oak Grove Lane, supports all of Mr. Abella’s comments. Our street hasn’t been paved in the past twenty (20) years. We have a Deer problem in our area, what can be done

Council President asked Mr. Elliot if there is anything the residents can do regarding the Deer.

Mr. Elliot will look into.

Mr. Northgrave, please I urge you not to take out your bow and arrow to shoot the deer.

Robert Hamlet, 27 Oak Grove Lane, said he put out a bell, the deer do not like loud sounds. He has been in Edison for Fifty (50) years, it’s a wonderful town.

John Mitio, 44 Madison Avenue, he asked about the Recycling Calendar. Is there a way to have the traffic light adjusted for left hand turn on Woodbridge Avenue heading south by the Speed gas station.

Council President Lombardi, that is a county road.

Mr. Russomanno the calendars are in the mail, should be receiving shortly.

Walt Shneer, 108 Park Way, do we have remote cameras to put at the park by boat basin, the ground is being destroyed by people driving their quads.

Ms. Ruane, Captain Kelly will send patrol the area.
Fred Wolke, 10 Peak Road, Resolutions R.112, 113 and 114 - agrees with Councilmember Shah.

Mr. Northgrave said AVAYA has filed Chapter 11 bankruptcy which is reorganizing their debt.

John Poyner, 40 Roosevelt Blvd., regarding the flowers from the show, we will need to barrow a truck. At the last Environmental Commission meeting there were some High School students in attendance. He is looking forward to doing good things with the Commission.

Frank Paterson, 25 South Locust Ave., He thanked the council for the special committee meeting with them to go over their problems. Top golf is sending out a lighting person. He also had concerns over the noise being past 10:00pm.

Mr. Northgrave, we recognize the problem and looking into a solution, it’s not simple.

Ms. Wolke, asked what about the berms to be built to help the noise.

Council President Lombardi, the sub-committee is pulling all the plans and will be working with the Administration.

Hearing no further comments from the public Councilmember Sendelsky made a motion to close the public hearing, which was seconded by Councilmember Gomez and duly carried.

Having no further business to discuss, on a motion made by Councilmember Gomez, seconded by Councilmember Patil the meeting was adjourned at 7:31 p.m.
