Total Water Utility Appropriations 13,160,011.00 11,918,481.00

BE IT FURTHER RESOLVED, that two (2) certified copies of this resolution be filed forthwith in the Office of the Director of the Division of Local Government Services for certification of the 2020 local municipal budget so amended.

BE IT FURTHER RESOLVED, that this complete amendment, in accordance with the provisions of N.J.S. 40A: 4-9, be published in The Home News Tribune in the issue of August 29, 2020 and that said publication contain notice of public hearing on said amendment to be held via Zoom communication (see instructions on Township Website) on September 9, 2020 at 6:00 o'clock p.m.

It is hereby certified that this is a true copy of a resolution amending the budget, adopted by the governing body on the 26th day of August, 2020.

Certified by me
Date: August 26, 2020

Cheryl Russomanno, Municipal Clerk
ORDINANCE O.2073-2020

EXPLANATION: An Ordinance of the Township of Edison authorizing the sale of Township owned real property no longer necessary for a public purpose and establish the procedures therefor, concerning Block 296, Lots 37 and 38 on the tax maps of the Township (more commonly known as 31 Fox Road).

WHEREAS, the Municipal Council of the Township of Edison (hereafter the “Municipal Council”) has determined that Block 296, Lots 37 and 38 (more commonly known as 31 Fox Road) which is owned by the Township and reflected as such on its tax maps and within the public land records (the “Property”), is not necessary for public use, and that the sale of such Property will return it to the tax rolls of the Township, creating additional revenue for the Township; and

WHEREAS, in consequence, the Municipal Council has determined that it is in the best interests of the Township to offer the Property for sale to the highest bidder pursuant to N.J.S.A. 40A:12-1 et seq., the New Jersey Local Lands and Buildings Law (“LLBL”); and

WHEREAS, N.J.S.A. 40A:12-13 within the LLBL authorizes, among other things, the Township to sell municipally owned real property or capital improvement not needed for public use at public auction and sale to a private person, upon specified terms and conditions; and

WHEREAS, the Municipal Council desires to authorize the sale of the Property to the highest bidder at public auction and sale (the “Purchaser”), all consistent with the terms and conditions set forth herein below.

NOW, THEREFORE, BE IT ORDAINED by the Mayor and Municipal Council of the Township of Edison as follows:

SECTION 1.
A. The aforementioned Recitals are incorporated herein as though fully set forth at length.
B. A sign shall be posted on the existing garage structure situated on the Property advising that the Property is for sale.
C. The public sale, if not canceled, shall take place by open public sale at auction to the highest bidder at a date and time set forth in the public notice to be published in accordance with the requirements of N.J.S.A. 40A:12-13(a) and as more particularly described in subsection N., below.
D. The Township shall have the right to remove the Property from the auction for any reason whatsoever until the time of the auction. Notice of such removal will be posted prior to the commencement of the auction.
E. The Property shall be sold subject to 2020 taxes, pro-rated from the date of sale.
F. The Township may, at its discretion, reject all bids.
G. Potential Bidders are advised: (1) to conduct all necessary title searches prior to the date of the sale; (2) that the description of the Property is intended as a general guide only and may not be accurate; (3) no representations of any kind are made by the Township as to the condition of the Property which is being sold in its present condition, “as is”; (4) that the sale is made subject to all applicable laws, statutes, regulations, and ordinances of the United States, State of New Jersey, and Edison Township.
H. At the conclusion of the auction, the successful bidder shall provide a deposit of 10% of the bid by certified check or money order and shall execute an Agreement of Sale. Said Agreement of Sale shall be binding upon the high bidder until such time that the Municipal Council either: (1) does not accept the bid in which case bidders deposit will be returned; or (2) accepts the bid whereupon the Township shall execute the Agreement of Sale and both parties shall be held bound by the terms and conditions contained therein. The balance of the purchase price shall be paid at closing which shall occur not later than sixty (60) days following the acceptance of the bid by the Township. The purchaser shall be entitled to possession immediately following closing of title.
I. At the conclusion of the auction, the successful bidder shall provide a deposit of $500.00 dollars by certified check or money order as a deposit on all applicable fees and Township costs related to the sale of the property.
J. In the event the Township is unable to convey clear and marketable title, insurable at regular rates by a title insurance company licensed to do business in the State of New Jersey, the Township
will forthwith return to the purchaser any and all deposit moneys previously submitted by the purchaser, and neither party shall have any further rights against the other. The acceptance of a deed by the purchaser from the Township shall extinguish any claims that said purchaser may have against the Township in connection with the quality of title conveyed.

K. The Property herein sold is subject to any existing encumbrances, liens, easements, zoning ordinances, other restrictions of record, such facts as an accurate survey would reveal and any present or future assessments for the construction of improvements benefiting said property. The Township makes no representations as to the presence of any environmental conditions on the Property and the purchaser assumes the risk of any such condition, all Property being sold “as is.”

L. All conveyances by the Township shall be made by Quitclaim Deed.

M. Acceptable bids shall be confirmed by resolution of the Municipal Council no later than the first regular meeting of the Municipal Council following the date of such sale.

N. This Ordinance shall constitute and serve as the public notice to be published in a newspaper circulating in the Township at least once a week for two (2) consecutive weeks, the last publication being not earlier that seven (7) days prior to the date set forth for the public sale.

O. In the event the successful bidder fails to close on the property, the bidder shall forfeit the ten percent (10%) deposit.

P. The Municipal Council reserves the right to withdraw this offer to sell, or upon completion of the bidding to accept or reject any or all bids for said Property or to waive any informality in relation thereto.

SECTION 2. If any section, subsection, provision, clause, or portion of this ordinance is adjudged unconstitutional or invalid by a court of competent jurisdiction, such adjudication shall not affect the remaining sections, subsections, provisions, clauses, or portions, which shall be deemed severable therefrom, and construed to give effect to the remaining provisions.

SECTION 3. All ordinances or parts of ordinances inconsistent with or in conflict with this Ordinance, are hereby replaced and/or repealed to the extent of such inconsistency.

SECTION 4. This Ordinance shall take effect at the time and in the manner provided by law.
ORDINANCE O.2074-2020

EXPLANATION: An Ordinance amending various sections of the Township Code to incorporate recommendations from the Water and Sewer Utility and to establish fees for users of the water system, including a connection fee.

WHEREAS, the Township of Edison (the “Township”) is a public body corporate and politic of the State of New Jersey; and

WHEREAS, the Township Code of General Ordinances (the “Code”) provides for the establishment and organization of the Township government; and

WHEREAS, pursuant to the ordinance adopted by the municipal council of the Township (the “Township Council”) on September 9, 2019, the Township established the Edison Department of Water and Sewer (the “Utility”), a public utility for the operation, maintenance and management of the Township’s water distribution system (the “Water System”) and sewer collection system (the “Sewer System” and together with the Water System, the “Systems”); and

WHEREAS, in addition to rates, rents and fees, a separate charge in the nature of a fee charged to any property connecting to the Systems may be imposed on the owner or occupant of the property so connected (“Connection Fees”); and

WHEREAS, the Code includes provisions for a Connection Fee for users who connect to the Sewer System; and

WHEREAS, the Township has determined to amend the Code to include a Connection Fee to be charged to users of the Water System; and

WHEREAS, NW Financial Group, LLC (“NW”) prepared a report (the “Report”) calculating the Connection Fee in accordance with the N.J.S.A. 40A:31-11; and

WHEREAS, based on the calculations contained in the Report, the Township has determined to amend the Code to provide for Connection Fees to be charged to the users who connect to the Water System as follows:

27-2.36. Connection Fees.

(1) The initial fees for the right to connect to the Water System shall include a connection fee or charge per unit for the cost of connection as set forth herein. These fees shall apply to all connections whether direct, indirect, separate or shared.

(2) For each new unit, whether created by new construction or conversion or addition to an existing structure or change of use, there is established a water connection fee as set forth herein. For units involving new construction, the connection fees, charges or costs shall be paid before the connection is made; inspection fees shall be estimated and adjusted upon completion. Changes that increase the total number of units shall pay additional connection charges for each unit prior to the issuance of a Construction Code Permit in accordance with the schedule herein. Each residential unit shall be charged for each single family living accommodation or dwelling unit per connection. From and after September 15, 2020, a customer seeking to connect to the Water System for the first time or to enlarge an existing connection shall pay the following connection fee: $1,369.81
per Equivalent Dwelling Unit ("EDU"). An EDU is defined as 300 gallons per day. For meters larger than 5/8-inch, the connection fee shall be determined by the number of EDUs that the larger meter represents times the connection fee for one EDU. The number of EDUs that meters larger than 5/8-inch represent is determined by the ratio of the average flow of the larger meter in the Water System to the average flow of an EDU as calculated in accordance with N.J.A.C. 7:14A-23. The following table provides the number of EDUs and the connection fee for different sized meters:

(3) Connection fees, which are one-time initial service charges for the right to connect to the Water System, are deemed an integral part of the Utility’s rate schedule.

(4) Should the foregoing connection fees create a hardship, application can be made to the Director for a payment plan.

**WHEREAS**, a public hearing concerning the proposed Connection Fees will be noticed and held on August 26, 2020 as required by, and in accordance with, N.J.S.A. 40A:31-11; and

**WHEREAS**, the Township has determined to further amend the Code to establish or amend the fees charged to users of the Water System and incorporate recommendations from the Director of the Water and Sewer Utility; and

**WHEREAS**, the Township Council has determined to amend Chapter 27 of the Code to read as follows:

... [NOTE to Codifier, **Additions noted in underline, deletions noted in strikethrough.**] ...

**Chapter 27**

DEPARTMENT OF WATER AND SEWER

¹ This calculation shall be automatically adjusted in accordance with any amendments to N.J.A.C. 7:14A-23.
§ 27-1.1. Department of Water and Sewer Established.
There shall be created and established in and for the Township a municipally owned public utility for water and sewer, to be known as the "Edison Department of Water and Sewer," hereinafter referred to as the "Water and Sewer Utility." The authorized operations of the Water and Sewer Utility shall consist of the operation, management, control and maintenance of the water and sewer systems Township’s water distribution system ("Water System") and sewer collection system ("Sewer System") and all extensions and improvements hereafter made thereto, together with all services relating to such purposes, including the billing and collection of user fees and connection fees.

§ 27-1.2. Water Supply Control and Supervision.

Water used for the usual domestic and manufacturing purposes and supplied by the Township to the inhabitants thereof shall be under the supervision of the Department.

§ 27-1.3. Director: Appointment, Compensation and Vacancy.

a. There shall be appointed by the Mayor a Director of the Department of Water and Sewer Utility, hereinafter the “Director”, who shall receive such compensation as may be fixed annually by ordinance of the Municipal Township Council. The term of the Director shall be for four years. If any vacancy occurs in the office of the Director, his or her successor shall be appointed for the unexpired time only. Additional help may also be employed from time to time as may be required.

b. The Director will report directly to the Business Administrator. The Director is responsible for organizing, directing, and coordinating the employees of the Department of Water and Sewer Utility. The Director has overall responsibility for determining major departmental policies, planning long- and short-range programs, budget preparation, personnel management and professional growth of staff, and deals with major technical and administrative matters with other departments, the Mayor, Business Administrator, City Township Council, various commissions, outside agencies, and the public at large. The Director shall have five years of experience involving managing water distribution and sewer collection systems in New Jersey.

§ 27-2.1. Applicability of Rules and Regulations

Every person who shall construct, connect to, alter or use any part of the Water System and or Sewer System and every consumer of water and Owner, occupant or person in possession, charge or control of any building, structure or Premises having service there from, shall be under the supervision of the Utility and be governed by and subject to the provisions of this Chapter governing the use of water as may from time to time be adopted and approved by the Township Council. It is the duty of the Water and Sewer Utility to enforce the provisions of this Chapter governing the use of water and any other applicable rules and regulations.
Privately owned Water Mains and Water Services must comply with this Chapter and these rules and regulations.

§ 27-2.2. Regulations to Be Part of Contracts.
The following regulations shall be considered a part of any contract with every person who uses water, and the fact of using water shall be considered as expressing assent on the part of the user to be bound thereby.

§ 27-2.3. Definitions
As used in this Chapter 27 of the Township Code, the following terms shall have the meanings indicated:
"Applicant" shall mean the Person applying for a permit, approval or other action by the Water and Sewer Utility including the Owner or an agent of the Owner.
"AWWA" shall mean the American Water Works Association.
“Backflow” shall mean the flow of water or other liquids, mixtures or substances in the Water Mains, Water Services or other facilities of the Water System from any source other than its intended source.
“Backflow Preventer” shall mean any device or means, approved by the Utility, designed to prevent Backflow or Backsiphonage including, but not limited to, a Double Check Valve Assembly and a Reduced Pressure Principle Backflow Preventer.
“Backsiphonage” shall mean the Backflow of water or other liquids, mixtures or substances into the Water Mains, Water Services or other facilities of the Water System from any source other than its intended source caused by the sudden reduction of pressure in the Water System.
“Cross-Connection” shall mean any actual or potential connection between the public water supply and a source of possible contamination or pollution.
"Curb Stop" or "Curb Valve" shall mean a valve, typically located near the property line, on the Water Service Line which can be used to discontinue or allow the flow of water to a property.
"Curb Box" shall mean a housing used for the purpose of access and protecting a Curb Stop.
"Customer" shall mean the Person contracting for Water Service to a property and includes consumers and Owners.
"Director" shall mean the representative designated by the Mayor of the Township to act in administrative, managerial and operational matters for the Utility.
“Double Check Valve Assembly” or “Double Check Valve” shall mean an assembly of two (2) independently operating spring loaded check valves with tightly closing shut off valves on each side of the check valves, plus properly located test cocks for the testing of each check valve.
“Domestic Service” shall mean a Water Service whose flow is not used for fire protection.
“Equivalent Dwelling Unit” or "EDU" is defined as 300 gallons per day of water use.
“Engineer” shall mean the engineer of the Township or Utility.
“EPA” shall mean the United States Environmental Protection Agency.
“Fire Service” shall mean a Water Service whose flow is used to provide fire protection.
"GPM" shall mean gallons per minute.
"Inspector" shall mean an inspector or any authorized representative or agent of the Township.
"NJDEP" shall mean the New Jersey Department of Environmental Protection.

"Owner" shall mean the owner or owners of the freehold of the Premises or of a lesser estate therein, a vendee in possession or the lessee or joint lessees of the whole thereof.

"Person" shall mean any individual, association, corporation (municipal or private) or firm acting either directly or through a duly authorized agent.

"Potable Water" shall mean the water supplied by Middlesex Water Company and New Jersey American Water for purposes of human, commercial and industrial use and consumption.

"Premises" includes a lot or part of a lot, a building or part of a building or any parcel or tract of land.

"PSI" or "psi" shall mean pounds per square inch.

“Reduced Pressure Principle Backflow Preventer” or “Reduced-Pressure Principle Backflow-Prevention Assembly” shall mean an assembly consisting of two (2) independently operating approved check valves with an automatically operating differential relief valve located between the two (2) check valves, tightly closing shut-off valves on each side of the check valves plus properly located test cocks for the testing of the check valves and relief valve.

"RPZ" shall mean a Reduced Pressure Principle Backflow Preventer.

"Tap" shall mean the fitting in a Water Main to connect a Water Service Line.

“Utility” shall mean the Water and Sewer Utility.

"Water Main" shall mean the pipes, valves, Taps, including corporation cocks, or tapping valve owned by the Township, through which Potable Water is transported and distributed to any and all Water Services, fire hydrants and fire service sprinkler systems.

"Water Main Extension" shall mean the installation of new Water Mains.

"Water Meter" shall mean the mechanical instrument of a type approved and owned by the Water and Sewer Utility, required to be used on all Domestic and all Fire Service lines for measuring the quantity of water passing a given point.

“Water Service” or "Water Service Pipe" or "Water Service Line" shall mean all pipes, fixtures, Water Meters and associated appurtenances from the Water Main to whichever of the following is farthest downstream (outlet side) of the Water Meter: a) the downstream Domestic Service Water Meter service valve if a Backflow Preventer is not required, b) the downstream Domestic Service Backflow Preventer if a Backflow Preventer is required, c) the Fire Service RPZ or double detector check Backflow Preventer downstream bypass connection tee if there is a bypass, or d) the Fire Service RPZ or double detector check backflow preventer if there is no bypass. The Water Service includes the service line from the Water Main including the tap and tapping valve, Curb Stop, water service pipe, strainer, Water Meter, test tee, inlet and outlet Water Meter valves, and duel check device or Backflow Preventer.

"Water Supply Line" shall mean all pipes and fittings, which are owned and maintained by the Owner, located between the Water Meter outlet service valve and the various water consuming appliances, devices and fixtures throughout the Premises or property.
"Water System" shall mean all Water Meters, Water Mains and all other facilities and appurtenances connected with the distribution of Potable Water owned by the Water and Sewer Utility or Township.

§ 27-2.4. Availability of Service

It is the policy and intent of the Utility to provide Potable Water to the Customers of the Water System who have received approvals from the Utility and the Township, consistent with applicable laws, regulations and practices. In the event that an extension or improvement of the Water Mains or Water System is necessary to provide service to a Customer, it shall be the Applicant's obligation to pay for such extension(s) or improvements. From time to time the capacity of the Water System may be limited due to physical limitations, resulting in a prohibition of additional connections until an increase in capacity has been approved and constructed or due to regulatory requirements, promulgated by Federal and/or State agencies. At such times, applications for such connections will be postponed until the limitations or restraints have been removed.

The determination of available capacity and the processing and approval of applications for connections shall be within the sole discretion of the Utility. The Utility shall have the right to reserve a sufficient supply of water at all times to provide for fire and other emergencies and may restrict or regulate the quantity of water used by its Customers in case of scarcity or whenever public welfare may require.

§ 27-2.5. Application for Use of Water.
All applications for the use of water must be made at the office of the Director of Water and Sewer Utility and in the form prescribed by the Director and must state fully and truly the various uses to which the water is to be applied; should it subsequently be required for other purposes, notice must be given before the desired change is made.

§ 27-2.6. Permits

No permit for the installation of any Water Service or Water Main Extension or portions thereof shall be granted or Water Meter issued until a plan of such Water Service or Water Main Extension has been submitted in accordance with all the requirements herein and reviewed and approved by the Engineer and Utility. Where a Water Service Pipe has been previously installed from the Water Main and subsequently cut and capped or otherwise turned off and the Water Meter removed, an application for a Water Service must be made to re-establish that Water Service.

§ 27-2.7. Fees and Charges for New or Changed Water Services

Applicant must pay the following fees or charges as set forth in this Chapter before obtaining approvals or a Water Meter:

a) Water Service Application Fee (for Water Services 2-inches and larger).
b) Water Main Inspection Fee
c) Deposit for Record Drawings (for Water Services 3-inches and larger). Returned upon submission of record drawings.
d) Water Connection Fee. An impact fee for the use of the Water System, whose construction was paid for by previous users.
e) Water Meter Permit Fee. Pays for the Water Meter and strainer.
f) Water Tap Permit Fee. Pays for the tap.
g) Cutting and Capping a Water Service. Needed only if an existing Water Service is being abandoned.

§ 27-2.8. Other Utilities During Construction

The attention of the Applicant is directed to the existence of underground utilities. The notification of utility companies is the responsibility of the Applicant and the Applicant shall be solely responsible for any direct or indirect damage to such utilities in the installation of the service line or lateral.

§ 27-2.9. Installations, Submission of Record Drawings

Installation of all Water Services must be done by a plumber. For Water Services 3-inches and larger, Applicant shall submit record drawings that are in conformance with application requirements established by the Director. Water Meters will not be issued until such time as “As-Builts” of Water Service have been submitted and approved by the Water and Sewer Utility.

§ 27-2.10. Small Water Services

Applications for installation of Water Services for single-family and two family residences of less than 2-inches, whether for Fire Service, Domestic Service or both, do not require submission of plans but Water Services must be installed in accordance with the specifications and requirements of this Chapter.

§ 27-2.11. Large Water Services

Application for installation of Water Services of 2-inches or greater, whether for Fire Service, Domestic Service or both, and for all Water Services, regardless of their size, for two-family or larger residences must be submitted to the Water and Sewer Utility for approval. The plans must contain:

a) Three (3) sets of plans must be submitted with the application (one for the record, one to the Building Department, one to the Owner). Also, a CD with the drawing in PDF format is to be submitted with the application.
b) All plans shall be signed and sealed by a licensed professional engineer or registered architect licensed to practice in New Jersey.
c) Submitted plans shall be standard engineering drawings, size 24-inches x 36-inches.
d) The plans shall include and clearly show:
   i. Site plan showing the adjacent streets with water mains and any existing Water Service Pipes to the Premises,
   ii. Key map showing the general location within the Township,
   iii. The complete Water Service including:
       A. Location and size of tap into the water main and tapping valve and adjacent gate valve (if the water main is 8-inches or greater),
       B. Location of curb gate valve,
       C. Location and size of Water Meter,
       D. Location of Water Meter isolation gate valves,
       E. Location of check valve(s) or backflow preventer, as required, near the Water Meter,
       F. Location of test tee connection, and
   G. Any other detail including all fixtures and connections.
iv. Water Supply Pipe schematic showing the location of connections to Backflow Preventers and check valves, surge tanks, storage tanks, pressure tanks, filters, swimming pools, bathing and display pools, sterilizers, condensers, compressors, reservoirs, boilers or other heating equipment using water, humidifiers, and washers.

iv. Plans shall be drawn to a scale of not less than 1 /8 inch to the foot; provided, however, that detailed plans shall be drawn to a scale and may be presented in either horizontal or vertical plane or isometric form.

e) State on the plans the type of occupancy of the facility receiving the Water Service (i.e. hospital, warehouse, apartment building, etc.).

f) Such plan or plans shall be presented with the application for permit to the Water and Sewer Utility.

g) All plans shall conform to the specification, rules, and regulations of the Water and Sewer Utility.

§ 27-2.3.2.12. Installation and Furnishing of Water Service Lines Line Taps and Discontinuation of Service.

The Township will furnish and install all water service lines between the water mains and the curblines upon the proper application therefor by the property owner or his or her agent and the receipt of payment therefore. The Utility will install all Water Service Taps ranging in sizes from 3/4" to 2". No person shall tap or connect to any Water Main of the Water System or insert a Tap therein except employees or authorized agents of the Utility. The Tap into the Water Main shall be a maximum of one size smaller than the Water Main. The Owner, builder or contractor will be responsible for the excavation and prepping of the Water Main that will be tapped. Water Service Lines in excess of 2" or multiple Taps for a residential condo complex, apartment building/complex or residential building exceeding 2 units will be installed by the homeowner, builder or contractor under supervision of the Water and Sewer Utility. A solid ductile iron tapping sleeve such as Mueller H-6I 5 or approved equal shall be utilized for all Taps 2-inches and larger. The tapping sleeve shall have passed AWWA pressure testing standards prior to installation. For all Taps, a tapping valve shall be installed as part of the tap installation. If the Tap is two inches or larger, the tapping valve must be a gate valve with a valve box with the word "Water" cast into the cover. All Fire Service Taps will be the responsibility of the homeowner, builder or contractor under supervision of the Water and Sewer Utility. Any Owner, contractor or builder that wishes to terminate the Water Service shall be responsible for the excavation and disconnection of the Water Service Line from the corporation under the supervision and inspection of the Utility. The joining of two or more smaller Water Service Pipes for the purpose of connection to one larger service is prohibited. Where the proposed connection is equal to or more than half the diameter of the existing Water Main, no Tap is permitted.

§ 27-2.4.2.13. Service Line Specifications.

Copper pipe shall be used for all service lines ranging in sizes from 3/4 inch to two inches inclusive, and cast-iron pipe shall be used for all service lines and fire lines ranging in sizes from three inches to eight inches inclusive. Taps shall be made of the following sizes: 3/4 inch, one inch, 1 1/2 inches, two inches, three inches, four inches, six inches and eight inches.

All Water Service Pipes 2-inches or less shall be in accordance with plumbing subcode of the New Jersey Uniform Construction Code. If a nonmetallic material is used, a metal
tracer wire shall be incorporated in the pipe. Copper Water Service Pipe shall be laid with no connections between the tapping valve (Water Main) and curb stop. Connections may only be by flare fittings.

All Water Service Pipes 3-inches and larger shall be in accordance with plumbing subcode of the New Jersey Uniform Construction Code. Water Service Pipe shall be laid continuously rodded with thrust blocks at all bends.

Each new Water Service Pipe shall be laid in a straight line from the Water Main to the property line or to within the building line at right angles to the street Water Main to which it is connected except for the loop off the gooseneck for Water Services and where the subsurface conditions make it impracticable the Water Service Pipe may be otherwise laid upon the approval of the Utility of the plans submitted by a plumber showing the proposed location of the Water Service Pipe. The Water Service Pipe shall be laid at a depth of at least four feet below grade. Water Service Pipes and a sewer pipes (lateral) may not be installed in the same trench and must be installed in separate trenches. All Water Service Pipes shall have an excess of three feet of pipe formed into a loop at the gooseneck to the tap and laid to the right hand, facing the tap. The loop shall be installed in such a manner as will completely absorb all strain to Water Service Pipe and Water Main which may be caused by any shock, strain or vibration to which said Water Service Pipe or Water Main may be subjected. It shall be the duty of the plumber performing labor in and about any Water Service to protect same from frost. The plumber shall not be released from the responsibility thereof by having the Owner of the premises or others do the work for him.

After installation of the Water Service, valves at the inlet side of Water Meter shall be left closed, and in no case shall the water be turned on except by any employee of the Utility. Plumbers shall not leave any valve or stop cock at inlet side of the Water Meter location open, nor water turned on in the Premises after connection of the Water Meter to the Water Service Pipe, longer than is required to test their work, without permission of the Director. A gooseneck connection is required on all Water Service Pipes. The size of the Tap (connection), the size of the Water Service Pipe, and the minimum size of the gooseneck between the Water Service Pipe and the Tap shall all be the same size. Any exceptions to these requirements must be approved in writing by the Director.

The Applicant shall pay Edison Division of Water Supply for the cost of furnishing and installing the water service line between the water main and the curbline based upon the tapping fee schedule in effect at the time of the application the Water and Sewer Utility $50.00 for inspecting the installed Water Service Line.

§ 27-2.6 2.15. Maintenance and Costs of Portions of Service Lines.

a. All Water Service Lines between the Water Main and the curb cock shall be maintained by the Department of Water and Sewer, at the expense of the property owner Water and Sewer Utility.

b. The Owner of a building and Premises connected to the municipal water supply with a Water Service Line in excess of two inches or any Fire Service line shall be responsible for the entire Water Service Line and/or Fire Service line from the Water Main to the Water Meter. The Owner shall be responsible for replacement and/or repair of that Water Service Line and/or Fire Service line. In no event shall an Owner be permitted to repair, replace, remove or in any way alter the Water Service Line or Fire Service line without first obtaining the prior written consent of the Director. All repairs, alterations or replacements must be inspected and approved by the Director. Any person found to have repaired, replaced, removed, or altered any Water Service
Line or Fire Service line without prior written consent, as set forth herein, shall be subject to criminal prosecution pursuant to the General Penalty provisions of the Revised General Ordinances of the Township of Edison and/or the laws of the State of New Jersey.

c. Generally, as to all Owners:
   (1) Installation, repairs, and replacement of Water Service Pipes, for which the Owner is responsible, shall be made by a licensed plumber hired by the Owner and inspected and approved by a designee of the Water and Sewer Utility. All costs shall be borne by the Owner.
   (2) In the case of a leaking Water Supply Line, for which the Owner is responsible, the Owner shall be required to contract with a plumber to repair said supply line leak within three (3) to five (5) business days. If no arrangements have been made to repair the leakage within the time prescribed herein, the Water and Sewer Utility shall be permitted to retain a contractor to complete the work for a cost of time and materials, which cost shall be the responsibility of the Owner and shall be collected as permitted by law. Restoration of lawn areas, shrubs, fences, walkways, driveways, steps, etc., shall be the sole responsibility of the Owner and not considered as part of the contractor's time and materials costs.
   (3) Repairs. When, in the opinion of the Director, there exists a condition which may affect water quality, pressure or the accurate recordation of water consumption for which the Owner is responsible, or it is found that the Water Service Pipe between the Water Meter and curb stop is not in serviceable condition, the Director shall serve a written notice to the Owner of the Premises or the Customer within 48 hours, describing the condition and if known, specifying the required repairs or improvements to be made within seven (7) days of the date thereof. Upon refusal or neglect of the Person so noticed to comply with the requirements of the notice, the Director may shut off the water supply to the Premises until such work is completed and a charge for shutting off and turning on the water has been paid and/or employ the necessary labor and materials to perform the necessary work.
   (4) Emergency Repairs. When, in the opinion of the Director, there exists a condition upon a Premises which creates an actual or imminent threat to the drinking water or the supply of water, for which the Owner is responsible, the Director shall serve a written notice describing the condition and if known, specifying the required repairs or improvements to be made within the time prescribed in the notice. Upon refusal or neglect of the Person so noticed to comply with the requirements thereof, the Director may shut off the water supply to the Premises until such work is completed. and/or employ the necessary labor and materials to perform the required work.
   (5) Cost of repairs. Costs incurred by the Water and Sewer Utility for the performance of the repairs and/or improvements in this section shall be detailed on an invoice to be included with the water bill for that particular time period in which the repairs were performed and shall be a first lien or charge against the affected property. The Township or the Water and Sewer Utility may thereafter institute an appropriate action against the Owner of the Premises for the recovery of such costs.
   (6) The Township and the Water and Sewer Water Utility shall not be liable for any damage resulting from failure to observe the regulations in this Chapter.

§ 27-2.7 2.16. Opening and Closing of Curb Cocks-Stops.
The curb cock shall be opened and closed only by the Director of the Department of Water and Sewer, or his or her assistant, or by special permit granted in writing by the Director.
Any person or persons turning on the water after it has been turned off at the curb shall be fined the sum of $25. The Township shall not be liable for any damage resulting from failure to observe this regulation.

a. No connection shall be made to a Township Water Main without first obtaining the approval of the Director. No Water Service Line ranging in size of ¾ of an inch to 2 inches shall be approved unless said service line is constructed in accordance with plumbing subcode of the New Jersey Uniform Construction Code. No Water Service Line ranging in size of three (3) inches or greater shall be approved unless said service line is constructed in accordance with plumbing subcode of the New Jersey Uniform Construction Code. Only personnel of the Water and Sewer Utility, or other persons, firms or entities which have received written permission from the Director, may tap a Water Main, open or close a curb stop or water valve for Water Service. Any Person found to have tapped a Water Main, opened, closed or to have, in any way, tampered with a curb stop or water valve without having received express written permission as required herein, shall be subject to a fine of $500 and criminal prosecution pursuant to the General Penalty provisions of the Revised General Ordinances of the Township of Edison and/or the laws of the State of New Jersey.

b. It shall be a violation of this Chapter and otherwise unlawful for any Owner to cause or allow water from the Water System to be consumed without any approved Water Meter to register the amount of water consumed. In addition to any fees and penalties imposed under this Chapter, the Owner shall be rebilled for the estimated amount of unmetered water consumed.

§ 27-2.8 2.17. Special Permit Required to Leave Water Running.
The water in no case shall be left running without a special permit from the Director of Department of Water and Sewer.

§ 27-2.9 2.18. Multiple Service from Single Service Pipes; Discontinuance of Service.
If written permission should be granted by the Director of the Department of Water and Sewer for two or more parties to take water through one service pipe Water Service Pipe, the provision in regard to the cutting off of the supply pipe shall be applicable to all the parties although one or more of them shall be innocent of any cause of offense.

Owners of Premises Premises will be held responsible for the water bills of their tenants.

§ 27-2.11 2.20. Water Supply by Consumers to Others Restricted.
No consumer Customer or user shall supply water from the Water System to other persons Persons or Premises not entitled to its use except upon written permission from the Supervisor, Director, under penalty of a fine of $25-$500 for each and every offense and subject to criminal prosecution pursuant to the General Penalty provisions of the Revised General Ordinances of the Township of Edison and/or the laws of the State of New Jersey.

Customers shall not be entitled to damages, nor will any part of a payment be refunded, for any stoppage of Water supply distribution occasioned by an accident to any portion of the Water System, nor for stoppage for the purpose of additions or repairs. The Director shall have the right to shut off the water to make extensions, alterations or repairs.

§ 27-2.13 2.22. Accessibility for Inspections.
All apparatus and places supplied with receiving water from the Water System must be accessible and open to the inspection of the Director, his or her agents and Township inspectors at all times, and all pipes and fixtures shall be subject to rejection by the Director if considered unsuitable for the purpose. Fees will be imposed upon Owners for failure to allow access to a Water Service for purposes of service or installation of the Water Meters or associated appurtenances; inspection of the Water Service; or access to the Water Supply Line or Water Service for inspection or testing of Backflow prevention devices. Failure to allow access includes a Customer not responding within thirty (30) days to a request for access delivered by certified mail or a Customer’s refusal to set and honor a date for access when contacted in person or by phone by the Water and Sewer Utility. The Water and Sewer Utility may turn off the Water Service until such entry or access shall have been accomplished and shall impose a Failure to Allow Access Fee in accordance with the following guidelines:

a. Fire hydrants shall be used only by members of the Water and Sewer Utility, Fire Department or other authorized officials, except upon written permission having been secured from the Director of the Department of Water and Sewer with the approved cross-contamination connection Cross-Connection contamination measures in place. Anyone operating a fire hydrant in violation of this Chapter will be subject to a fine of $500.00 for the first offense. For each additional offense the fine will double.

b. An Owner shall pay a $4,000 relocation fee to the Water and Sewer Utility to relocate a fire hydrant on an existing water line.
c. An Owner shall submit engineering plans for approval, and pay a $7,500 relocation fee, to the Water and Sewer Utility to relocate a fire hydrant with a new water line from the Water Main to the fire hydrant.

§ 27-2.24 Service Connections to be Metered.

a. All service connections within the Water System shall be metered at all times, including except for construction purposes. when temporary service may be allowed by written permission of provided by the Director. A temporary fire hydrant meter/Backflow may also be used after filing for the appropriate permit with the Water and Sewer Utility and paying the fee as set forth in §27-2.34 and herein. All meters Water Meters, except for new construction, up to and including two (2) inches shall be furnished and set by the Department of Water and Sewer Utility upon receipt by the Water and Sewer Utility of the Water Meter Fee. All Water Meters which are larger than two (2) inches shall be purchased and installed by the Owner in accordance with the requirements of the Director. All Water Meters remain the property of the Township Water and Sewer Utility. Water Meters may be required to be set either within the lines of the building to be supplied or in a specially constructed box at the curb, as may be directed by the Director.

b. Before water shall be turned on for construction purposes, an advance payment of $8 shall be made for a one-family frame house for each service and $12 for a one-family house constructed more than 50% of any other material. In case of larger buildings or apartments, the charge shall be determined by the Director. After the completion of the construction, the water shall be turned off at the curb and not turned on again until application is received for a meter. Owners shall deposit a Hydrant Meter Permit along with a $5,000 deposit for a temporary meter shall be deposited with the Water and Sewer Utility. The temporary meter/backflow shall be supplied by the Director. The $5,000 deposit shall be charged for any damages to the temporary meter. After the completion of the construction, (i) the temporary meter shall be returned to the Water and Sewer Utility, (ii) the $5,000 deposit shall be charged for water use, and (iii) the water shall be turned off at the curb if applicable and not turned on again until application is received for a Water Meter. Owners shall be liable for the minimum charge estimated charge per quarter or any fraction thereof that the water is left turned on prior to installation of a meter.

§ 27-2.25 Water Meter Fee.

Fee for the cost of a new or different sized Water Meter purchased and installed by the Water and Sewer Utility, which Water Meter shall remain the property of the Utility:

*Cost of additional appurtenances required for Water Meter installation shall be added to this base fee.

§ 27-2.16–2.26. Repair and Protection of Water Pipes and Fixtures; Tampering with or Damaging Meter.

All persons using water users of the Water System shall keep their water pipes and fixtures within their properties and to the curb cock in good repair and protect the same from frost at their own expense. The Curb Valve Box should be kept visible and accessible. The Owner shall be held liable for all damage and loss which may result from their failure to do so. All water which passes through a Water Meter will be charged for, whether used or wasted. Any person who tampers with a meter seal or the meter itself or causes any damage thereto shall liable, upon conviction, to the penalty stated in Chapter 1, § 1-5. Once a Water Meter is installed and correctly operating to the satisfaction of the Utility, repair and replacement of the Water Meter shall be the responsibility of the Utility with the exception that the Customer shall pay for the replacement of all Water Meters that have been tampered with or damaged.

§ 27-2.27. Tampering, Illegal Connection, Theft of Service, Failure to Protect Water Service.

Any Person who tampers with Water Service, including without limit, illegal connections, tampering with the Water Meter, breaking a Water Meter seal or coupling seal, a backwards meter, unauthorized turning on of service after the Water Utility has turned it off, removal of a Water Meter, bypass of a Water Meter, bypass of any required reduced pressure zone, Backflow preventer, failure to protect the Water Service from freezing or to protect the Water Meter from flooding and theft of service by any means shall be subject to criminal prosecution pursuant to the General Penalty provisions of the Revised General Ordinances of the Township of Edison and/or the laws of the State of New Jersey and a fine of $1,000 for each offense.

Bypasses are prohibited except when water service cannot be interrupted for any reason. In that case, the Director must provide written approval of the bypass. A request must be made to the Director in writing stating the reason for a bypass along with drawings of the Water Meter and bypass proposal. Once approved, a second Water Meter must be purchased from the Water Utility and installed on the bypass. All costs for the bypass meter
and associated Water Meter costs and the regulations regarding Water Meters will be the responsibility of the Owner of the Premises. Current bypasses will be locked out by the Water Utility until a new Water Meter can be installed by the Owner. A $5.00 fee will be added to each water bill for the locking mechanism installed on the bypass valve. If the locking mechanism, lock or wire seal is removed or tampered with, a $1,000.00 fine shall be issued to the Owner.

The assessment of such fee shall not in any way limit the Utility’s rights to pursue additional enforcement of any kind including the assessment of additional fees, fines or penalties, assessment for the cost of Water Meter installation and assessment of estimated past unrecorded consumption during the past six (6) years. The Utility’s, failure to enforce a fee or its decision to waive a fee shall not be considered a waiver of Customer’s compliance with any term of these rules and regulations and shall not preclude the Utility from any future enforcement rights.

§ 27-2.17-2.28. Notification of Defect in Service Pipe; Failure to Remedy
Whenever it shall be found that the service pipe between the Water Meter and the curb stop is not in serviceable condition, the owner or consumer shall be notified at once; the Water Utility shall notify the Owner of the property or the Customer within 24 hours; and should he, she or they such party fail to remedy the defect within a reasonable time seven (7) days from receipt of notification, the water will be shut off and not turned on until the necessary repairs have been made and a charge for shutting off and turning on the water has been paid. If the repair is not made in this time frame the Water and Sewer Utility has the right to make the repair at the expense of the Owner.

§ 27-2.18 2.29. Protection of Meters.
Consumers Customers shall take all proper precaution to protect the Water Meter from any injury, including, but not limited to, injury from tampering, frost, hot water or steam. The Owners of the Premises will be held liable for all damage or loss to the Water and Sewer Utility for failure to properly care for and protect the Water Meters. Property owners, at their sole cost and expense, shall be required to maintain the meter in working order. The Owner and, at the Owner's direction, the occupants of a building or structure with a Water Meter located inside the building or structure are required to keep the Water Meter and its associated valves and appurtenances easily accessible for inspection, reading, and service including for the replacement of the Water Meter, which requires enough room for the use of long wrenches and other tools. The Owner and, at the Owner's direction, the occupants of a building or structure with a Water Meter located inside the building or structure are required to keep the area where the Water Meter is located free from water, flooding, and moisture from condensation, seepage through foundation walls and other sources. If the Water Meter is located in a pit or vault outside of the building or structure, the Owner and at the Owner's direction the occupants are required to keep the meter pit/vault accessible and the pit/vault's lid free from storm water runoff and snow.

In case of damage to a Water Meter or the failure to register properly, the Customer or Owner shall notify the Director of the Department of Water and Sewer at once immediately in order that the Water Meter may be repaired or replaced by the Water and Sewer Utility with a fully functioning, an accurate Water Meter. The cost for the Water Meter and installation thereof may be charged to the Customer. The charges for water during such period will be on the basis of ordinary use under similar conditions before the Water Meter became defective. The Customer or Owner shall fully cooperate with the Department of Water and Sewer Utility in granting access to the Water Meter for replacement. The failure to cooperate or preventing the replacement of a damaged Water Meter will result in water service being shut off until such Water Meter is
replaced. The Department of Water and Sewer Water and Sewer Utility will inspect and test any meter Water Meter owned by the Department of Water and Sewer Water and Sewer Utility when requested to do so by the Customer. If such inspection and test proves the accuracy of the meter Water Meter, there shall be a charge to the person requesting the test as follows:

§ 27-2.31. Responsibility of Owner to report Damaged/ Broken/ Missing Water Meter
Owner shall immediately notify the Utility upon learning of any stoppage or other irregularity of Owner's Water Meter or any leak in Owner's Water Service between the Water Meter and the Water Main. It shall be the duty of the Owner of any Premises required to be metered for water in which there is no approved Water Meter to report such fact to the Utility. Where a Water Meter has been stolen the Owner shall furnish a police report to the Utility in order to receive a replacement Water Meter. All meter fees shall be paid before a replacement Water Meter is issued.

§ 27-2.32. Vacant Buildings; Owners to Notify Director.

a. No building, structure or Premises shall be abandoned, wrecked, destroyed or demolished without first giving notification to the Director in order that the Water Service may be cut and capped and the Water Meter read and recovered. Owners of vacant buildings must give notice, in writing, of such vacancy within seventy-two (72) hours of vacancy, to the Director of the Department of Water and Sewer so that the water may be turned off. Failure to do so shall result in continued billing for services and fees.

b. No rebate shall be allowed for metered vacant Premises. Owners shall be held responsible for all charges accruing for Water Service, until written notice has been given to the Director to discontinue the water supply, the Water Service has been cut and capped, the Water Meter is returned to the Utility, and the Owner has paid all amounts owed including the cost of cutting and capping the Water Service.

1) If all attempts have been made to collect payment and the Customer remains delinquent, an employee of the Utility will be sent to the property to post a notice that shut-off procedures will begin in fifteen (15) calendar days unless there is Customer contact or payment.

2) If there is no response at the end of the fifteen (15) calendar days, the Utility or its designee will remove the Water Meter and cut and cap the Water Service Line in addition to the regular shut-off procedures.

3) If the property is abandoned or boarded up, and every attempt has been made to collect the outstanding debt, the account will be subject to the Township’s Lien Sale process.

§ 27-2.33. Notice to Discontinue Service.
Any consumer wishing to discontinue water service from the Township’s water supply system from the Water and Sewer Utility must give notice thereof, in writing, to the Director of the Department of Water and Sewer. He or she will The Customer shall be charged for the use of water Service and fees until such notice is given, when the water will be shut off.

§ 27-2.34. Responsibility for Water Service Charges.
All charges in connection with the water supply Water System are made against the owner Owner of the premises Premises where the water is used, and all bills will be so made out. All water rents or other fees and expenses incurred by the installation of service, or fines imposed, are a lien on the property, and owners Owners are made responsible for any delinquency in the matter of payments by tenants or others.
§ 27-2.35. Rates.
The following schedule of rates shall apply for the use of water:
a. A minimum charge for general metered service shall be charged quarterly and shall be based on the size of the meter in service with the amount of water allowance within the minimum charge.

</tbody>
</table>

e. For installation of meter with remote read-out register (residential), the charge shall be $42 the cost of the meter and touch pad, plus 10%.

f. The rates charged to any resident of the Township, who shall have attained the age of 65 years old, on their primary residence in accordance with Subsections a and b above shall be those rates in effect for calendar year 1996. In order to be eligible for the senior citizen rate for any year, the resident must have attained the age of 65 as of January 1 of that year. The resident must notify the Edison Division of Water Supply Township’s Tax Office prior to January 1 to be eligible for the billing year beginning July 1.

§ 27-2.36. Connection Fees.

(1) The initial fees for the right to connect to the Water System shall include a connection fee or charge per unit for the cost of connection as set forth herein. These fees shall apply to all connections whether direct, indirect, separate or shared.

(2) For each new unit, whether created by new construction or conversion or addition to an existing structure or change of use, there is established a water connection fee as set forth herein. For units involving new construction, the connection fees, charges or costs shall be paid before the connection is made; inspection fees shall be estimated and adjusted upon completion. Changes that increase the total number of units shall pay additional connection charges for each unit prior to the issuance of a Construction Code Permit in accordance with the schedule herein. Each residential unit shall be charged for each single family living accommodation or dwelling unit per connection. From and after September 15, 2020, a customer seeking to connect to the Water System for the first time or to enlarge an existing connection shall pay the following connection fee: $1,369.81 per Equivalent Dwelling Unit (“EDU”). An EDU is defined as 300 gallons per day. For meters larger than 5/8-inch, the connection fee shall be determined by the number of EDUs that the larger meter represents times the connection fee for one EDU. The number of EDUs that meters larger than 5/8-inch represent is determined by the ratio of the average flow of the larger meter in the Water System to the average flow of an EDU as calculated in accordance with N.J.A.C. 7:14A-23. The following table provides the number of EDUs and the connection fee for different sized meters:

<table>
<thead>
<tr>
<th>Meter Size (Inches)</th>
<th>Meter Capacity Ratio (Ratio to 5/8-Inch Meter)(EDUs)(^2)</th>
<th>Water Connection Fee</th>
</tr>
</thead>
</table>

\(^2\) This calculation shall be automatically adjusted in accordance with any amendments to N.J.A.C. 7:14A-23.
(3) Connection fees, which are one-time initial service charges for the right to connect to the Water System, are deemed an integral part of the Utility’s rate schedule.

(4) Should the foregoing connection fees create a hardship, application can be made to the Director for a payment plan.

In instances where a Water Service Line must be installed from the Water Main, or other location, to the curb and/or a curb shutoff box installed, the Applicant shall be charged 125% of the Water and Sewer Utility’s total actual cost of the installation plus the cost of the Water Meter. If this work is performed by the Applicant or its agent in accordance with § 27-2.7, an inspection fee of $110, per inspection hour, with a minimum of two hours, shall be applied. When water and sewer lines are run at the same time, only one minimum for inspection shall be applied.

§ 27-2.38. Estimation of Consumption

Whenever there is reasonable evidence Water Meter readings are inaccurate for any reason or are unable to attain a true reading due to lack of a touch pad or inability to gain access to any Premises housing a Water Meter, the Utility may estimate the actual consumption
during the period of reading cycle. If the Utility replaces an inaccurate Water Meter with a new or reconditioned Water Meter, the average monthly consumption for the period of estimation shall be based upon the average monthly consumption for twelve months of which at least two months are measured by the new or reconditioned meter and the remaining months by the replaced meter during a period when the Utility determines the replaced meter to have been reading accurately. If there was a change in use or other mitigating circumstance that prevents using the above procedure, the Utility shall use any reasonable method for the particular circumstances to estimate the consumption for the period of inaccurate readings.

The following fees shall be established for inspections, equipment, permits or other such service provided by the Utility:

§ 27-2.40. Time for Payment.
All water rents are due and payable at the office of the Department of Water and Sewer Utility quarterly, on the first day of each quarter, for users with consumption under 200,000 cubic feet per quarter. For all users with normal or estimated use in excess of 200,000 cubic feet per quarter, such bills shall be due and payable monthly. The Township does not guarantee the delivery of water bills. The owner
is required to call at the office of the Department of Water and Sewer and pay or tender the amount due, whether the bill is received or not. Customers are responsible for payment due to the Water and Sewer Utility regardless of the receipt of water bills. If a bill is not received, Customers are required to call the office of the Water and Sewer Utility and pay or tender the amount due.

§ 27-2.41. Penalties for Delinquent Payments.

A penalty of 8% will be added to all bills not paid within 30 days. The water will be shut off if bills remain unpaid 60 days after they become due, after five days’ notice has been previously given, and will not be turned on again until all charges, including $15 for shutting off and turning on the water, are paid. Any such sum of money due to the Water and Sewer Utility for any such rates, rentals and service charges shall bear interest at the rate of 18% per annum to be computed from the date when said sum shall be due and payable until the date of actual payment, and, until paid, shall remain a lien upon the Premises in respect to which they are imposed as provided by law. No interest shall be charged if payment is made within thirty (30) calendar days following the billing date or before the tenth (10th) calendar day following the date upon which the same became payable, whichever is later.

§ 27-2.42. Water Emergencies.

In case of emergency occasioned by drought or other shortage or stoppage of water supply as determined by the Director, the Department of Water and Sewer Utility may adopt necessary temporary measures or including restriction restrictions on the use of water and conservation. After public notice has been given and until the restrictions have been lifted, any person or corporation violating the provisions of this section shall be subject to criminal prosecution pursuant to the General Penalty provisions of the Revised General Ordinances of the Township of Edison and/or the laws of the State of New Jersey upon conviction for violation thereof, to the penalty stated in Chapter 1, § 1-5. Continuing violations will subject the Person or corporation committing the same to a discontinuance of water supply during the period of the emergency.

§ 27-2.43. Backflow Protective Devices Required in Cases of Cross-Connections.

When a cross-connection exists between the public water supply and an unapproved water supply, a Backflow protective device with Double Check Valve must be installed to prevent unapproved water from mixing with the public water supply.
§ 27-6. SEWER REGULATIONS.

§ 27-6.1. Definitions. [1999 Code § 13.08.010, amended -20 by Ord. No._____] As used in this section:

BUILDING (HOUSE) SANITARY DRAIN — Means that part of the lowest piping in the building of a sanitary drainage system which receives the discharge from soil, waste and other drainage pipes inside the walls of drain stacks, horizontal branch drains and fixture drains within the building and conveys it to the sewage to the building (house) sanitary sewer beginning which begins five (5) three (3) feet outside the building wall.

BUILDING (HOUSE) SANITARY SEWER — Means that part of the horizontal piping of a drainage system building sanitary drainage system which extends from the end of the building (house) sanitary drain and which receives the discharge of the building (house) drain and conveys it to a public sanitary sewer. The Building Sanitary Sewer begins at a point three (3) feet outside the building wall and extends to the property line.

BUILDING PUBLIC SEWER LATERAL — Means the Sewer Utility owned sewer lateral pipe which extends from the Main Sewer to the Building Sanitary Sewer or to the property line. The Sewer Lateral is generally located within a public Right of Way or public easement. The Lateral shall include a vertical cleanout riser and cap which shall be owned by the Sewer Utility.

PUBLIC SEWER (Utility Owned) — Means the Utility Owned sanitary sewer located in the public right of way or public easement.

HOUSE — Means any building.

§ 27-6.2. Connections to Available Sewers Required. [1999 Code § 13.08.020]
a. All owners of property along the line of any sewers constructed for the purpose of carrying off sewage matter in any of the streets of the Township shall connect their houses and other buildings with the sewer in the street adjoining the property.
b. Where sanitary sewers are not available, septic tanks may be used subject to the issuance by the Plumbing Inspector of a permit therefor, pursuant to the terms of the Uniform Construction Code.
c. As soon as sanitary sewers are available for connection, septic tanks or other existing structures or pits shall be abandoned, emptied, cleaned and disinfected and filled or covered with fresh earth.

§ 27-6.3. Failure to Make Connection. [1999 Code § 13.08.030, amended -20 by Ord. No._____]
Any owner of property who fails to make such connection to an available sanitary sewer within thirty (30) days after due notification by the Township Director shall, upon conviction thereof, be punishable as provided in subsection 27-6.8, and each and every day after the thirty (30) days in which he or she shall fail to comply with the provisions of this section and of the notice shall constitute a separate offense.

a. Cast-iron sewer pipe and fittings, ASTM designation A74-1942, extra heavy weight;
b. Vitrified clay sewer pipe and fittings:
1. Standard strength conforming to ASTM designation C13-49T for up to ten (10) feet in depth.
2. Extra strength conforming to ASTM designation C20044T in depths over ten (10) feet;

Asbestos cement sewer pipe, not more than seven (7) feet in length, and fittings:
1. Federal Specifications SS-P-351 (1940) except for such substitutions approved by the National Plumbing Code.
2. Fittings. Changes in direction in the piping shall be made by the appropriate use of forty-five degree Y's, long sweep, quarter bends, sixth, eighth or sixteenth bends or by a combination of these or equivalent fittings. No fitting having a hub in the direction opposite to flow, nor a T-branch, shall be used.

§ 27-6.5. Joints. [1999 Code § 13.08.050]
The joints in any or all of the above types shall be watertight and rootproof and shall be made of lead or an approved sulphur compound for cast-iron pipe and of bituminous joint material (hot-poured) for vitrified clay pipe; sleeve couplings shall be of standard manufacture as furnished with the asbestos cement pipe.

§ 27-6.6. Minimum Size of Sewers. [1999 Code § 13.08.060, as amended by Ordinance No. _____]
The minimum size of a building (house) sanitary sewer and public sanitary lateral shall be four (4) inches in internal diameter for single family residential, except that the sizes in all cases shall conform with the schedule in the Uniform Construction Code where pipes of larger sizes are required. For Commercial properties the minimum size sanitary lateral shall be six (6) inches in diameter. The minimum size public sewer shall be eight (8) inches in diameter.

§ 27-6.7. Laying of Sewers. [1999 Code § 13.08.070]
a. Building (house) sewers must be run in as direct a line as possible to the Y-connection in the main sewer.
b. Building (house) sewers shall be laid not less than three (3) feet from the surface of the ground, and no line shall be laid within three (3) feet of the wall of any building or party line. Building (house) sewers may be placed in the same trench with the water service pipe, provided that the bottom of the water service pipe at all points shall be at least twelve (12) inches above the top of the sewer line at its highest point and that the water service pipe is placed on a solid shelf excavated at one (1) side of the common trench. Building (house) sewers, when laid in unstable soil conditions, shall be of extra-heavy cast-iron pipe.
c. Building (house) sewers shall be laid with a fall of not less than one-eighth (1/8) inch per foot, or, if pipe with a larger diameter than the minimum is required, the grade shall be such as to provide a velocity of not less than two (2) feet per second. Each length of sewer pipe shall have a solid bearing, and grooves shall be cut in the bottom of the trench to receive the bells or sleeves.
d. Old house sewers may be used in connection with a new building or new plumbing only when they conform to the requirements governing new sewers.
e. No building (house) sewer shall be covered over or backfilled until it shall have been inspected and approved by the Director.
The plumbing of every building shall be separately and independently connected with the sanitary sewer when such is accessible, except that in the case of a building in the rear of a lot, in front of which there is another building, or in the case of a building which does not have access to a sewer over its own premises, the plumbing may be connected to the building (house) sewer which serves another building.  

§ 27-6.8. Violations; Penalties. 11999 Code § 13.08.080; New, as amended by Ordinance No. __________-20]  
Any person who fails to comply with or who violates or who offends against any provision of this section or any section thereof shall, upon conviction thereof, be subject to criminal prosecution pursuant to the General Penalty provisions of the Revised General Ordinances of the Township of Edison and/or the laws of the State of New Jersey liable to the penalty stated in Chapter I, Section 1-5 and each day during which a violation of this article is allowed to exist shall constitute a separate and distinct offense.  

§ 27-7. SEWER USE REGULATIONS.  
§ 27-7.1. Applicability; Right of Appeal. 11999 Code § 13.08.090, __________-20]  
a. These regulations govern the use of the Township sanitary sewer system (hereinafter referred to as the "sewer system") and are applicable to all existing and future users of the sewer system. These regulations cover the use of the sewer system and charges for sanitary sewer services provided by the Township Water and Sewer Utility. All new users of the sewer system must also comply with regulations for connection to the sewer system and charges therefor. Every person who uses the sewer system shall be under the supervision of the Water and Sewer Utility and the following regulations shall be considered a part of any contract, ordinance or statute with every person who uses the sewer system, and the fact of using the sewer system shall be considered as expressing assent on the part of the user to be bound thereby.  
b. Any user or potential user of the sewer system shall have the right to appeal any provision of these regulations to the Municipal Council of the Township or an appeals board that it may designate.  

As used in this section:  

ACT – Means the The Federal Water Pollution Control Act, also known as the Clean Water Act as amended, 33 U.S.C. 1251 etseq  
BIOCHEMICAL OXYGEN DEMAND OR BOD – Mean the quantity of dissolved Oxygen in milligrams per liter (mg/l.) required during stabilization of decomposable organic matter by aerobic biochemical action as determined by analytical procedures set forth in 40 CFR Part 136.  
CHLORINE DEMAND - Mean the quantity of chlorine absorbed by a wastewater in a given length of time to a specific residual concentration, expressed in milligrams per liter.  
DOMESTIC WASTE – Means any liquid waste containing animal or vegetable matter in suspension or solution of the water carried wastes resulting from the discharge of water closets, laundry tubs, washing machines, sinks, dishwashers, or any other source of water-carried waste of human origin or containing putrescible material.
ENVIRONMENTAL PROTECTION AGENCY OF EPA – means the U.S. Environmental Protection Agency or, where appropriate, the Regional Water Management Division Director, or other duly authorized official of said agency.

FLOTABLE OIL - Means the oil, fat or grease in a physical state such that it will separate by gravity from wastewater by treatment in an approved pretreatment facility.

HAZARDOUS POLLUTANT – Means
(A) Any toxic pollutant,
(B) Any substance regulated as a pesticide under the Federal Insecticide, Fungicide, and Rodenticide Act, Pub.L. 92-516 (7 u.s.c. 136 etseq.),
(C) Any substance the use or manufacture of which is prohibited under the federal Toxic Substances Control Act, Pub.L. 94-469 (15 U.S.C. 2601 etseq.),
(D) Any substance identified as a known carcinogen by the International Agency for Research on Cancer

INDUSTRIAL WASTES — Means any solid, liquid or gaseous substance discharged, permitted to flow or escaping in the course of any industrial, manufacturing, trade or business process or in the course of the development, recovery or processing of natural resources, as distinct from normal sewage.

INDUSTRY – Means any establishment whose manufacturing process is included in the standard industrial classification (SIC) codes.

MAIN — Means Township-owned or -leased piping and appurtenances in or along public rights of way or easements owned by the Township for the collection of sewage and transmission of sewage to treatment facilities.

MCSA MCUA — Means Middlesex County Sewerage Utilities Authority.

NJDEP — Means New Jersey Department of Environmental Protection.

NORMAL SEWAGE — Means sewage with a maximum:
(a) Five-day biochemical oxygen demand of two hundred (200) milligrams per liter;
(b) Suspended solids content of two hundred forty (240) milligrams per liter;
(c) Chlorine demand of fifteen (15) milligrams per liter.

NON-DOMESTIC WASTEWATER – Means water which does not meet the definition of Domestic Waste (i.e., groundwater, leachate, process).

SEWER MAIN — Means Township-owned or -leased piping and appurtenances in or along public rights-of-way or easements owned by the Township for the collection of sewage and transmission of sewage to treatment facilities.

SIGNIFICANT INDUSTRIAL USER OR SIU – The term Significant Industrial User means:
(A) A user subject to categorical pretreatment standards, or
(B) A non-domestic user that meets any of the following criteria:
   (1) Discharges an average of twenty-five thousand (25,000) gpd or more of process wastewater to the MCUA (excluding sanitary, noncontact cooling, and boiler blowdown wastewater), or
   (2) The amount of BOD, COD or Suspended Solids (TSS) in the discharge exceeds the mass equivalent of 25,000 gallons per day of domestic waste as per the following table:
<table>
<thead>
<tr>
<th>Flow Parameter (MGD)</th>
<th>Concentration (mg/L)</th>
<th>Loading per day (Kg)</th>
<th>Loading per day (lb)</th>
</tr>
</thead>
<tbody>
<tr>
<td>BOD (5 day)</td>
<td>0.025</td>
<td>200</td>
<td>18.9</td>
</tr>
<tr>
<td>COD</td>
<td>0.025</td>
<td>500</td>
<td>47.3</td>
</tr>
<tr>
<td>TSS</td>
<td>0.025</td>
<td>250</td>
<td>23.7</td>
</tr>
</tbody>
</table>

SEWAGE — Means the combination of water-carried wastes from residences, businesses, industries and other buildings, institutions and factories.

SIGNIFICANT INDUSTRIAL USER, or SIU — Means all users who discharge sewage of particular characteristics or flow in excess of one (1) or more of the following threshold amounts:
1. Total sewage flow (flow). Flow of sewage in excess of twenty-five thousand (25,000) gallons per day.
0. Biochemical oxygen demand (BOD) present in sewage. BOD in excess of fifty-three (53) pounds per day; or,
1. Suspended solids (SS) present in sewage. SS in excess of forty-two (42) pounds per day.

UNPOLLUTED WATER OR LIQUIDS — Means any water or liquid containing none of the following:
- Emulsified grease or oil;
- Substance that may impart taste, odor or color;
- Odorous or otherwise obnoxious gases;
- Total dissolved solids in excess of one thousand (1,000) milligrams per liter;
- Suspended solids in excess of five (5) milligrams per liter;
- A biochemical oxygen demand (BOD) in excess of five (5) milligrams per liter;
- A pH below six point zero (6.0) or greater than nine point zero (9.0);
- Any substance prohibited by Federal or State law or regulations from being discharged directly into any stream or other body of water, including but not limited to any substance classified as being toxic.

USEPA — Means United States Environmental Protection Agency.

TOTAL SUSPENDED SOLIDS or TSS — Mean the total non-filterable residue as determined by analytical procedures set forth in 40CFR Part 136.

USER — Means the person applying for use of or continuing to use the sewer system, whether owner or tenant, and who enters into an agreement therefor.

§ 27-7.3. Prohibition of Inflow Sources. [1999 Code § 13.08.110]
No roof drainage, cellar drainage, unpolluted industrial process water, surface water, waste from hydrants or groundwater from underground drainage fields shall be admitted or be permitted to drain into the sewer system. The sewer system is intended to convey sanitary sewage and acceptable industrial wastes only. Reserved.

§ 27-7.4. Construction Requirements for Building Sewer. [1999 Code § 13.08.120, as amended by Ord. -20]
a. Owners or their agents, employees or independent contractors may do excavation, ditch preparation and plumbing work involved in the construction of a building
sanitary sewer and the connection of a building sewer to a service lateral or sewer main upon receipt of the connection permit and subject to compliance with Township standards, applicable codes and inspection requirements.

b. All contractors, before performing any work involving the construction of a building sewer or the connection of a building sewer to a service lateral or sewer main shall register with the Township's authorized agent, giving his or her name, business and home address, telephone numbers and the amount of and nature of his or her experience.

§ 27-7.5. Reserved Industrial Wastes; Approval Required. [1999 Code § 13.08.130, A, as amended by Ord No. _______20]

Admission of Industrial Wastes into the Sewer System.

a. Approval Required for Industrial Wastes. The discharge into the sanitary sewer system of industrial wastes having any of the following characteristics shall be subject to prior review by and approval of the Township Water and Sewer Utility:

1. A five day BOD greater than two hundred (200) milligrams per liter;
2. A suspended solids content greater than two hundred forty (240) milligrams per liter;
3. A chlorine demand greater than fifteen (15) milligrams per liter;
4. Any quantity of substance possessing characteristics described as prohibited wastes.

b. Preliminary Treatment and Handling of Industrial Wastes. Whenever necessary in the opinion of the Water and Sewer Utility Township Engineer, the owner of improved property shall, prior to discharge of industrial wastes into the sewer system, provide, at his or her expense, such facilities for preliminary treatment and handling of industrial wastes as may be necessary to:

1. Remove any toxic substance as designated by the USEPA or any substances which cannot be properly treated by the MCSA MCUA;
2. Reduce BOD to two hundred (200) milligrams per liter, suspended solids to two hundred forty (240) milligrams per liter, and chlorine demand to fifteen (15) milligrams per liter, by weight;
3. Reduce objectionable characteristics or constituents to come within the maximum limits permitted in this section;
4. Control the quantities and rates of discharge over a twenty-four (24) hour day and a seven-day week.

e. Requirements for Industrial Facilities.

1. Plans, specifications and any other pertinent information relating to proposed facilities for preliminary treatment and handling of industrial wastes shall be submitted for approval of the Township Water and Sewer Utility, and no construction of any such facility shall be commenced until approval thereof first shall have been obtained, in writing, from the Township Water and Sewer Utility, and until approval thereof first shall have been obtained from any governmental regulatory body having jurisdiction, including MCUA.

2. Whenever facilities for preliminary treatment and handling of industrial wastes shall have been provided by the owner of such improved property, such facilities shall be maintained continuously, at the expenses of the owner, in satisfactory operating condition and the Township shall have access to such facilities at reasonable times for purposes of inspection and testing.

a. No person shall discharge or cause to be discharged any stormwater, surface water, groundwater, roof runoff, subsurface drainage, cooling water or
unpolluted industrial or unpolluted commercial process water into any sewer. Any person found discharge or cause the discharge of the above listed prohibited items into any sewer shall be fined $1,000.00. Such fines and penalties shall be enforceable by the Township in any court of competent jurisdiction, and shall be collected as provided by this Code or applicable law.

b. Except as otherwise provided in this article, no person shall discharge or cause to be discharged any of the following described wastes or waters into the sanitary sewer system:
   1. Any liquid or vapor having a temperature higher than one hundred fifty degrees Fahrenheit (150° F);
   2. Any water or waste containing more than one hundred (100) milligrams per liter of fats, oils or greases;
   3. Any gasoline, benzine, naphtha, fuel oil or other flammable or explosive liquid, solid or gas which, by reason of its nature or quality, may cause fire or explosion or which, in any other way, may be injurious to persons or the sanitary sewer system or the sewage treatment facilities;
   4. Any noxious or malodorous gas or substance which, whether singly or by interaction with other wastes, shall be capable of creating a public nuisance or hazard to life or of preventing entry into any sewer or the sewage treatment plant for maintenance and repair;
   5. Any garbage, except properly shredded or ground garbage;
   6. Any ashes, cinders, sand, mud, straw, shavings, metal, glass, rags, bones, feathers, tar, plastic, wood, paunch manure, butchers offal or any other solid or viscous substance which shall be capable of causing obstruction to the flow in any sewer or other interference with the proper operation of the sanitary sewer system or the sewage treatment facilities;
   7. Any water or waste having a pH lower than six point zero (6.0) or higher than nine point zero (9.0) or having any corrosive property capable of causing damage or hazard to structures or equipment of the sanitary sewer system or the sewage treatment facilities or to personnel engaged in operation and maintenance thereof;
   8. Any water or waste containing any toxic substance in quantity sufficient to:
      (a) Constitute a hazard to humans or animals, or
      (b) Interfere with the biochemical processes of the MCSA MCUA sewage treatment facilities, or
      (c) Exceed State, Federal or other validly existing requirements for the receiving stream;
   9. Any water or waste containing suspended solids of such character that unusual attention or expense shall be required to handle such water or waste at the MCSA MCUA sewage treatment facilities;
   10. Any radioactive isotopes, except by special permission by the Township Water and Sewer Utility;
   11. Any drainage from building construction.

c. Oil and Grease Interceptors.
   1. Gas stations and garages are required to provide oil interceptors, of the types Series GA, GX, GNC, GRC, of Josam Manufacturing Company, Michigan City, Indiana, or equivalent, in an approved location, where the dangerous liquids are to be intercepted.
2. Restaurants or other commercial establishments, when directed, shall be required to provide grease interceptors of the type Series J, of the Josam Manufacturing Company or equivalent.

(a) Grease traps shall be provided when the Director of Public Works or designee determines that they are necessary for proper handling of liquid wastes containing grease in excessive amounts, or any flammable wastes, sand or other harmful ingredients except that such grease trap shall not be required for private dwellings. All of the traps shall be located so that they are readily and easily accessible for cleaning and inspection. The grease traps shall be continuously maintained in order to provide satisfactory and effective operation by the owner, at the owner’s expense. There shall be no bypass of the grease trap facilities which would allow the entry of untreated or partially treated wastes to the public sewer system. All copies of invoices from grease trap service and/or cleanings shall be sent to the Director.

(b) All retail food establishments, commercial food processors, meat processors or similar food preparers shall be required to pre-treat their discharge with an approved bacteriological product to control and eliminate the introduction of grease into the sewer system.

(c) The bacteriological product must be free of wetting agents, additives and reducing agents, enzymes, solvents or chemical de-greasers and must be approved by the Director of Public Works for use by the Director of Public Works or designee prior to application and/or installation of equipment. The bacteria shall be introduced into the system after closing or during the period of time that there is the least amount of business activity, once during every twenty-four hour period, or as directed by the Director of Public Works or his designee.

d. Nothing contained in this section shall be construed as prohibiting any special agreement between the Township and any person whereby industrial wastes of unusual strength or character may be admitted into the sewer system by the Township, either before or after preliminary treatment.

§ 27-7.7. Reserved Requirements for Discharge of Industrial Waste. [1999 Code § 13.08.140]

a. Required Survey Data. All sewer system users presently discharging industrial wastes into the sewer system or any person desiring to make a connection to the sanitary sewer system through which industrial wastes shall be discharged into the sanitary sewer system shall file with the Township an industrial wastes questionnaire, to be furnished by the Township, which shall supply pertinent data, including estimated quantity of flow, to the Township with respect to industrial wastes proposed to be discharged into the sewer system.

b. Control Moles Manholes.

1. Any person who is or shall in the future discharge industrial wastes into the sanitary sewer system, when required by the Township, shall construct in accordance with Township requirements and thereafter shall properly maintain, at his or her expense, a suitable control manhole or other device acceptable to the Township to facilitate observation, measurement and sampling by the Township.

2. Any such control manhole or device, when required by the Township, shall be constructed at an accessible, safe, suitable and satisfactory location in
accordance with plans approved by the Township prior to commencement
of construction.

c. Sewage Sampling.

1. Industrial wastes being discharged into the sewer system shall be
subject to periodic sampling, inspection, and determination of
character and concentration. Such sampling, inspection, and
determination shall be made by the Township as frequently as may be
deemed necessary. Representative samples for a full working day shall
be obtained by taking hourly samples and compositing them in
accordance with the flow at the time of sampling. Sewage sampling
facilities shall be accessible to the Township at all times. Due care shall
be exercised in the collection of all samples to ensure preservation
thereof in as nearly the natural state as possible, including refrigeration
of all samples which are intended for analysis by biochemical methods.

2. A grab sample (once per day) may be taken in lieu of the above if, in
the opinion of the Township Engineer, it will be representative of the user's
daily flow.

d. Analysis.

1. The Township shall be responsible for analysis of samples of industrial wastes.

2. Laboratory methods used in the analysis of samples of industrial
wastes shall be those set forth in the latest edition of Standard
Methods for the Examination of Water and Sewage, as published by
the American Public Health Association, and/or any method required
by USEPA, NJDEP and MCSA, provided, however, that alternate
methods for the analysis of industrial wastes may be used, subject to
mutual agreement between the Township and the owner discharging
such industrial wastes into the sanitary sewer system.

e. Changes in Type of Wastes. Any owner of an improved property who is
discharging industrial wastes into the sanitary sewer system and who contemplates
a change in the method of operation which will alter the type of industrial wastes at
the time being discharged into the sanitary sewer system shall notify the Township,
in writing, at least ten (10) days prior to consummation of such change.

f. All users whose discharge to the sewer system must be sampled and analyzed
because of its composition shall pay the Township for all costs incurred in
obtaining and analyzing the samples. Payment for such costs must be made
within thirty (30) days after receipt of the bill by the user. Late payment will
be subject to a five (5%) percent late charge and interest at the rate of one
(1%) percent per month or part thereof.

§ 27-7.8. Reserved Maximum Permitted Rates of Sewage Discharge. [1999
Code § 13.08.150]

a. All properties classified industrial shall be limited to the maximum peak
discharge rates prescribed herein for any discharge into the sewer system:

<table>
<thead>
<tr>
<th>Property Classification</th>
<th>Maximum Permitted Peak Discharge (gallons per minute)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Commercial</td>
<td>3.00 per acre</td>
</tr>
<tr>
<td>Restricted industrial</td>
<td>3.00 per acre</td>
</tr>
<tr>
<td>Light industrial</td>
<td>3.00 per acre</td>
</tr>
<tr>
<td>Heavy industrial</td>
<td>10.00 per acre</td>
</tr>
</tbody>
</table>
b. All properties not classified industrial shall be limited to a maximum peak discharge rate of forty hundredths (0.40) gallon per minute at any time.

c. When directed by the Township to prevent discharge rates into the sewer system in excess of the maximum permitted rates set forth herein, the owner shall provide and maintain, at his own expense, an approved flow control facility having a capacity of at least fifty (50%) percent of the mean daily volume of sewage discharge from the owner's property. In addition, the outlet to the sewer system shall be equipped, at the owner's expense, with a discharge rate controller or other approved device, the regulation of which shall be directed by the Township. In addition, any flow control facility required herein shall be subject to approved means for odor control at the owner's expense.

The Township will regularly sample and test the sewage emanating from all significant industrial users, or rely on available equivalent records of sampling and testing for such users. The Township may impose a sampling fee not to exceed seventy five ($75.00) dollars per sample. The samples must be drawn from a Township prescribed sampling point. The purpose of such sampling is to provide for equitable charges to significant industrial users, consistent with the rates set forth in the Code, based upon quantity and strength of wastewater discharge in compliance with Federal Regulation 18 CFR 601.34, dated July 2, 1970 as amended and supplemented from time to time.

a. Acceptable Wastes. In addition to any other requirements of the Code, no industrial liquid waste shall be discharged into the sanitary sewer system of the Township, unless it is amenable to secondary or biological treatment processes. No toxic materials or wastes containing explosive or flammable substances which would be detrimental to the collection system, including pumping stations and all treatment plant facilities and equipment or treatment processes, shall be permitted to be discharged into the collection system. The subsections of this Chapter XXVII set forth, in further detail, requirements concerning limitations on the quality of industrial waste characteristics.

b. Chemical Analyses Submitted. Every industry proposing to connect with the Township sewer system and to discharge industrial waste into same shall submit a complete chemical analysis of the waste, including biochemical oxygen demand (BOD), chemical oxygen demand (COD), suspended solids, chlorine demand, phosphates, nitrates and other waste characteristics required by the regulatory agencies MCUA and the NJDEP New Jersey Department of Environmental Protection.

c. Charges. Every industrial user, including SIUs, connected to the Township system and discharging industrial wastes, shall pay to the Township those rates for the processing of such waste as are set forth in subsection 27-8.1c, or as are otherwise set by ordinance from time to time. The Township reserves the right to include additional charges for industrial waste characteristics as may be imposed by the Township or its sewer utility, or to modify the rates based upon actual cost to the Township.

d. Sampling and Testing. The Township shall may undertake periodic sampling and testing of the waste to determine both volume and strength or
waste characteristics. The owner or SIU shall reimburse the Township for all costs of sampling and testing.

e. Determination of Volume. The volume of sewage and/or industrial waste from each industrial establishment or SIU may be determined by meters paid for and installed and maintained by the owner or such user, actual water meter records and/or private well meter records combined with Township water records, or from estimates or measurements made by the Township Consulting Engineer, as the case may be.

f. Determination of Waste Characteristics. The characteristics of the industrial waste shall be determined from actual samplings or other approved means, and shall be based upon analyses made in accordance with the procedures outlined in the latest edition of Standard Methods of Analysis of Water and Sewage, published by the American Public Health Association. The Township may require the installation of automatic samplers at the cost of the owner to obtain representative samples during a calendar quarter or as may be required.

g. Additional Determinations. Additional classifications of waste characteristics or modifications of the rate schedule may be established by the Township from time to time as deemed necessary.

h. Agreement to Accept Wastes. The Township will accept industrial wastes into the sanitary sewerage system upon execution of a formal, written agreement, and under and subject to the provisions appearing in the agreement and the rules, regulations and rates stated herein. The agreement will set out in detail as necessary the characteristics of the wastes, the flow conditions which shall govern and the conditions with respect to the physical connection or connections. It will be the policy of the Township to consider each application on its own merits, and to establish specific conditions applicable to the particular situation for each agreement. No connection shall be made prior to execution of the agreement.

i. Applicant to Submit Data. Prior to approving an application for a connection involving the acceptance of industrial liquid wastes or any SIU, the applicant shall submit complete data with respect to the following:

1. Average, maximum and minimum rates of flow to be expected daily and seasonally.

2. Flow diagram, showing points of applications of chemicals, type and quantity of each chemical used per day, and per shift, a schedule of operations, expected chemical characteristics of the untreated wastes and the point or points of connection to the sewerage system. The normal situation will require the separation of and separate points of connection for domestic sewage and industrial wastes from each industrial establishment or SIU.

3. Chemical analyses and waste characteristics of liquid industrial waste to be discharged into the system.

a. The Township reserves the right to require preliminary treatment where the chemical characteristics of the proposed industrial wastes of any SIU, in the opinion of the Township or in the opinion of the State Department of Environmental Protection NJDEP or the local health officials, make such preliminary treatment desirable or mandatory. Some of the characteristics which may dictate preliminary treatment are listed below:
1. Five (5) day BOD in excess of three hundred fifty (350) milligrams per liter.
2. Suspended solids in excess of three hundred fifty (350) milligrams per liter.
3. Presence of arsenic, barium, cadmium, chloride, copper, cyanide, fluoride, iron, lead, magnesium, manganese, nickel, nitrate, selenium, sulfate, zinc or pH values outside the acceptable limits.
4. pH below or above the allowable limits.
5. A chlorine demand in excess of thirty (30) mg/1.

b. In such instances where it is agreed that the industrial waste will be received following preliminary treatment, drawings and specifications shall be submitted for approval, showing all pertinent details of the construction proposed to accomplish the preliminary treatment, to include details of the indicator-record-register type of fluid meter and the housing to be used to meter the flow of industrial wastes, as the case may be, and also details of the control manhole to be constructed on the industrial wastes connection within the sidewalk area. The control manhole shall be provided with adequate access manhole covers of approved type, through which access shall be possible to the Township personnel at all times. Drawings, specifications, reports, etc., shall be submitted in quadruplicate and shall be prepared by a registered professional engineer.

c. Where preliminary treatment facilities are required, they shall be provided and continuously maintained in an effectively operating condition at all times, at the expense of the owner or SIU.

d. Each owner or SIU connected shall be responsible for maintaining a quality of effluent from their premises which conforms to the provisions established in their agreement with the Township. Sampling and analysis shall be done to conform with accepted practice, and in accordance with the current edition of "Standard Methods for Examination of Water, Sewage and Industrial Wastes" published by the American Public Health Association.

e. The cost of preparing and submitting this data for consideration by the Township shall be borne by the industrial owner or SIU; likewise, the cost of sampling and analysis to determine compliance with the terms of the agreement shall be borne by the owner or the SIU, although conducted by the Township or its duly authorized representative.

§ 27-7.12. Control Manholes and Meters. [Ord. No. O.1905-2015§ 6] Industries and SIUs permitted to connect to Township sewers, even though not initially required to provide preliminary treatment, may be required to provide a control manhole and/or meter, as described herein.

a. Where the owner or SIU provides its own water supply, entirely separate from that supplied by the Township, or provides from its own sources a portion of the water consumed on the premises, which eventually finds its way into the sewerage system of the Township, all aforementioned provisions will apply. This does not relieve the owner or SIU from the requirements to furnish, install and maintain a meter of the indicator-register-record type to measure the discharge of industrial wastes, as the case may be, all, as provided in this chapter. All costs of furnishing, installing and maintaining any industrial waste flow meter will be borne by the owner.

b. The Township representative shall have access at reasonable times to industrial establishments, and to any meters used to determine waste
volumes discharged into the sewer system or excluded from the sewer system.
Under no circumstances will any of the following be connected to the sanitary sewers, directly or indirectly:

a. Floor drain, area drain or yard drain.

b. Rain conductor or downspout.

c. Grease pit.

d. Air-conditioning equipment.

e. Stormwater inlets or catch basins.

f. Drains from pieces of equipment or manufacturing process, except when specifically authorized under the provisions of these rules and regulations.

g. No cesspool, privy vault, subsoil or cellar drains, rainwater or surface drains. Only the sewerage system of the premises shall be so connected.

Any residential user found to have any illegal connection to the sanitary sewer system shall be fined $1,000.00. Any commercial user or any SIU found to have any illegal connection to the sanitary sewer system shall be fined $5,000.00. Such fines and penalties shall be enforceable by the Township in any court of competent jurisdiction, and shall be collected as provided by this Code or applicable law.

A separate connection shall be provided for domestic sewage, and the waste shall not be commingled with the industrial waste within the plant or by any SIU. The Township shall determine the equivalent household connections from the discharge of domestic sewage from each industrial plant, owner or SIU. This shall be determined by dividing the average daily domestic sewage flow by three hundred (300) gallons per day; the latter representing the average household domestic sewage discharge. The annual rate for discharge of domestic sewage into the Township sewer system shall be computed by multiplying the number of equivalent units, as determined by the formula above, times the annual sewer charge applied to each household or residential unit.

In supplementation of any other provision of this Code, the charges and rents provided for under Chapter XXVII shall draw interest and be a lien upon the premises until paid, and the Township shall have and exercise the remedies for the collection thereof with interest, costs and penalties provided in N.J.S.A. 40:63-8 and as it has by law for the collection of taxes upon real estate.

§ 27-8. SEWER SYSTEM USER CHARGES.

a. All residential users of the Township sanitary sewer system discharging normal domestic sewage, as herein described in the sanitary sewer use regulations, shall be charged at a rate of $0.004428 per gallon of water consumed, provided that the users are using metered water. This rate shall be effective as of January 1, 2020, and shall remain unchanged in all subsequent calendar years unless modified by ordinance. All
users of the aforesaid sanitary sewer system whose discharged water originated from a well or nonmetered source shall, except as provided in paragraph h below, be charged as follows:

$274.26 in 2020. This amount shall remain unchanged in all subsequent calendar years unless modified by ordinance.

b. All nonresidential users of the Township sanitary sewer system shall be classified as follows:

1. Class I: Retail and commercial.
   Examples include:
   - Bus charter
   - Cemeteries
   - Convenience stores
   - Home furnishings
   - Hotels and motels without restaurant or food service
   - Landscaping
   - Liquor stores
   - Locksmiths
   - Pet supply
   - Pool supply
   - Retail "dry goods" stores
   - Tanning salon
   - Trucking without vehicle cleaning
   - Video Rental
   - Warehousing and distribution

2. Class II: Malls, shopping centers and commercial establishments with food service incidental to use and commercial establishments with cleaning services and/or processes.
   Examples include:
   - Barber shops and beauty salons
   - Bars and taverns
   - Cleaners and laundromats
   - Country clubs and golf courses
   - Day care
   - Dental
   - Food markets
   - Funeral
   - General construction
   - Hotels and motels with restaurant or food service
   - Ice cream shops
   - Kennels
   - Movie theaters
   - Nursing and retirement homes
   - Professional offices
   - Schools
   - Service stations
Supermarkets
Train stations
Trucking with vehicle cleaning

3. Class III: Retail food service.
Examples include:
Bagel shops
Bakeries
Bars and grills
Butcher shops
Coffee and donut shops
Delis and sandwich shops
Diners
Luncheonettes
Restaurants
Shopping centers
Shopping malls

5. Significant Industrial Users as defined in the Code.

6. Uses not specifically referenced in the above descriptions will be assigned class designations by the Township Engineer.

c. Nonresidential users shall be charged per gallon of water consumed, as follows:

<table>
<thead>
<tr>
<th>Class</th>
<th>2020*</th>
</tr>
</thead>
<tbody>
<tr>
<td>Class I</td>
<td>0.006975</td>
</tr>
<tr>
<td>Class II</td>
<td>0.009658</td>
</tr>
<tr>
<td>Class III</td>
<td>0.010980</td>
</tr>
<tr>
<td>Class IV</td>
<td>0.013049</td>
</tr>
</tbody>
</table>

*The sewer rates for 2020 established above shall be effective as of January 1, 2020, and shall remain unchanged in all subsequent calendar years unless modified by ordinance.

The volume of sewage and/or industrial waste from each industrial establishment or SIU may be determined by meters paid for and installed and maintained by the owner or such user, actual water meter records and/or private well meter records combined with Township water records, or from estimates or measurements made by the Township Consulting Engineer, as the case may be. The user fee of SIUs shall be calculated using one of the aforementioned methods of measuring SIU usage and volume, and shall be charged as follows:

<table>
<thead>
<tr>
<th>No. 1 Flow**</th>
<th>2020*</th>
</tr>
</thead>
<tbody>
<tr>
<td>No. 2 BOD (Bio-Oxygen Demand)</td>
<td>$1,141.50 per ton</td>
</tr>
<tr>
<td>No. 3 SS (Suspended Solids)</td>
<td>$1,273.41 per ton</td>
</tr>
<tr>
<td>No. 4 CD (Chlorine Demand)</td>
<td>$285.74 per cwt</td>
</tr>
</tbody>
</table>
d. The base rate for non-classified commercial and nonresidential users shall be the Class I rate. In addition, these users shall be charged for pollutant loading in excess of the levels established for normal sewerage and for the treatment of pollutants not contained in normal sewerage. The surcharge rates shall be the identical rates as charged by the Middlesex County Utilities Authority and in effect at such times as the pollutant loading surcharge billings are prepared by the Township. An additional charge of two hundred fifty ($250.00) dollars per sampled user shall be charged for the sampling and laboratory analysis.

e. Any user of the system who discharges normal domestic sewage and is a not-for-profit entity and a recognized charity or fraternal organization pursuant to either 26 U.S.C. § 501(c)(3) or (8) of the Internal Revenue Code shall be exempted from the payment of sewer charges under this section.

f. Residential customers of the Edison Township sanitary sewer system whose sewer user charges are determined based upon potable water consumption from a public water system shall be entitled to a fifteen (15%) percent discount from the calculated charges on their user bill.

g. The Department of Engineering may establish regulations which would permit adjustment of user charges for other classes of customers upon showing that significant quantities of potable water are not generating resultant sewage flows to the Edison Township sewer system.

h. Senior Citizen Sewer Rates.
   1. Metered Water. Those residents who have attained the age of sixty-five (65) in their primary residence as of December 31, 2005 shall be billed at the rate in effect for calendar year 1996 ($0.00176) per gallon until said primary residence has been transferred by deed. Those residents who have attained the age of sixty-five (65) after January 1, 2006 shall be billed at the then current rate established in paragraph a set forth above until said primary residence has been transferred by deed.
   2. Well or non-metered water:
      (a) Those residents who have attained the age of sixty-five (65) in their primary residence as of December 31, 2007 shall be billed at the following rates based upon the number of occupants residing in said residence:
          One (1) person:   $38.50
          Two (2) persons: $77.00
          Three (3) or more persons: $115.00
      (b) Those residents who have attained the age of sixty-five (65) in their primary residence on or after January 1, 2008 shall be billed at the then current rate set forth in paragraph a set forth above until said primary residence has been transferred by deed.
   3. Proof of Age Requirement. In order to qualify for the senior citizen
rate for either metered water or non-metered water or well water for the current calendar year, the resident must provide proof of age to the Department of Finance by no later than March 1 of the calendar year. Acceptable proof(s) of age shall include but not be limited to a Township identification card, valid drivers license, birth certificate, passport or County identification card, as determined by the Director of Finance.

i. Irrigation Line. Any resident who installs a metered irrigation line shall be exempt from the rates outlined in paragraph a provided they can provide the Township with a certification from the Water and Sewer Utility as to "irrigation only" status.

j. Discharges.
1. Any user proposing to discharge into the Edison Township sanitary sewerage system groundwater generated as a result of a mandated or voluntary remediation activity or process, or any other temporary, non-domestic discharge shall first receive a temporary discharge approval from the Township Engineer and Director.
2. Discharge approval requests shall be applied for on forms obtained from the Township Engineer.
3. Prior approval by the Middlesex County Utilities Authority for a temporary discharge approval or regular non-domestic wastewater discharge permit shall be required prior to application to the Township.
4. The application fee for a Township permit to discharge remediated groundwater into the Township sanitary sewerage collection system shall be two hundred fifty ($250.00) dollars, paid upon submission of the application.
5. Charges based upon the quantity of the discharge shall be at the Class I rate.

§ 27-9. CONNECTION CHARGES AND REGULATIONS.
A sanitary sewer system connection charge is established in order that the aforementioned purposes and objectives are implemented.

a. General.
1. The sanitary sewer system connection charge shall consist of a trunk system connection charge and a collector system connection charge determined as follows:
   (a) The trunk system connection charge shall be based on the cost of providing trunk sewer facilities, including secondary trunks, pump stations and force mains, to areas of the Township requiring new or expanded sanitary sewer facilities as determined by the Township Engineer. Allocation of the total cost of providing trunk sewer facilities among individual users connecting to the system will be based on the ratio of the individual user's peak discharge rate to the peak design capacity of the trunk system. Peak flow rates and design capacities will be based on the Township Division of Engineering sanitary sewer design criteria.
   (b) The collector system connection charge will be based on the estimated cost of providing collector sewers to an average residential dwelling unit as determined by the Township Engineer. The collector system
The connection charge for nonresidential users will be based on the front footage of the applicant's property, except in cases where the Township Engineer determines that the use of front footage is not reasonable. In such cases, the Township Engineer shall determine the proper connection charge; provided, however, that in no case shall a collector system connection charge be less than the minimum stipulated in paragraph c. Any user connecting to a combined trunk-collector sewer facility as defined hereinafter shall be liable for both the trunk and collector sewer connection charges.

2. Definitions. As used in this section:

COLLECTOR SEWER SYSTEM — Means gravity sewers, within a specific area, used to collect sewage from service laterals of individual users and transport said sewerage to trunk sewer facilities.

COMBINED TRUNK-COLLECTOR SEWER FACILITIES — Means any sewer facility that is utilized for both trunk system purposes and collector system purposes, that is, any facility that both collects sewage from individual service laterals and also transports sewage from other definable collector systems to treatment facilities.

TRUNK SEWER SYSTEM — Means gravity sewers, pumping stations and force mains used for the transportation of sewerage from collection systems, as defined herein, to treatment facilities.

3. Trunk system and collector system connection charges will be payable on the following basis:

(a) Any property which has been assessed for sanitary sewer in the past will be exempt from the connection charges.

(b) Applicants for connection to the sanitary sewer system for residential dwelling units and commercial/industrial buildings in existence on the date the connection charges are established are exempted from the trunk system connection charge on the basis that their owners have been contributing to the cost of the sewer system through taxes on an improved property without having the benefit of using the sanitary sewer system.

(c) Applicants for connection to the sanitary sewer system for residential dwelling units, commercial/industrial buildings or other nonresidential structures where the Township constructs or has constructed collector sewers shall pay trunk system and collector system connection charges.

(d) Applicants for connection to the sanitary sewer system who have applied for a construction permit or land subdivision before the effective date of these regulations are exempt from the connection charges.

(e) Applicants for connection to the sanitary sewer system who are required to pay the trunk system connection charge and who construct, at their own expense, a portion of the trunk system shall receive a reduction in their trunk system connection charge equal to the value of the facilities they construct, provided that the facilities are generally in accordance with the Township's overall sanitary sewer plan in effect on the date connection application is made. Determination of whether such facilities are in accordance with the Township's overall sanitary sewer plan and
the value of such facilities shall be made by the Township Engineer. If, in the event that the value of the trunk system facilities constructed by the applicant exceeds the total trunk system connection charge for which the applicant would be liable, no trunk system charge will be payable. However, in such a case, the Township will not pay the applicant the cost of constructing trunk system facilities in excess of the trunk system connection charge that would have been payable. Any trunk system facilities constructed under this section shall be constructed in accordance with Township standards and requirements, and the facilities shall become the property of the Township upon final acceptance by the Township. The applicant shall be responsible for the proper operation and maintenance of the facilities until final acceptance is granted.

4. Construction of trunk sewer facilities by the Township or by private individuals under the authority of the Township as described above in paragraph a3(e) shall be at the sole discretion of the Township. The Township shall not be obligated to construct or allow construction of trunk sewer facilities when it is not deemed to be in the best interest of the Township.

b. Application Procedures.

1. No connection to the sanitary sewer system shall be made unless proper application has been made on the prescribed application forms and the application has been approved and the required fees paid. It shall be the applicant's responsibility to comply with the detailed application procedures contained on the application form. Applicant's requiring Treatment Works Approval from the NJDEP shall comply with the submission requirements in accordance with N.J.A.C. 7:14A-22.8(a).

2. The Township shall have the right to deny any application for connection to the sewer system that is not deemed to be in the best interests of the Township.

c. Sanitary Sewer System Connection Charges.

1. Trunk System Connection Charges.

(a) Residential dwelling units, including single-family detached units, multiple-family units, townhouses, condominiums and other permanent residential dwelling units: eight hundred forty ($840.00) dollars per individual unit.

(b) All commercial, light or restricted industrial properties: three thousand seven hundred twenty ($3,720.00) dollars per gross acre.

(c) All other nonresidential buildings, structures or facilities: estimated peak discharge rate, in gallons per minute (GPM), as determined by the Township Engineer, times one thousand three hundred eighty ($1,380.00) dollars per GPM.

(d) Minimum trunk system connection charge: eight hundred forty ($840.00) dollars.

(e) The provisions of this section notwithstanding, the Municipal Council may reduce by fifty (50%) percent the fee to be imposed by this section for the connection to the sewer system of any commercial or industrial building or
structure which is located within a designated "area in need of rehabilitation and development" in accordance with this Code and which is subject to a tax abatement agreement with the Township and N.J.S.A. 40A:21-1 et seq. "The Five Year Exemption and Abatement Law."

2. Collection System Connection Charges.
   (a) Residential dwelling units, including single-family detached units, multiple-family units, townhouses, condominiums and other permanent residential dwelling units: two thousand one hundred ($2,100.00) dollars per individual unit.
   (b) All nonresidential buildings, structures or facilities: twenty-one ($21.00) dollars per front footage of the applicant's property, except as provided for in paragraph a1.
   (c) Minimum collection system connection charge: two thousand one hundred ($2,100.00) dollars.

d. Applicability. These regulations only pertain to sanitary sewer system connection charges. Any applicant for connection to the Township sanitary sewer system must also comply with all other ordinances and regulations pertaining to the sanitary sewer system, including but not limited to sewer use, user charges, prohibited wastes, industrial pretreatment, applicable design and construction codes and any applicable Federal and/or State laws and regulations.¹

¹ Editor's Note: Former § 27-10, Sewer Utility, as amended, which immediately followed this subsection, was repealed 9-9-2019 by Ord. No. O.2049-2019.
NOW, THEREFORE, BE IT ORDAINED by the Municipal Council of the Township of Edison, Middlesex County, State of New Jersey, as follows:

1. The aforementioned recitals are incorporated herein as though fully set forth at length.

2. The Municipal Council hereby amends Chapter 27 of the Code to read as follows:

3. It is the intent of the Municipal Council to incorporate the additions, amendments and/or supplements contained in this Ordinance into the Code. All of the remaining provisions in Chapter 27 of the Code shall remain unchanged and have full force and legal effect.

4. If any section, paragraph, subdivision, clause, sentence, phrase or provision of this Ordinance is declared unconstitutional or invalid by a court of competent jurisdiction, such decision shall not affect the remaining portions of this Ordinance.

5. A copy of this Ordinance shall be available for public inspection at the offices of the Township Clerk.

6. This Ordinance shall take effect after twenty (20) days of its final passage by the Municipal Council, upon approval by the Mayor and publication as required by law.
EXPLANATION: This Ordinance amends the Edison Township Code to establish rates the Township charges users of the Township’s water system.

WHEREAS, the Township of Edison (the “Township”) is a public body corporate and politic of the State of New Jersey; and

WHEREAS, the municipal council of the Township (the “Municipal Council”) has determined to amend the Township Code of General Ordinances (the “Code”) to establish rates the Township charges users of the Township’s water system (the “Water System”) effective October 1, 2020; and

WHEREAS, the Municipal Council has determined to amend Chapter 27, Subchapter 2.35(a) of the Code to read as follows (additions are underlined, and deletions noted in strikethrough):

a. A minimum charge for general metered service shall be charged quarterly and shall be based on the size of the meter in service with the amount of water allowance within the minimum charge.

<table>

WHEREAS, the Municipal Council has determined to amend Chapter 27, Subchapter 2.35(b) of the Code to read as follows (additions are underlined, and deletions noted in strikethrough):

b. Water delivered shall be charged at the following rates:

Rate\(\text{(in}$ \text{per thousand cubic feet)}$\)
\begin{align*}
\text{Rate} &= \underline{59.24} \, 64.57 \\
\end{align*}

WHEREAS, the Municipal Council has determined to amend Chapter 27, Subchapter 2.35(c) of the Code to read as follows (additions are underlined, and deletions noted in strikethrough):

c. For fire protection, the Department of Water and Sewer shall be paid an annual charge of $543.08 591.96 per fire hydrant on private property.

WHEREAS, the Municipal Council has determined to amend Chapter 27, Subchapter 2.35(d) of the Code to read as follows (additions are underlined, and deletions noted in strikethrough):

d. Fire line service.

1. There shall be a charge for metered Fire Service line based on the size of the meter and unmetered fire line service based on the size of the service, without hose or hydrant connected to them, according to the following table:

<table>
<thead>
<tr>
<th>Size of Service (inches)</th>
<th>Charge per Quarter(\text{in}$ \text{per quarter)}$)</th>

6. It is the intent of the Municipal Council to incorporate the additions, amendments and/or supplements contained in this Ordinance into the Code. All of the remaining provisions in Chapter 27 of the Code shall remain unchanged and have full force and legal effect. All other resolutions and ordinances governing the rates the Township charges users of the Water System heretofore enacted and inconsistent herewith are hereby modified pursuant to the terms of this Ordinance.

7. If any section, paragraph, subdivision, clause, sentence, phrase or provision of this Ordinance is declared unconstitutional or invalid by a court of competent jurisdiction, such decision shall not affect the remaining portions of this Ordinance.

8. A copy of this Ordinance shall be available for public inspection at the offices of the Township Clerk.

9. This Ordinance shall take effect after twenty (20) days of its final passage by the Municipal Council, upon approval by the Mayor and publication as required by law.
ORDINANCE O. 2077-2020

EXPLANATION: An ordinance approving the installation of a pedestrian crosswalk across Clover Place in the Township of Edison, Middlesex County, State of New Jersey.

WHEREAS, Block 390CC, Lots 1 and 2, and Block 395, Lot 22, more commonly known as 255 Clover Place, as shown on the Township of Edison tax maps (the “Property”) was the subject of an application before the Zoning Board of Adjustment of the Township of Edison (hereinafter the “Board”) made by Federal Business Centers (“Developer”) use (“d”) and bulk (“c”) variance relief, preliminary and final site plan and minor subdivision approval and amended site plan approval to allow a proposed parking lot as a principal use where parking lots are not permitted as a principal use and a bulk variance as to minimum floor area at the Property (the “Project”); and

WHEREAS, the Board granted approval for the Project by adoption of a resolution on May 12, 2020 (the “Resolution”); and

WHEREAS, in order to address any safety concerns associated with pedestrians crossing Clover Place, Developer proposed, and the Board approved, adding a crosswalk across Clover Place as well as signage for safe pedestrian access; and

WHEREAS, specifically, the Developer was approved to install a crosswalk, advance pedestrian crossing signs east and west of crosswalk, pedestrian crossing warning signs with push-button actuated flashing lights along Clover Place to advise drivers of active pedestrian crossing, and a temporary and removable sandwich board sign located at the roadway centerline within the crosswalk instructing drivers to yield, were approved for installation (the “Traffic Control Devices”) as shown on the Plan Set, Preliminary and Final Site Plan and Minor Subdivision, prepared by Paulus, Sokolowski & Sartor, LLC, last revised July 26, 2019 June 5, 2020, attached hereto as Exhibit A; and

WHEREAS, the municipal council of the Township of Edison (the “Municipal Council”) finds it in the best interest of public safety to install the Traffic Control Devices across Clover Place between Raritan Center Parkway and Parkway Place in the Township of Edison (the “Township”); and

WHEREAS, in a letter dated ____________, 2020, a copy of which is attached hereto as Exhibit B and made a part hereof, Carl P. O’Brien, P.E., set forth the legislative requirements pursuant to N.J.S.A. 39:4, N.J.A.C. 16:27, and the criteria for the Township to accept the Traffic Control Devices; and

BE IT THEREFORE ORDAINED by the Municipal Council of the Township of Edison, County of Middlesex, State of New Jersey, as follows:

1. That the Traffic Control Devices shall be installed in accordance with the Resolution and the letter provided by the Township Engineer, a copy of which is attached
hereto as Exhibit B.

2. That the aforementioned Traffic Control Devices shall be in accordance with the provisions of the Manual on Uniform Traffic Control Devices, Title 39 of the Revised Statutes and the New Jersey Administrative Code, and shall be designed and operated in conformance with the designated plans.

3. If any article, section, subsection, sentence, clause or phrase of this Ordinance is, for any reason, held to be unconstitutional or invalid, such decision shall not affect the remaining portions of this Ordinance and they shall remain in full force and effect, and to this end the provisions of this ordinance are hereby declared severable.

4. All other ordinances in conflict or inconsistent with this ordinance are hereby repealed, to the extent of such conflict or inconsistency. In the event of any inconsistencies between the provisions of this Ordinance and any prior ordinance of the Township, the provisions hereof shall be determined to govern. All other parts, portions and provisions of the Ordinances of the Township are hereby ratified and confirmed, except where inconsistent with the terms hereof.

5. Upon final adoption, the Township Clerk shall send a certified copy of this Ordinance to the Manager, Bureau of Traffic Engineering and Investigations, NJ Department of Transportation, PO Box 613, Trenton, New Jersey 08625-0613.

6. This Ordinance shall take effect in accordance with all applicable laws.
ORDINANCE O.2078-2020

EXPLANATION: An ordinance approving the installation of a Traffic Control Signal at the intersection of Plainfield Avenue and Kilmer Road in the Township of Edison, Middlesex County, State of New Jersey.

WHEREAS, the municipal council of the Township of Edison (the “Municipal Council”) finds it in the best interest of public safety to install a Traffic Control Signal at the intersection of Plainfield Avenue and Kilmer Road; and

WHEREAS, the Township Engineer has submitted and certified all the legislative requirements pursuant to N.J.S.A. 39:4 and N.J.A.C. 16:27; and

BE IT THEREFORE ORDAINED by the Municipal Council of the Township of Edison, County of Middlesex, State of New Jersey, as follows:

1. That the intersection of Plainfield Avenue and Kilmer Road shall be controlled by a Traffic Control Signal in accordance with the As-Built Traffic Signal Plan dated May 13, 2020, and As-Built Timing Directive, dated May 13, 2020, as prepared by Maser Consulting, P.A.

2. That the aforementioned Traffic Control Signal shall be in accordance with the provisions of the Manual on Uniform Traffic Control Devices, Title 39 of the Revised Statutes and the New Jersey Administrative Code, and shall be designed and operated in conformance with the designated plans.

3. If any article, section, subsection, sentence, clause or phrase of this Ordinance is, for any reason, held to be unconstitutional or invalid, such decision shall not affect the remaining portions of this Ordinance and they shall remain in full force and effect, and to this end the provisions of this ordinance are hereby declared severable.

4. All other ordinances in conflict or inconsistent with this ordinance are hereby repealed, to the extent of such conflict or inconsistency. In the event of any inconsistencies between the provisions of this Ordinance and any prior ordinance of the Township, the provisions hereof shall be determined to govern. All other parts, portions and provisions of the Ordinances of the Township are hereby ratified and confirmed, except where inconsistent with the terms hereof.

5. Upon final adoption, the Township Clerk shall send a certified copy of this Ordinance to the Manager, Bureau of Traffic Engineering and Investigations, NJ Department of Transportation, PO Box 613, Trenton, New Jersey 08625-0613.

6. This Ordinance shall take effect in accordance with all applicable laws.
ORDINANCE O.2079-2020

EXPLANATION: An ordinance approving the installation of a Traffic Control Signal at the intersection of Plainfield Avenue and Brunswick Avenue in the Township of Edison, Middlesex County, State of New Jersey.

WHEREAS, the municipal council of the Township of Edison (the “Municipal Council”) finds it in the best interest of public safety to install a Traffic Control Signal at the intersection of Plainfield Avenue and Brunswick Avenue; and

WHEREAS, the Township Engineer has submitted and certified all the legislative requirements pursuant to N.J.S.A. 39:4 and N.J.A.C. 16:27; and

BE IT THEREFORE ORDAINED by the Municipal Council of the Township of Edison, County of Middlesex, State of New Jersey, as follows:

1. That the intersection of Plainfield Avenue and Brunswick Avenue shall be controlled by a Traffic Control Signal in accordance with the As-Built Traffic Signal Plan dated May 13, 2020, and As-Built Timing Directive, dated May 13, 2020, as prepared by Maser Consulting, P.A.

2. That the aforementioned Traffic Control Signal shall be in accordance with the provisions of the Manual on Uniform Traffic Control Devices, Title 39 of the Revised Statutes and the New Jersey Administrative Code, and shall be designed and operated in conformance with the designated plans.

3. If any article, section, subsection, sentence, clause or phrase of this Ordinance is, for any reason, held to be unconstitutional or invalid, such decision shall not affect the remaining portions of this Ordinance and they shall remain in full force and effect, and to this end the provisions of this ordinance are hereby declared severable.

4. All other ordinances in conflict or inconsistent with this ordinance are hereby repealed, to the extent of such conflict or inconsistency. In the event of any inconsistencies between the provisions of this Ordinance and any prior ordinance of the Township, the provisions hereof shall be determined to govern. All other parts, portions and provisions of the Ordinances of the Township are hereby ratified and confirmed, except where inconsistent with the terms hereof.

5. Upon final adoption, the Township Clerk shall send a certified copy of this Ordinance to the Manager, Bureau of Traffic Engineering and Investigations, NJ Department of Transportation, PO Box 613, Trenton, New Jersey 08625-0613.

6. This Ordinance shall take effect in accordance with all applicable laws.
ORDINANCE O. 2080-2020

EXPLANATION: An ordinance approving the installation of a Traffic Control Signal at the intersection of Plainfield Avenue and Rivendell Way in the Township of Edison, Middlesex County, State of New Jersey.

WHEREAS, the municipal council of the Township of Edison (the “Municipal Council”) finds it in the best interest of public safety to install a Traffic Control Signal at the intersection of Plainfield Avenue and Rivendell Way; and

WHEREAS, the Township Engineer has submitted and certified all the legislative requirements pursuant to N.J.S.A. 39:4 and N.J.A.C. 16:27; and

BE IT THEREFORE ORDAINED by the Municipal Council of the Township of Edison, County of Middlesex, State of New Jersey, as follows:

1. That the intersection of Plainfield Avenue and Rivendell Way shall be controlled by a Traffic Control Signal in accordance with the As-Built Traffic Signal Plan dated May 13, 2020, and As-Built Timing Directive, dated May 13, 2020, as prepared by Maser Consulting, P.A.

7. That the aforementioned Traffic Control Signal shall be in accordance with the provisions of the Manual on Uniform Traffic Control Devices, Title 39 of the Revised Statutes and the New Jersey Administrative Code, and shall be designed and operated in conformance with the designated plans.

8. If any article, section, subsection, sentence, clause or phrase of this Ordinance is, for any reason, held to be unconstitutional or invalid, such decision shall not affect the remaining portions of this Ordinance and they shall remain in full force and effect, and to this end the provisions of this ordinance are hereby declared severable.

9. All other ordinances in conflict or inconsistent with this ordinance are hereby repealed, to the extent of such conflict or inconsistency. In the event of any inconsistencies between the provisions of this Ordinance and any prior ordinance of the Township, the provisions hereof shall be determined to govern. All other parts, portions and provisions of the Ordinances of the Township are hereby ratified and confirmed, except where inconsistent with the terms hereof.

10. Upon final adoption, the Township Clerk shall send a certified copy of this Ordinance to the Manager, Bureau of Traffic Engineering and Investigations, NJ Department of Transportation, PO Box 613, Trenton, New Jersey 08625-0613.

11. This Ordinance shall take effect in accordance with all applicable laws.
**ORDINANCE O.2081-2020**

EXPLANATION: This Ordinance establishes Parking Prohibitions of certain trucks, vehicles and trailers (No Parking) on Samuel C. Carpenter Blvd, as described; specifically the establishment of No Parking for vehicles over four (4) tons gross vehicle weight, school or any other type of bus, recreational vehicle, camper, boat, or trailer along Samuel C. Carpenter Blvd, from the limits of Grove Avenue to Dead End.

WHEREAS, the Township of Edison wishes to prohibit parking of certain trucks, vehicles and trailers at all times on a Samuel C. Carpenter Blvd, and wishes to establish No Parking on both sides of Samuel C. Carpenter Blvd, from the limits of Grove Avenue to the end of the public right-of-way located approximately 280 feet west of the centerline of Wintergreen Avenue W.; and

WHEREAS, the Township of Edison is permitted to adopt said ordinance without the approval of the Commissioner of Transportation pursuant to N.J.S.A. 39:4-197 and N.J.S.A. 39:4-8; and

WHEREAS, as required by N.J.S.A. 39:4-8, the Township Engineer has provided the appropriate certification.

BE IT ORDAINED, by the Township Council of the Township of Edison, County of Middlesex, State of New Jersey that Chapter VII Traffic, Section 7-16 entitled “PARKING OF CERTAIN TRUCKS, VEHICLES AND TRAILERS PROHIBITED” is hereby amended as follows:

SECTION I. Section 7-16 entitled “PARKING OF CERTAIN TRUCKS, VEHICLES AND TRAILERS PROHIBITED.” is hereby amended to ADD Samuel C. Carpenter Blvd as follows:

<table>
<thead>
<tr>
<th>Name of Street</th>
<th>Sides</th>
<th>Hours</th>
<th>Location</th>
</tr>
</thead>
<tbody>
<tr>
<td>Samuel C. Carpenter Blvd</td>
<td>Both</td>
<td>Any time</td>
<td>From Grove Avenue to the end of the public right-of-way located approximately 280 feet west of the centerline of Wintergreen Avenue W.</td>
</tr>
</tbody>
</table>

SECTION II. This ordinance shall take effect twenty (20) days after adoption, concurrence through consent resolution of the Middlesex County Board of Chosen Freeholders, and approval by the Mayor in accordance with N.J.S.A. 40:69A-181(b).

SECTION III. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.
EXPLANATION: This Ordinance establishes Parking Prohibitions of certain trucks, vehicles and trailers (No Parking) on Samuel C. Carpenter Blvd, as described; specifically the establishment of No Parking for vehicles over four (4) tons gross vehicle weight, school or any other type of bus, recreational vehicle, camper, boat, or trailer along Samuel C. Carpenter Blvd, from the limits of Grove Avenue to Dead End.

EDISON TOWNSHIP
ORDINANCE O.2081-2020
TOWNSHIP ENGINEER CERTIFICATION PER N.J.SA. 39:4-8

I, Carl P. O’Brien, P.E., P.P., C.M.E., as Township Engineer for the Township of Edison, Middlesex County, New Jersey, as required by N.J.SA. 39:4-8 have, under seal as a NJ licensed Professional Engineer, hereby certify to the Edison Township Council, that any designation or erections of signs or placement of pavement markings have been approved after investigation of the circumstances. It also appears to be in the interest of safety and the expedition of traffic on the public highways, and the signage and pavement markings conform to the current standards prescribed by the Manual on Uniform Traffic Control Devices for Streets and Highways, as adopted by the Commissioner. In addition, the provisions of this ordinance are consistent with the Manual on Uniform Traffic Control Devices for Streets and Highways, consistent with accepted engineering standards, based on the results of an accurate traffic and engineering review, and does not place an undue traffic burden or impact on streets in an adjoining municipality or negatively affect the flow of traffic on the roadway systems within the Township of Edison.

Chief Financial Officer

NOW, THEREFORE, BE IT RESOLVED, by the Municipal Council of the Township of Edison, that the above-referenced disbursements report is hereby approved.
RESOLUTION R.400-082020

Authorizing refund for redemption of tax sale certificates

WHEREAS, the Tax Collector of the Township of Edison, Lina Vallejo, reports and advises that at various sales of land for delinquent taxes held by the Edison Township Collector of Taxes, Middlesex County, New Jersey, the attached listing of tax sale certificates were sold; and

WHEREAS, the Tax Collector further reports that the said tax sale certificates have been redeemed thereof, and further advises that the purchasers of said property are legally entitled to a refund of monies paid at the time of redemption.

NOW THEREFORE, BE IT RESOLVED, by the Municipal Council of the Township of Edison, that the aforementioned recitals are incorporated herein as though fully set forth at length.

BE IT FURTHER RESOLVED, by the Municipal Council of the Township of Edison, that the appropriate official of the Township is hereby authorized to draw checks to the noted parties in the amounts specified on the attached listing, totaling $136,321.49.
RESOLUTION R.401-082020

Authorizing refund for tax overpayments

WHEREAS, the Tax Collector of the Township of Edison, Lina Vallejo, reports and advises that on various properties located within the Township of Edison, overpayments of real estate taxes have been made due to erroneous or duplicate payments, and

WHEREAS, applications have been made to the Tax Collector for refunds of the said overpayments, and the Tax Collector advises that the requesters are entitled to refunds as provided the attached listing; and

NOW THEREFORE, BE IT RESOLVED, by the Municipal Council of the Township of Edison, that the aforementioned recitals are incorporated herein as though fully set forth at length.

BE IT FURTHER RESOLVED, by the Municipal Council of the Township of Edison that the appropriate official of the Township is hereby authorized to draw checks to the noted parties in the amounts specified on the attached listing totaling $79,037.29.
RESOLUTION R.402-082020

WHEREAS, 479 Thornall Street, LLC (“Taxpayer”), the owner of property located at 479 Thornall Street, Block 676, Lot 2.03 on the Township of Edison’s Tax Assessment Maps (“Property”), filed a Tax Appeal for the Tax Years 2014, 2015, 2016 2017, 2018, 2019 and 2020 with the Tax Court of New Jersey under Docket Numbers 006465-2014, 005994-2015, 004403-2016, 005959-2017, 006072-2018, 007258-2019 and 004970-2020; and

WHEREAS, the Township Council for the Township of Edison met and discussed the aforesaid Tax Appeal and the recommendations of its Township Assessor and Tax Appeal Attorney; and

WHEREAS, the Township Assessor has made such an examination of the value and proper assessment of the Property and has obtained such appraisals, analysis, and information with respect to the valuation and assessment of the Property as deemed necessary and appropriate and has been consulted by the attorney for the taxing district with respect to this settlement; and

WHEREAS, an acceptable settlement of the aforesaid tax appeal has been negotiated in which the Taxpayer agrees to settle its appeal for an assessment at the fair assessable value of the Property consistent with the assessing practices generally applicable in the taxing district and as required by law; and

WHEREAS, the property was originally assessed for the 2014-2020 Tax Years as follows:

<table>
<thead>
<tr>
<th></th>
<th>2014</th>
<th>2015</th>
<th>2016</th>

WHEREAS, if the refund as a result of this settlement set forth herein is to be refunded, the refund is to be made payable to the Taxpayer and forwarded to “Zipp & Tannenbaum, LLC, 280 Raritan Center Parkway, Edison, New Jersey 08837 within sixty (60) days of the date of the entry of judgment; and

WHEREAS, the Township Council will make this settlement with the Taxpayer without prejudice to its dealing with any other Edison Township Taxpayer’s request for tax assessment reduction; and

WHEREAS, pursuant to the settlement approved herein, the Taxpayer is entitled to a refund in the amount of $14,157.00 for 2016, $15,288.00 for 2017, $18,194.00 for 2018, $22,632.00 for 2019 and $28,744.00 for 2020.
NOW, THEREFORE BE IT RESOLVED, by the Township Council and the Township of Edison, County of Middlesex and State of New Jersey as follows:

1. For the 2014, 2015, 2016, 2017, 2018, 2019 and 2020 Tax Years, the Township of Edison Tax Assessor is hereby directed to establish the allocation between land and improvement as follows:

5. The Form of Stipulation of Settlement is annexed hereto, having been received by and approved by the Township Council of the Township of Edison.

NOW, THEREFORE BE IT RESOLVED, that upon receipt of the appropriate Tax Court Judgments, the proper Township Officials are hereby authorized to process credits against open tax balances and issue checks consistent with the amount credited for the foregoing assessment red
RESOLUTION R.406-082020

RESOLUTION OF THE TOWNSHIP COUNCIL OF THE TOWNSHIP OF EDISON, COUNTY OF MIDDLESEX, NEW JERSEY, AUTHORIZING, PURSUANT TO N.J.S.A. 54:4-99, AN ADJUSTMENT TO THE 2019 ASSESSMENT (AND A COMMENSURATE TAX REFUND) WITH RESPECT TO 817 INMAN AVENUE, BLOCK 501, LOT 12.A, IN ORDER TO IMPLEMENT THE TERMS OF A PRIOR TAX APPEAL SETTLEMENT PURSUANT TO RESOLUTION NO. 178-042020

WHEREAS, 817 Inman Avenue, Block 501, Lot 12.A (the “Property”) is located within the Township of Edison (“Township”), and was the subject of a 2018 County Tax Board appeal brought by the owners of the Property, Nirmal K. and Santosh B. Khanna (the “Owners”); and

WHEREAS, pursuant to Township Resolution No. 178-042020, the Township Council (“Township Council”) approved of a settlement of the aforementioned appeal, which among other things contemplated a 2019 book assessment reduction on the Property in the amount of $20,000, with a commensurate tax refund due the Owners in the amount of $1,081.60; and

WHEREAS, due to inadvertence, the 2019 book assessment reduction was never made for the 2019 tax year pursuant to the aforementioned settlement, and the subject refund was never made to the Owners; and

WHEREAS, pursuant to the statutory authority granted to the Township under N.J.S.A. 54:4-99, the Township has the flexibility to provide for appropriate tax relief where the circumstances warrant that course; and

WHEREAS, in order to effectuate the foregoing terms of the 2018 settlement embodied within and authorized by Resolution No. 178-042020, the Township is desirous of authorizing the 2019 book reduction, and the associated tax refund to the Owners, pursuant to N.J.S.A. 54:4-99, all as aforesaid.

NOW THEREFORE BE IT RESOLVED by the Township Council of the Township of Edison, as follows:

1. The aforementioned recitals are incorporated herein as though fully set forth at length.

2. The Township Council pursuant to N.J.S.A. 54:4-99 hereby authorizes the 2019 book assessment reduction on the Property in the amount of $20,000, with a commensurate tax refund due the Owners in the amount of $1,081.60, all as contemplated by the settlement and stipulation approved by Resolution No. 178-042020, which is incorporated herein by reference as if set forth at length.

3. All pertinent Township personnel, including without limit the Township Tax Collector, the Tax Assessor, the Township Finance Director, the Township Business Administrator and the Township Clerk, be and hereby are authorized and directed to comply with the foregoing in order to implement the 2019 book assessment reduction for the Property, and to process the commensurate tax refund due the Owner as a result thereof and as a result of the 2018 settlement approved by the settlement and stipulation approved by Resolution No. 178-042020.

4. This Resolution shall take effect immediately, and shall have retroactive effect to effectuate the terms hereof.
RESOLUTION R.407-082020

RESOLUTION OF THE TOWNSHIP OF EDISON IN THE COUNTY OF MIDDLESEX, STATE OF NEW JERSEY AUTHORIZING EXECUTION OF A REIMBURSEMENT AGREEMENT WITH THE COUNTY OF MIDDLESEX

WHEREAS, the Township of Edison (the “Township”) wishes to enter into a Reimbursement Agreement with the County of Middlesex (the “County”), in regard to the Coronavirus Aid, Relief and Economic Security Act (the “CARES Act”); and

WHEREAS, the United States of America, the State of New Jersey, the County of Middlesex and the Township have become victims of the COVID-19 Virus and Pandemic (the “Coronavirus”); and

WHEREAS, the Coronavirus has caused economic damage and hardships to states, counties and municipalities throughout the United States of America; and

WHEREAS, on March 27, 2020 the CARES Act was signed by President Donald J. Trump; and

WHEREAS, the CARES Act was enacted, among other purposes, in order to combat the economic damage caused to states, counties and municipalities because of the Coronavirus; and

WHEREAS, the County has received CARES Act funds in the amount of $143,966,956.60 from the United States Treasury (the ”Stimulus Funds”) to be used to reimburse the County and the municipalities and agencies within the County (the “Municipalities”) including the Township due to economic damage caused to them by the Coronavirus; and

WHEREAS, as the recipient of the Stimulus Funds it will be the responsibility of the County to disburse the Stimulus Funds to eligible recipients in accordance with the terms and provisions of the CARES Act and any guidelines or regulations issued by United States government or any of its agencies and/or departments; and

WHEREAS, the County and Township are authorized to enter into this Reimbursement Agreement pursuant to N.J.S.A. 40A:11-5(2); and

WHEREAS, the Township Attorney has reviewed the Reimbursement Agreement, a copy of which is attached hereto and made a part hereof, and recommends execution of same; and

NOW, THEREFORE, BE IT RESOLVED by the Township Council of the Township of Edison, that the Township Council formally approves the Reimbursement Agreement; and

BE IT FURTHER RESOLVED by the Township Council of the Township of Edison, that the appropriate municipal officials be and are hereby authorized to execute the attached Reimbursement Agreement in substantially the same form attached hereto as Schedule A, with any modifications to be authorized by the Mayor on the advice of the Township Attorney.
RESOLUTION R.409-082020

TEMPORARY BUDGET APPROPRIATIONS

WHEREAS, the Local Budget Law, specifically N.J.S.A. 40A:4-20, requires that the governing body of a municipality shall by Resolution make appropriations if any contract, commitments or payments are to be made between the beginning of the Calendar year and the adoption of budget; and

WHEREAS, the Local budget Law and the Optional Municipal Charter Act of 1950 provide for the adoption of municipal budget by May 30, 2020 unless said budget calendar is extended according to law; and

WHEREAS, the date of this Resolution is prior to the adoption of the 2020 Calendar Year Budget,

NOW, THEREFORE, BE IT RESOLVED, by the Municipal Council of the Township of Edison, County of Middlesex, New Jersey that the following Temporary Emergency Appropriations be made and that a certified copy of this Resolution be transmitted to the Director of Finance for her record.

Nicholas C. Fargo
Chief Financial Officer
RESOLUTION R.411-082020

EXPLANATION: This resolution authorizes the release of rental income and rental security deposits and accrued interest being held by the Township for as 95 Tower Road, 60 Monmouth Avenue, and 89 Tower Road to the State of New Jersey Department of Environmental Protection (NJDEP) pursuant to the Edison Tower Lease, dated June 14, 2007.

WHEREAS, the Township of Edison, County of Middlesex (the “Township”) is a public body corporate and politic of the State of New Jersey; and

WHEREAS, the Township Tenant entered into a Lease Agreement with the New Jersey Department of Environmental Protection (NJDEP) on June 14, 2007, naming the Township as Tenant and the NJDEP as Landlord, for the expressed purpose of the Township assisting with the restoration and preservation and public interpretation of its historic significance, the property known as the Edison State Park; and

WHEREAS, as part this Lease Agreement, the Township no longer assumed duties of landlord, including maintaining the security deposits and accrued interest for the housing units located within the Edison State Park, and identified as 95 Tower Road, 60 Monmouth Avenue, and 89 Tower Road; and

WHEREAS, the NJDEP requested the reimbursement of rents collected and rental security deposits and all accrued interest that are being maintained by the Township for the three identified housing units; and

WHEREAS, on April 13, 2011, the Township authorized the release of 2011 rental income for 95 Tower Road, 60 Monmouth Avenue and 89 Tower Road to the NJDEP in the amount of $5,089.40 by Resolution No. 240-042011.

WHEREAS, on April 13, 2011, the Township authorized the release of rental security deposit and accrued interest for 95 Tower Road and 60 Monmouth Avenue to NJDEP in the amount of $4,902.94 by Resolution No. 241-042011; and

WHEREAS, on June 2, 2011, the Township issued a check in the amount of $9,992.34 for the release of 2011 rental income for 95 Tower Road, 60 Monmouth Avenue and 89 Tower Road and the release of rental security deposit and accrued interest for 95 Tower Road and 60 Monmouth Avenue; and

WHEREAS, the NJDEP failed to deposit the check issued by the Township and the Township was forced to void the check; and

WHEREAS, the Township is obligated to return these funds and issue a new check to the NJDEP; and
WHEREAS, the tenants at 95 Tower Road have vacated the premises and the Township must return the rental security deposit to the tenants in the amount of $1,839.00 from the rental security deposits owed to the NJDEP; and

WHEREAS, the Township seeks to return funds to NJDEP in the amount of $5,089.40 for 2011 rental income for 95 Tower Road, 60 Monmouth Avenue and 89 Tower Road and in the amount $3,063.94 for the rental security deposit and accrued interest for 60 Monmouth Avenue for a total amount of $8,153.34.

NOW THEREFORE BE IT RESOLVED, by the Municipal Council of the Township of Edison, as follows:

1. The aforementioned recitals are incorporated herein as though fully set forth at length.

2. The Chief Financial Officer is hereby authorized to execute all necessary paperwork in the reimbursement to the NJDEP, the 2011 rental income for the three residential properties identified as 95 Tower Road, 60 Monmouth Avenue, and 89 Tower Road and rental security deposits not to exceed $8,153.34.

3. That a check will be made payable to: "Treasurer, State of New Jersey" and mailed to the Department of Environmental Protection, Office of Leases, P.O. Box 420, 501-04C, Trenton, NJ 088625-0420.

4. If any part of this Resolution shall be deemed invalid, such parts shall be severed and the invalidity thereby shall not affect the remaining parts of this Resolution.

5. A copy of this Resolution shall be available for public inspection at the offices of the Township Clerk.
RESOLUTION R.412-082020

EXPLANATION: This resolution authorizes the release of the rental security deposit and accrued interest being held by the Township for housing unit located at 95 Tower Road to the tenants, Gregory Czajowski and Julita Czajowski.

WHEREAS, the Township of Edison, County of Middlesex (the “Township”) is a public body corporate and politic of the State of New Jersey; and

WHEREAS, the Township Tenant entered into a Lease Agreement with the New Jersey Department of Environmental Protection (NJDEP) on June 14, 2007, naming the Township as Tenant and the NJDEP as Landlord, for the expressed purpose of the Township assisting with the restoration and preservation and public interpretation of its historic significance, the property known as the Edison State Park; and

WHEREAS, as part this Lease Agreement, the Township no longer assumed duties of landlord, including maintaining the security deposits and accrued interest for the housing units located within the Edison State Park, and identified as 95 Tower Road, 60 Monmouth Avenue, and 89 Tower Road; and

WHEREAS, the NJDEP requested the reimbursement of rents collected and rental security deposits and all accrued interest that are being maintained by the Township for the three identified housing units; and

WHEREAS, on April 13, 2011, the Township authorized the release of rental security deposit and accrued interest for 95 Tower Road and 60 Monmouth Avenue to NJDEP in the amount of $4,902.94 by Resolution No. 241-042011; and

WHEREAS, on June 2, 2011, the Township issued a check for the rental security deposit and accrued interest for 95 Tower Road; and

WHEREAS, the NJDEP failed to deposit the check issued by the Township for the rental security deposit and the Township was forced to void the check; and

WHEREAS, the tenants at 95 Tower Road, Gregory Czajowski and Julita Czajowski (“Tenants”) have vacated the premises and seek the return of the security deposit in the amount of $1,839.00; and

WHEREAS, the Township is obligated to return the security deposit to the Tenants from the security deposits owed to the NJDEP; and

WHEREAS, the Township seeks to return the security deposit to the Tenants in the amount of $1,839.00.
NOW THEREFORE BE IT RESOLVED, by the Municipal Council of the Township of Edison, as follows:

1. The aforementioned recitals are incorporated herein as though fully set forth at length.

2. The Chief Financial Officer is hereby authorized to execute all necessary paperwork in the reimbursement to Gregory Czajowski and Julita Czajowski not to exceed $1,839.00.

3. If any part of this Resolution shall be deemed invalid, such parts shall be severed and the invalidity thereby shall not affect the remaining parts of this Resolution.

4. A copy of this Resolution shall be available for public inspection at the offices of the Township Clerk.
RESOLUTION R.413-082020

RESOLUTION ACCEPTING BID AND AWARDING CONTRACT TO DITTO COPY SYSTEMS FOR MAINTENANCE AND REPAIR OF OFFICE EQUIPMENT

WHEREAS, bids were received by the Township of Edison on August 11, 2020 for Public Bid No. 20-02-10-Maintenance and Repair of Office Equipment for the Township of Edison; and

WHEREAS, DITTO COPY SYSTEMS, 209 E. Elizabeth Avenue, Linden, NJ 07036, submitted the lowest legally responsible, responsive bid; and

WHEREAS, the initial contract shall be for one (1) year from execution of the contract with options to renew for two (2) one (1) year renewals at the sole discretion of the Township at the same prices, conditions, requirements and terms of the contract, subject to and contingent upon appropriation of sufficient funds each renewal year; and

WHEREAS, the total amount of the first year and any succeeding renewal year shall not exceed $30,000.00, and cannot be encumbered at this time; and

WHEREAS, pursuant to N.J.A.C. 5:30-11.10 funds for Open-End Contracts shall be committed at the time an order is placed and shall not exceed the unit price; and

WHEREAS, no amount shall be chargeable or certified until such time as goods or services are ordered or otherwise called for. Prior to incurring the liability by placing the order, the certification of available funds shall be made by the Chief Financial Officer or Certifying Financial Officer. It shall be the responsibility of the official responsible for issuing the purchase order to notify and seek the certification of availability of funds of the Chief Financial Officer or Certifying Finance Officer, as appropriate (N.J.A.C. 5:30-5.5(b)); and

WHEREAS, the Township Council accepts Edison Township’s recommendations as described herein and as submitted on the summary spreadsheet.

NOW, THEREFORE, IT IS RESOLVED by the Township Council of the Township of Edison, as follows:

1. All bids have been reviewed and the bid submitted by DITTO COPY SYSTEMS, 209 E. Elizabeth Avenue, Linden, NJ 07036 for Maintenance and Repair of Office Equipment for the Township of Edison is determined to be the lowest legally responsible, responsive bid.

2. The Mayor, or his designee, is hereby authorized to execute a contract in the amount not to exceed $30,000.00 for the first year and any succeeding renewal year, subject to and contingent upon appropriation of sufficient funds each renewal year and any other necessary documents, with DITTO COPY SYSTEMS as described herein.
RESOLUTION R.414-082020

RESOLUTION ACCEPTING BID AND AWARDING CONTRACT TO W.B. MASON COMPANY INC. FOR OFFICE SUPPLIES

WHEREAS, bids were received by the Township of Edison on June 30, 2020 for Public Bid No. 20-12-04-Office Supplies for the Township of Edison; and

WHEREAS, W.B. MASON COMPANY INC., 21 Commerce Dr., Cranbury, NJ 08512, submitted the sole, legally responsible, responsive bid; and

WHEREAS, the initial contract shall be for one (1) year from execution of the contract with options to renew for two (2) one (1) year renewals at the sole discretion of the Township at the same prices, conditions, requirements and terms of the contract, subject to and contingent upon appropriation of sufficient funds each renewal year; and

WHEREAS, the total amount of the first year and any succeeding renewal year shall not exceed $80,000.00, and cannot be encumbered at this time; and

WHEREAS, pursuant to N.J.A.C. 5:30-11.10 funds for Open-End Contracts shall be committed at the time an order is placed and shall not exceed the unit price; and

WHEREAS, no amount shall be chargeable or certified until such time as goods or services are ordered or otherwise called for. Prior to incurring the liability by placing the order, the certification of available funds shall be made by the Chief Financial Officer or Certifying Financial Officer. It shall be the responsibility of the official responsible for issuing the purchase order to notify and seek the certification of availability of funds of the Chief Financial Officer or Certifying Finance Officer, as appropriate (N.J.A.C. 5:30-5.5(b)); and

WHEREAS, the Township Council accepts Edison Township’s recommendations as described herein and as submitted on the summary spreadsheet.

NOW, THEREFORE, IT IS RESOLVED by the Township Council of the Township of Edison, as follows:

1. All bids have been reviewed, and the bid submitted by W.B. MASON COMPANY INC., 21 Commerce Dr., Cranbury, NJ 08512 for Office Supplies for the Township of Edison, is determined to be the sole legally responsible, responsive bid for various items as listed on the spreadsheet and stated herein.

2. The Mayor, or his designee, is hereby authorized to execute a contract in the amount not to exceed $80,000.00 for the first year and any succeeding renewal year subject to and contingent upon appropriation of sufficient funds for each renewal year and any other necessary documents, with W.B. MASON COMPANY INC. as described herein.
RESOLUTION R.415-082020

RESOLUTION ACCEPTING BID ANDAWARDING CONTRACT TO GABRIELLI TRUCK SALES FOR VEHICLE TRANSMISSION REPAIR/REBUILD

WHEREAS, bids were received by the Township of Edison on June 19, 2020 for Public Bid No. 20-09-07R-Vehicle Transmission Repair/Rebuild for the Township of Edison; and

WHEREAS, GABRIELLI TRUCK SALES, 2306 Route 130 North, Dayton, NJ 08810, submitted the lowest legally responsible, responsive bid; and

WHEREAS, the initial contract shall be for one (1) year from execution of the contract with options to renew for two (2) one (1) year renewals at the sole discretion of the Township at the same prices, conditions, requirements and terms of the contract, subject to and contingent upon appropriation of sufficient funds each renewal year; and

WHEREAS, the total amount of the first year and any succeeding renewal year shall not exceed $90,000.00, and cannot be encumbered at this time; and

WHEREAS, pursuant to N.J.A.C. 5:30-11.10 funds for Open-End Contracts shall be committed at the time an order is placed and shall not exceed the unit price; and

WHEREAS, no amount shall be chargeable or certified until such time as goods or services are ordered or otherwise called for. Prior to incurring the liability by placing the order, the certification of available funds shall be made by the Chief Financial Officer or Certifying Financial Officer. It shall be the responsibility of the official responsible for issuing the purchase order to notify and seek the certification of availability of funds of the Chief Financial Officer or Certifying Finance Officer, as appropriate (N.J.A.C. 5:30-5.5(b)); and

WHEREAS, the Township Council accepts Edison Township’s recommendations as described herein and as submitted on the summary spreadsheet.

NOW, THEREFORE, IT IS RESOLVED by the Township Council of the Township of Edison, as follows:

1. All bids have been reviewed, and the bid submitted by GABRIELLI TRUCK SALES, 2306 Route 130 North, Dayton, NJ 08810, for Vehicle Transmission Repair/Rebuild for the Township of Edison, is determined to be the lowest legally responsible, responsive bid.

2. The Mayor, or his designee, is hereby authorized to execute a contract in the amount not to exceed $90,000.00 for the first year and any succeeding renewal year, subject to and contingent upon appropriation of sufficient funds each renewal year and any other necessary documents, with GABRIELLI TRUCK SALES as described herein.
RESOLUTION R.416-082020

RESOLUTION ACCEPTING BID AND AWARDING CONTRACT TO STEWART & STEVENSON POWER PRODUCTS, LLC FOR VEHICLE TRANSMISSION REPAIR/REBUILD

WHEREAS, bids were received by the Township of Edison on June 19, 2020 for Public Bid No. 20-09-07R-Vehicle Transmission Repair/Rebuild for the Township of Edison; and

WHEREAS, STEWART & STEVENSON POWER PRODUCTS, LLC, 169 Old New Brunswick Rd., Piscataway, NJ 08854, submitted the lowest legally responsible, responsive bid; and

WHEREAS, the initial contract shall be for one (1) year from execution of the contract with options to renew for two (2) one (1) year renewals at the sole discretion of the Township at the same prices, conditions, requirements and terms of the contract, subject to and contingent upon appropriation of sufficient funds each renewal year; and

WHEREAS, the total amount of the first year and any succeeding renewal year shall not exceed $50,000.00, and cannot be encumbered at this time; and

WHEREAS, pursuant to N.J.A.C. 5:30-11.10 funds for Open-End Contracts shall be committed at the time an order is placed and shall not exceed the unit price; and

WHEREAS, no amount shall be chargeable or certified until such time as goods or services are ordered or otherwise called for. Prior to incurring the liability by placing the order, the certification of available funds shall be made by the Chief Financial Officer or Certifying Financial Officer. It shall be the responsibility of the official responsible for issuing the purchase order to notify and seek the certification of availability of funds of the Chief Financial Officer or Certifying Finance Officer, as appropriate (N.J.A.C. 5:30-5.5(b)); and

WHEREAS, the Township Council accepts Edison Township’s recommendations as described herein and as submitted on the summary spreadsheet.

NOW, THEREFORE, IT IS RESOLVED by the Township Council of the Township of Edison, as follows:

1. All bids have been reviewed, and the bid submitted by STEWART & STEVENSON POWER PRODUCTS, LLC, 169 Old New Brunswick Rd., Piscataway, NJ 08854, for Vehicle Transmission Repair/Rebuild for the Township of Edison, is determined to be the lowest legally responsible, responsive bid.

2. The Mayor, or his designee, is hereby authorized to execute a contract in the amount not to exceed $50,000.00 for the first year and any succeeding renewal year, subject to and contingent upon appropriation of sufficient funds each renewal year and any other necessary documents, with STEWART & STEVENSON POWER PRODUCTS, LLC, as described herein.
RESOLUTION R.417-082020

WHEREAS, the Local Redevelopment and Housing Law, N.J.S.A. 40A:12A-1 et seq. (the “Redevelopment Law”), authorizes municipalities to determine whether certain parcels of land in the municipality constitute areas in need of redevelopment; and

WHEREAS, to determine whether certain parcels of land constitute areas in need of redevelopment under the Redevelopment Law the municipal council (“Municipal Council”) of the Township of Edison (the “Township”) must authorize the planning board of the Township (the “Planning Board”) to conduct a preliminary investigation of the area and make recommendations to the Municipal Council; and

WHEREAS, the Municipal Council hereby requests that an investigation occur with respect to the property commonly known as Block 692.D, Lots 13.A, 16.A, 17.A, 18, 19.A, 21.A, 23, 24, 25.A and 27.A (between John Street and Albert Avenue) on the tax map of the Township (hereinafter the “Study Area”), to determine whether the Study Area meets the criteria set forth in the Redevelopment Law, specifically N.J.S.A. 40A:12A-5, and should be designated as an area in need of redevelopment; and

WHEREAS, the redevelopment area determination requested hereunder authorizes the Township and Municipal Council to use all those powers provided by the Redevelopment Law for use in a redevelopment area, other than the power of eminent domain (hereinafter referred to as a “Non-Condemnation Redevelopment Area”).

NOW THEREFORE, BE IT RESOLVED BY THE MUNICIPAL COUNCIL OF THE TOWNSHIP OF EDISON, NEW JERSEY AS FOLLOWS:

Section 1. The foregoing recitals are incorporated herein as if set forth in full.

Section 2. The Planning Board is hereby authorized and directed to conduct an investigation pursuant to N.J.S.A. 40A:12A-6 to determine whether the Study Area satisfies the criteria set forth in N.J.S.A. 40A:12A-5 to be designated as an area in need of redevelopment (non-condemnation).

Section 3. As part of its investigation, the Planning Board shall prepare a map showing the boundaries of the Study Area and the location of the parcel contained therein, and appended thereto shall be a statement setting forth the basis of the investigation.

Section 4. The Planning Board shall conduct a public hearing in accordance with the Redevelopment Law, specifically N.J.S.A. 40A:12A-6, after giving due notice of the proposed boundaries of the Study Area and the date of the hearing to any persons who are interested in or would be affected by a determination that the Study Area is an area in need of redevelopment. The notice of the hearing shall specifically state that the redevelopment area determination shall not authorize the Township or Municipal Council to exercise the power of eminent domain to acquire any property in the delineated area, for the Study Area is being investigated as a possible Non-Condemnation Redevelopment Area.

Section 5. At the public hearing, the Planning Board shall hear from all persons who are interested in or would be affected by a determination that the Study Area is a redevelopment area. All objections to a determination that the Study Area is an area in need of redevelopment and evidence in support of those objections shall be received and considered by the Planning Board and made part of the public record.
Section 6. After conducting its investigation, preparing a map of the Study Area, and conducting a public hearing at which all objections to the designation are received and considered, the Planning Board shall make a recommendation to the Municipal Council as to whether the Municipal Council should designate all or some of the Study Area as an area in need of redevelopment.

Section 7. This Resolution shall take effect immediately.
RESOLUTION R.418-082020

EXPLANATION: A Resolution authorizing the Township Planning Board to investigate whether the property commonly known on the Township tax maps as Block 692.E, Lots 8.B, 9.A, 10, 11, 12, 13 and 14 (with frontage along but no access to U.S. Route 1, between Johns Street and Thomas Place) satisfies the criteria to be designated ‘an area in need of redevelopment’ (condemnation) pursuant to Local Redevelopment and Housing Law, N.J.S.A. 40A:12A-1 et seq.

WHEREAS, the Local Redevelopment and Housing Law, N.J.S.A. 40A:12A-1 et seq. (the “Redevelopment Law”), authorizes municipalities to determine whether certain parcels of land in the municipality constitute areas in need of redevelopment; and

WHEREAS, to determine whether certain parcels of land constitute areas in need of redevelopment under the Redevelopment Law the municipal council (“Municipal Council”) of the Township of Edison (the “Township”) must authorize the planning board of the Township (the “Planning Board”) to conduct a preliminary investigation of the area and make recommendations to the Municipal Council; and

WHEREAS, the Municipal Council hereby requests that an investigation occur with respect to the property commonly known as Block 692.E, Lots 8.B, 9.A, 10, 11, 12, 13 and 14 (containing an existing building that has been abandoned for a number of years, which has frontage along but no access to U.S. Route 1, between Johns Street and Thomas Place) on the tax map of the Township (hereinafter the “Study Area”), to determine whether the Study Area meets the criteria set forth in the Redevelopment Law, specifically N.J.S.A. 40A:12A-5, and should be designated as an area in need of redevelopment; and

WHEREAS, the redevelopment area determination requested hereunder authorizes the Township and Municipal Council to use all those powers provided by the Redevelopment Law for use in a redevelopment area, including the power of eminent domain (hereinafter referred to as a “Condemnation Redevelopment Area”).

NOW THEREFORE, BE IT RESOLVED BY THE MUNICIPAL COUNCIL OF THE TOWNSHIP OF EDISON, NEW JERSEY AS FOLLOWS:

Section 1. The foregoing recitals are incorporated herein as if set forth in full.

Section 2. The Planning Board is hereby authorized and directed to conduct an investigation pursuant to N.J.S.A. 40A:12A-6 to determine whether the Study Area satisfies the criteria set forth in N.J.S.A. 40A:12A-5 to be designated as an area in need of redevelopment (condemnation).

Section 3. As part of its investigation, the Planning Board shall prepare a map showing the boundaries of the Study Area and the location of the parcel contained therein, and appended thereto shall be a statement setting forth the basis of the investigation.

Section 4. The Planning Board shall conduct a public hearing in accordance with the Redevelopment Law, specifically N.J.S.A. 40A:12A-6, after giving due notice of the proposed boundaries of the Study Area and the date of the hearing to any persons who are interested in or would be affected by a determination that the Study Area is an area in need of redevelopment. The notice of the hearing shall specifically state that the redevelopment area determination shall authorize the Township or Municipal Council to exercise the power of eminent domain to acquire any property in the delineated area, for the Study Area is being investigated as a possible Condemnation Redevelopment Area.

Section 5. At the public hearing, the Planning Board shall hear from all persons who are interested in or would be affected by a determination that the Study Area is a redevelopment area. All objections to a determination that the Study Area is an area in need of redevelopment and evidence in support of those objections shall be received and considered by the Planning Board and made part of the public record.
Section 6. After conducting its investigation, preparing a map of the Study Area, and conducting a public hearing at which all objections to the designation are received and considered, the Planning Board shall make a recommendation to the Municipal Council as to whether the Municipal Council should designate all or some of the Study Area as an area in need of redevelopment.

Section 7. This Resolution shall take effect immediately.
RESOLUTION R.419-082020

Explanation: A Resolution authorizing a subsidy grant of $85,000 from the Township’s Affordable Housing Market To Affordable Program for the purchase of a home from market rate to affordable.

WHEREAS, by Resolution the Township Council approved, authorized and established a Market To Affordable Program pursuant to N.J.A.C. 5:97-8.8(a), to assist eligible owner/s in the purchase of eligible housing units in the Township of Edison, to use these existing properties as Affordable Housing units (Unit), and committed $2.875 million dollars from the Township’s Affordable Housing Trust Fund for this purpose; and

WHEREAS, the Township Council also approved and adopted a Manual at that time for the Market To Affordable Program in accordance with the Court’s directives, which set forth the application process for applicants to comply with in order to participate in the Program and receive a subsidy for such purchase under the Program; and

WHEREAS, a Unit was located and an application to participate in the Program was submitted, reviewed and deemed complete and in compliance with the requirements; and

WHEREAS, the Seller, has entered into a Sales Contract with a household that is income certified as eligible to purchase such a Unit, as approved by the Township’s Administrative Agent and qualifies for a subsidy grant of $85,000 to be paid from the Township’s Affordable Housing Trust Fund in order to reduce the price for the Buyers to qualify the Unit as “Affordable”; and

WHEREAS, the title company, known as Golden Title Agency, will distribute such funds to the Seller, on behalf of the Buyer, at the time of the Closing in order to meet the full sale price; and

WHEREAS, the Township Council desires to award this subsidy grant to buy-down the selling price to make it an affordable unit at 3 Yuro Drive, Edison, NJ, Block 988, Lot 22, in the amount of $85,000 for the purpose set forth herein under the Township’s Market To Affordable Program; and to authorize the execution of a Deed Restriction between the Township and Ashwinkumar Patel, Hansha Patel & Aeshaben Patel, the Buyer(s), with respect to such subsidy grant.

NOW THEREFORE BE IT RESOLVED by the Township Council of the Township of Edison, Middlesex County, as follows:

1. The Township Council hereby approves and authorizes a subsidy grant in the amount of $85,000 from the Township’s Affordable Housing Trust Fund account T-13-00-0000-000-006 with respect to the Township’s Market To Affordable Program, to Golden Title Agency, LLC, 1818 Old Cuthbert Road, Suite 105, Cherry Hill, NJ 08034, for the purposes set forth herein and authorizes the execution of a Deed Restriction between the Township and Ashwinkumar Patel, Hansha Patel & Aeshaben Patel, 3 Yuro Drive, Edison, NJ 08837 with respect to such subsidy grant.

2. That an original certified copy of this resolution shall be forwarded to the Municipal Housing Liaison.
RESOLUTION R.420-082020

RESOLUTION R.432-082020

RESOLUTION ACCEPTING BID AND AWARDING CONTRACT TO P&A CONSTRUCTION INC., FOR FY 2019 NJDOT LOCAL FREIGHT IMPACT FUND – RARITAN CENTER PARKWAY

WHEREAS, bids were received by the Township of Edison on August 4, 2020 for Public Bid No. 20-30-04 FY 2019 NJDOT Local Freight Impact Fund – Raritan Center Parkway; and

WHEREAS, P&A CONSTRUCTION INC., PO Box 28, Colonia, NJ 07067, submitted the lowest legally responsible, responsive bid; and

WHEREAS, the maximum amount of the purchase shall not exceed $186,848.42; and

WHEREAS, funds in the amount of $186,848.42 are available in the NJDOT Fiscal Year 2019 Local Freight Impact Fund Program Grant contingent upon acceptance of the 2020 Budget/Grant; and

WHEREAS, the Township Council accepts Edison Township’s recommendations as described herein.

NOW, THEREFORE, IT IS RESOLVED by the Township Council of the Township of Edison, as follows:

1. All bids have been reviewed, and the bid submitted by P&A CONSTRUCTION INC., PO Box 28, Colonia, NJ 07067, for FY 2019 NJDOT Local Freight Impact Fund – Raritan Center Parkway is determined to be the lowest legally responsible, responsive bid.

2. The Mayor, or his designee, is hereby authorized to execute a contract in the amount not to exceed $186,848.42 and any other necessary documents, with P&A CONSTRUCTION INC., as described herein.

3. The Purchasing Agent is hereby authorized to return any and all deposits and or bonds of the unsuccessful bidders.

CERTIFICATION OF AVAILABILITY OF FUNDS

I hereby certify that funds in the amount of $186,848.42 are available in the NJDOT Fiscal Year 2019 Local Freight Impact Fund Program Grant contingent upon acceptance of the 2020 Budget/Grant.

RESOLUTION R.438-082020

RESOLUTION ACCEPTING BID AND AWARDING CONTRACT TO MCNEILUS TRUCK & MANUFACTURING FOR REFUSE COLLECTION EQUIPMENT PARTS/ACCESSORIES (MCNEILUS BRAND)

WHEREAS, bids were received by the Township of Edison on August 12, 2020 for Public Bid No. 20-08-21R- Refuse Collection Equipment Parts/Accessories (McNeilus Brand) for the Department of Public Works; and

WHEREAS, MCNEILUS TRUCK & MANUFACTURING, 524 E. Highway St., Dodge Center, MN 55927, submitted the lowest legally responsible, responsive bid; and

WHEREAS, the initial contract shall be for one (1) year from execution of the contract with options to renew for two (2) one (1) year renewals at the sole discretion of the Township at the same prices, conditions, requirements and terms of the contract, subject to and contingent upon appropriation of sufficient funds each renewal year; and

WHEREAS, the total amount of the first year and any succeeding renewal year shall not exceed $75,000.00, and cannot be encumbered at this time; and

WHEREAS, pursuant to N.J.A.C. 5:30-11.10 funds for Open-End Contracts shall be committed at the time an order is placed and shall not exceed the unit price; and

WHEREAS, no amount shall be chargeable or certified until such time as goods or services are ordered or otherwise called for. Prior to incurring the liability by placing the order, the certification of available funds shall be made by the Chief Financial Officer or Certifying Financial Officer. It shall be the responsibility of the official responsible for issuing the purchase order to notify and seek the certification of availability of funds of the Chief Financial Officer or Certifying Finance Officer, as appropriate (N.J.A.C. 5:30-5.5(b)); and

WHEREAS, the Township Council accepts Edison Township’s recommendations as described herein and as submitted on the summary spreadsheet.

NOW, THEREFORE, IT IS RESOLVED by the Township Council of the Township of Edison, as follows:

1. All bids have been reviewed, and the bid submitted by MCNEILUS TRUCK & MANUFACTURING, 524 E. Highway St., Dodge Center, MN 55927, for Refuse Collection Equipment Parts/Accessories (McNeilus Brand) for the Department of Public Works, is determined to be the lowest legally responsible, responsive bid.

2. The Mayor, or his designee, is hereby authorized to execute a contract in the amount not to exceed $75,000.00 for the first year and any succeeding renewal year, subject to and contingent upon appropriation of sufficient funds each renewal year and any other necessary documents, with MCNEILUS TRUCK & MANUFACTURING as described herein.
RESOLUTION AUTHORIZING THE TOWNSHIP OF EDISON TO PURCHASE ONE (1) TORO WORKMAN HD WORK VEHICLE WITH WATERING TANK AND SNOW PLOW FROM STORR TRACTOR COMPANY THROUGH THE EDUCATIONAL SERVICES COMMISSION OF NEW JERSEY (ESCNJ) COOPERATIVE PRICING SYSTEM

WHEREAS, N.J.S.A. 40A:11-11 et seq., authorizes contracting units to establish a cooperative pricing system and to enter into cooperative pricing agreements for its administration; and

WHEREAS, the Educational Services Commission of New Jersey hereinafter referred to as the “Lead Agency” has offered voluntary participation in a cooperative pricing system for the purchase of goods and services; and

WHEREAS, STORR TRACTOR COMPANY, 3191 Route 22, Somerville, NJ 08876 has been awarded ESCNJ 18/19-25 GROUNDS EQUIPMENT under NJ State approved coop #65MCESCCPS; and

WHEREAS, the Township of Edison intends to enter into a contract/purchase order with STORR TRACTOR COMPANY, for the purchase of one (1) Toro Workman HD with watering tank and snow plow for the Department of Public Works at a total price of $46,456.92; and

WHEREAS, the total amount of this contract shall not to exceed $46,456.92; and

WHEREAS, funds in the amount of $46,456.92 have been certified to be available in the Acq. Of Public Works Equipment Account, Number C-04-16-1948-104-000; and

WHEREAS, the Township Council accepts Edison Township’s recommendations as described herein.

NOW, THEREFORE, IT IS RESOLVED by the Township Council of the Township of Edison, as follows:

1. The Mayor, or his designee, is hereby authorized to execute a contract/purchase order in the amount not to exceed $46,456.92, and any other necessary documents, with STORR TRACTOR COMPANY, 3191 Route 22, Somerville, NJ 08876, the approved Educational Services Commission of New Jersey vendor through this resolution, which shall be subject to all the conditions applicable to the current Educational Services Commission of New Jersey cooperative pricing system contract as set forth above.

2. This contract is awarded pursuant to N.J.S.A. 40A:11-11 et seq.

CERTIFICATION OF AVAILABILITY OF FUNDS

I hereby certify that funds in the amount of $46,456.92 are available for the above in Account No. C-04-16-1948-104-000.

RESOLUTION R.440-082020

RESOLUTION AWARDING CONTRACT/PURCHASE ORDER(S) TO JESCO, INC. FOR PARTS AND THE REPAIR OF VARIOUS JOHN DEERE EQUIPMENT FOR THE TOWNSHIP OF EDISON THROUGH THE EDUCATIONAL SERVICES COMMISSION OF NEW JERSEY (ESCNJ) COOPERATIVE PRICING SYSTEM

WHEREAS, N.J.S.A. 40A:11-11 et seq., authorizes contracting units to establish a cooperative pricing system and to enter into cooperative pricing agreements for its administration; and

WHEREAS, the Educational Services Commission of New Jersey hereinafter referred to as the “Lead Agency” has offered voluntary participation in a cooperative pricing system for the purchase of goods and services; and

WHEREAS, there is a need for parts and the repair of various John Deere equipment for the Township of Edison; and

WHEREAS, JESCO, INC., 118 St. Nicholas Ave, South Plainfield, NJ 07080-1808, has been awarded ESCNJ 18/19-25 GROUNDS EQUIPMENT under NJ State approved coop #65MCESSCPS; and

WHEREAS, the total amount of this contract, not to exceed $50,000.00, cannot be encumbered at this time; and

WHEREAS, pursuant to N.J.A.C. 5:30-11.10 funds for Open-End Contracts shall be committed at the time an order is placed and shall not exceed the unit price; and

WHEREAS, no amount shall be chargeable or certified until such time as goods or services are ordered or otherwise called for. Prior to incurring the liability by placing the order, the certification of available funds shall be made by the Chief Financial Officer or Certifying Financial Officer. It shall be the responsibility of the official responsible for issuing the purchase order to notify and seek the certification of availability of funds of the Chief Financial Officer or Certifying Finance Officer, as appropriate (N.J.A.C. 5:30-5.5(b)); and

WHEREAS, the Township Council accepts Edison Township’s recommendations as described herein.

NOW, THEREFORE, IT IS RESOLVED by the Township Council of the Township of Edison, as follows:

1. The Mayor, or his designee, is hereby authorized to execute a contract/purchase order in the amount not to exceed $50,000.00, and any other necessary documents, with JESCO, INC., 118 St. Nicholas Ave, South Plainfield, NJ 07080-1808, the approved Educational Services Commission of New Jersey vendor through this resolution, which shall be subject to all the conditions applicable to the current Educational Services Commission of New Jersey cooperative pricing system contract as set forth above.

2. This contract is awarded pursuant to N.J.S.A. 40A:11-11 et seq.
RESOLUTION R.441-082020

RESOLUTION ACCEPTING BID AND AWARDING A CONTRACT TO RARITAN GROUP INC. FOR THE FURNISHING OF VARIOUS WATER UTILITY EQUIPMENT

WHEREAS, bids were received by the Township of Edison on July 14, 2020 for Public Bid No. 20-06-30 Various Water Utility Equipment; and

WHEREAS, RARITAN GROUP INC., 301 Meadow Road, Edison, NJ 08817, submitted the lowest legally responsible, responsive bid for various items of the bid as listed on the spreadsheet; and

WHEREAS, the initial contract shall be for one (1) year from execution of the contract with options to renew for two (2) one (1) year renewals at the sole discretion of the Township at the same prices, conditions, requirements and terms of the contract, subject to and contingent upon appropriation of sufficient funds each renewal year; and

WHEREAS, the total amount of the contract shall not exceed $2,500.00, and cannot be encumbered at this time; and

WHEREAS, pursuant to N.J.A.C. 5:30-11.10 funds for Open-End Contracts shall be committed at the time an order is placed and shall not exceed the unit price; and

WHEREAS, no amount shall be chargeable or certified until such time as goods or services are ordered or otherwise called for. Prior to incurring the liability by placing the order, the certification of available funds shall be made by the Chief Financial Officer or Certifying Financial Officer. It shall be the responsibility of the official responsible for issuing the purchase order to notify and seek the certification of availability of funds of the Chief Financial Officer or Certifying Finance Officer, as appropriate (N.J.A.C. 5:30-5.5(b)); and

WHEREAS, the Township Council accepts Edison Township’s recommendations as described herein and as submitted on the summary spreadsheet.

NOW, THEREFORE, IT IS RESOLVED by the Township Council of the Township of Edison, as follows:

1. All bids have been reviewed, and the bid submitted by RARITAN GROUP INC., 301 Meadow Road, Edison, NJ 08817 for Various Water Utility Equipment is determined to be the lowest legally responsible, responsive bid for various items of the bid as listed on the spreadsheet.

2. The Mayor, or his designee, is hereby authorized to execute a contract in the amount not to exceed $2,500.00, and any other necessary documents, with RARITAN GROUP INC.
RESOLUTION R.443-082020

RESOLUTION ACCEPTING BID AND AWARDING A CONTRACT TO FERGUSON ENTERPRISES LLC dba POLLARDWATER FOR THE FURNISHING OF VARIOUS WATER UTILITY EQUIPMENT

WHEREAS, bids were received by the Township of Edison on July 14, 2020 for Public Bid No. 20-06-30 Various Water Utility Equipment; and

WHEREAS, FERGUSON ENTERPRISES LLC dba POLLARDWATER, 200 Atlantic Ave, New Hyde Park, NY 11040, submitted the lowest legally responsible, responsive bid for various items of the bid as listed on the spreadsheet; and

WHEREAS, the initial contract shall be for one (1) year from execution of the contract with options to renew for two (2) one (1) year renewals at the sole discretion of the Township at the same prices, conditions, requirements and terms of the contract, subject to and contingent upon appropriation of sufficient funds each renewal year; and

WHEREAS, the total amount of the contract shall not exceed $70,000.00, and cannot be encumbered at this time; and

WHEREAS, pursuant to N.J.A.C. 5:30-11.10 funds for Open-End Contracts shall be committed at the time an order is placed and shall not exceed the unit price; and

WHEREAS, no amount shall be chargeable or certified until such time as goods or services are ordered or otherwise called for. Prior to incurring the liability by placing the order, the certification of available funds shall be made by the Chief Financial Officer or Certifying Financial Officer. It shall be the responsibility of the official responsible for issuing the purchase order to notify and seek the certification of availability of funds of the Chief Financial Officer or Certifying Finance Officer, as appropriate (N.J.A.C. 5:30-5.5(b)); and

WHEREAS, the Township Council accepts Edison Township’s recommendations as described herein and as submitted on the summary spreadsheet.

NOW, THEREFORE, IT IS RESOLVED by the Township Council of the Township of Edison, as follows:

1. All bids have been reviewed, and the bid submitted by FERGUSON ENTERPRISES LLC dba POLLARDWATER, 200 Atlantic Ave, New Hyde Park, NY 11040 for Various Water Utility Equipment is determined to be the lowest legally responsible, responsive bid for various items of the bid as listed on the spreadsheet.

2. The Mayor, or his designee, is hereby authorized to execute a contract in the amount not to exceed $70,000.00, and any other necessary documents, with FERGUSON ENTERPRISES LLC dba POLLARDWATER.
RESOLUTION R.444-082020

RESOLUTION AUTHORIZING THE AWARD OF A NON-FAIR AND OPEN CONTRACT TO MOMAR, INC. FOR THE PURCHASE OF SPECIALIZED SEWER CHEMICALS FOR THE EDISON SEWER UTILITY

WHEREAS, the Township of Edison, Sewer Utility, needs to purchase specialized sewer chemicals for corrosion reduction and odor control throughout the year; and

WHEREAS, neither the Township contracted vendors nor other vendors contacted could supply these items; and

WHEREAS, the Township plans to purchase these items from MOMAR INC., 1830 Ellsworth Industrial Drive, Atlanta, GA 30318 pursuant to the provisions of N.J.S.A. 19:44A-20.5 et. seq.; and

WHEREAS, the total amount of this contract/Purchase Order(s) in the amount not to exceed $40,000.00 cannot be encumbered at this time; and

WHEREAS, this amount exceeds $17,500.00 and therefore needs authorization through the provisions of N.J.S.A. 19:44A-20.5 et. seq.; and

WHEREAS, the Purchasing Agent has determined and certified in writing that the value of the acquisition will exceed $17,500.00; and

WHEREAS, prior to entering into a contract, MOMAR INC., will have completed and submitted a Business Entity Disclosure Certification which certifies that they have not made any reportable contributions to a political or candidate committee in the Township of Edison in the previous one year, and that the contract will prohibit MOMAR INC. from making any reportable contributions through the term of the contract; and

WHEREAS, pursuant to N.J.A.C. 5:30-11.10 funds for Open-End Contracts shall be committed at the time an order is placed and shall not exceed the unit price; and

WHEREAS, no amount shall be chargeable or certified until such time as goods or services are ordered or otherwise called for. Prior to incurring the liability by placing the order, the certification of available funds shall be made by the Chief Financial Officer or Certifying Financial Officer. It shall be the responsibility of the official responsible for issuing the purchase order to notify and seek the certification of availability of funds of the Chief Financial Officer or Certifying Finance Officer, as appropriate (N.J.A.C. 5:30-5.5(b)); and

WHEREAS, the Township Council accepts Edison Township’s recommendations as described herein.

NOW, THEREFORE, IT IS RESOLVED by the Township Council of the Township of Edison, as follows:

1. The Mayor or his designee is hereby authorized to execute a contract/purchase order(s) and any other necessary documents, with MOMAR INC., in the amount not to exceed $40,000.00 for the purchase of specialized sewer chemicals as set forth above.
2. This contract is awarded pursuant to N.J.S.A. 40A:11-5 and 19:44A-20.5 et. seq, and without competitive bidding.
3. The Business Disclosure Entity Certification and the Determination of Value shall be placed on file with this resolution.
4. The Township Clerk shall advertise notice of this action in a legal newspaper pursuant to N.J.S.A. 40A:11-1, et seq. and in compliance with the Local Public Contracts Law guidelines.
RESOLUTION R.445-082020

RESOLUTION ACCEPTING BID AND AWARDING A CONTRACT TO GAMKA SALES CO. INC., FOR THE FURNISHING OF WATER UTILITY SUPPLIES AND EQUIPMENT

WHEREAS, bids were received by the Township of Edison on August 11, 2020 for Public Bid No. 20-02-21RRR Water Utility Supplies and Equipment; and

WHEREAS, GAMKA SALES CO. INC., 983 New Durham Rd., Edison, NJ 08817, submitted the lowest legally responsible, responsive bid for Wacker Neuson brand as listed on the spreadsheet; and

WHEREAS, the initial contract shall be for one (1) year from execution of the contract with options to renew for two (2) one (1) year renewals at the sole discretion of the Township at the same prices, conditions, requirements and terms of the contract, subject to and contingent upon appropriation of sufficient funds each renewal year; and

WHEREAS, the total amount of the contract shall not exceed $100,000.00, and cannot be encumbered at this time; and

WHEREAS, pursuant to N.J.A.C. 5:30-11.10 funds for Open-End Contracts shall be committed at the time an order is placed and shall not exceed the unit price; and

WHEREAS, no amount shall be chargeable or certified until such time as goods or services are ordered or otherwise called for. Prior to incurring the liability by placing the order, the certification of available funds shall be made by the Chief Financial Officer or Certifying Financial Officer. It shall be the responsibility of the official responsible for issuing the purchase order to notify and seek the certification of availability of funds of the Chief Financial Officer or Certifying Finance Officer, as appropriate (N.J.A.C. 5:30-5.5(b)); and

WHEREAS, the Township Council accepts Edison Township’s recommendations as described herein and as submitted on the summary spreadsheet.

NOW, THEREFORE, IT IS RESOLVED by the Township Council of the Township of Edison, as follows:

1. All bids have been reviewed, and the bid submitted by GAMKA SALES CO. INC., 983 New Durham Rd., Edison, NJ 08817 for Water Utility Supplies and Equipment is determined to be the lowest legally responsible, responsive bid for Wacker Neuson Brand.

2. The Mayor, or his designee, is hereby authorized to execute a contract in the amount not to exceed $100,000.00, and any other necessary documents, with GAMKA SALES CO. INC.
RESOLUTION R.446-082020

RESOLUTION AUTHORIZING THE TOWNSHIP OF EDISON TO PURCHASE SENSAPHONE EXPRESS REMOTE MONITORING SYSTEMS FOR THE TOWNSHIP’S PUMP STATIONS FROM CDW GOVERNMENT THROUGH THE EDUCATIONAL SERVICES COMMISSION OF NEW JERSEY (ESCNJ) COOPERATIVE PRICING SYSTEM

WHEREAS, N.J.S.A. 40A:11-11 et seq., authorizes contracting units to establish a cooperative pricing system and to enter into cooperative pricing agreements for its administration; and

WHEREAS, the Educational Services Commission of New Jersey hereinafter referred to as the “Lead Agency” has offered voluntary participation in a cooperative pricing system for the purchase of goods and services; and

WHEREAS, CDW GOVERNMENT, 75 Remittance Drive, Suite 1515, Chicago, IL 60675-1515 has been awarded ESCNJ 18/19-03 TECHNOLOGY SUPPLIES AND SERVICES under NJ State approved coop #65MCESSCCPS; and

WHEREAS, the Township of Edison intends to enter into a contract/purchase order with CDW GOVERNMENT, for the purchase of ten (10) Sensaphone Express Remote Monitoring Systems for the Township’s Pump Stations at a total price of $16,750.00 ($1,675.00 each); and

WHEREAS, the total amount of this contract shall not to exceed $16,750.00; and

WHEREAS, funds in the amount of $16,750.00 have been certified to be available in the Sewer Computer Hardware and Software Account, Number 0-07-55-0501-000-059; and

WHEREAS, the Township Council accepts Edison Township’s recommendations as described herein.

NOW, THEREFORE, IT IS RESOLVED by the Township Council of the Township of Edison, as follows:

1. The Mayor, or his designee, is hereby authorized to execute a contract/purchase order in the amount not to exceed $16,750.00, and any other necessary documents, with CDW GOVERNMENT, 75 Remittance Drive, Suite 1515, Chicago, IL 60675-1515, the approved Educational Services Commission of New Jersey vendor through this resolution, which shall be subject to all the conditions applicable to the current Educational Services Commission of New Jersey cooperative pricing system contract as set forth above.

2. This contract is awarded pursuant to N.J.S.A. 40A:11-11 et seq.

CERTIFICATION OF AVAILABILITY OF FUNDS

I hereby certify that funds in the amount of $16,750.00 are available for the above in Account No. 0-07-55-0501-000-059.

WHEREAS, the Educational Services Commission of New Jersey hereinafter referred to as the “Lead Agency” has offered voluntary participation in a cooperative pricing system for the purchase of goods and services; and

WHEREAS, BEYER FORD, 170 Ridgedale Avenue, Morristown, NJ 07960 has been awarded ESCNJ 17/18-44 CARS, Crossovers, SUV’S AND TRUCKS under NJ State approved coop #65MCESCCPS; and

WHEREAS, the Township of Edison intends to enter into a contract/purchase order with BEYER FORD, for the purchase of two (2) 2020 Ford Edge’s at a total price of $59,616.56 ($29,808.28 each) for the Sewer Utility; and

WHEREAS, the total amount of this contract shall not exceed $59,616.56; and

WHEREAS, funds in the amount of $59,616.56 have been certified to be available in the Sewer Purchase of Vehicles Account, No. 0-07-55-0501-000-051; and

WHEREAS, the Township Council accepts Edison Township’s recommendations as described herein.

NOW, THEREFORE, IT IS RESOLVED by the Township Council of the Township of Edison, as follows:

1. The Mayor, or his designee, is hereby authorized to execute a contract/purchase order in the amount not to exceed $59,616.56, and any other necessary documents, with BEYER FORD, 170 Ridgedale Avenue, Morristown, NJ 07960, the approved Educational Services Commission of New Jersey vendor through this resolution, which shall be subject to all the conditions applicable to the current Educational Services Commission of New Jersey cooperative pricing system contract as set forth above.

2. This contract is awarded pursuant to N.J.S.A. 40A:11-11 et seq.

CERTIFICATION OF AVAILABILITY OF FUNDS

I hereby certify that funds in the amount of $59,616.56 are available for the above in Account No. 0-07-55-0501-000-051.

RESOLUTION R.450-082020

EXPLANATION: This Resolution authorizes the Township Council to grant permission to Garden State Fireworks Inc. to discharge fireworks for a Labor Day Celebration taking place on the grounds of The Plainfield Country Club located at 1591 Woodland Avenue Edison, NJ 08820, scheduled for September 4, 2020 with a rain date of September 6, 2020.

WHEREAS, Garden State Fireworks Inc. has applied to the Township of Edison for a permit to discharge fireworks on September 4, 2020 with a rain date of September 6, 2020 for a Labor Day Celebration taking place on the grounds of The Plainfield Country Club located at 1591 Woodland Avenue Edison, NJ 08820; and

WHEREAS, Garden State Fireworks Inc. has provided proof of insurance to the Township of Edison for the purpose of conducting a fireworks display; and

WHEREAS, under N.J.S.A. 21:3-3, the Chief of Police, the Chief of Fire, and the Fire Marshal having reviewed the application for the fireworks display, have determined that the discharge of fireworks does not pose a hazard to anyone's property and/or person(s).

WHEREAS, the Plainfield Country Club has been informed of and shall abide by all Executive Orders given by Governor Phil Murphy pertaining to the Coronavirus Pandemic which are in effect at the time of the fireworks display.

NOW, THEREFORE, BE IT RESOLVED by the Township Council of the Township of Edison, in the County of Middlesex, and State of New Jersey, as follows:

1. The Township Council does hereby grant permission for Garden State Fireworks Inc. to conduct a fireworks display on the evening of September 4, 2020 with a rain date of September 6, 2020 at approximately 9:15 p.m. on the grounds of The Plainfield Country Club located at 1591 Woodland Avenue Edison, NJ 08820 in accordance with N.J.A.C. 5:70-2.7 (a)(5)(iii).

2. The Fire Marshal shall not issue the fireworks permit until 1. A permit fee in the amount of $427.00 is made payable to the Township of Edison pursuant to N.J.A.C. 5:70-2.9 (c)(3), 2. Garden State Fireworks Inc. posts a bond and or proof of insurance of not less than $2,500.00 conditioned for the payment of potential damages pursuant to N.J.S.A. 21:3-5, 3. Garden State Fireworks Inc. post an escrow in the amount of $500.00 for legal review of fireworks application and expenses associated with drafting a resolution authorizing the Township Council to issue any such fireworks permit and, 4. A fire engine is on standby at the shoot site prior, during, and after the show until the post shell inspection has been conducted.

3. The Chief of the Fire Department and or the Fire Marshal shall have full enforcement and over sight powers to ensure that all aspects of the fireworks display are handled in accordance with the requirement of law.

4. The Township Clerk of Edison Township is directed to forward a copy of this Resolution to Garden State Fireworks Inc., the Fire Marshal’s Office, Division of Fire, and Division of Police.
RESOLUTION R.451-082020

RESOLUTION AWARDING A CONTRACT/PURCHASE ORDER TO CAMPBELL SUPPLY CO., LLC FOR EMERGENCY REPAIRS TO FIRE TRUCK #2 FOR THE DIVISION OF FIRE

WHEREAS, Fire Truck #2, needed emergency repairs; and

WHEREAS, the current contractual vendors, Absolute Fire, who was awarded Public Bid No. 17-10-02RRR-Emergency Vehicle Repairs, and Elizabeth Truck Center who was awarded Public Bid No. 19-10-25-Collision Repairs could not provide the needed vehicle repairs; and

WHEREAS, pursuant to Local Public Contract Law N.J.S.A. 40A:11-6 et seq, a contract may be awarded and immediate delivery of goods or the performance of services may be provided when an emergency affects the public health, safety or welfare; and

WHEREAS, a quote was solicited from CAMPBELL SUPPLY CO., LLC, by the Division of Fire for the emergency vehicle repairs to Truck #2; and

WHEREAS, CAMPBELL SUPPLY CO., LLC, 1015 Cranbury South River Rd., Monroe, NJ 08831, submitted a quote in the amount not to exceed $24,632.05; and

WHEREAS, this amount exceeds $17,500.00 and therefore needs authorization through the provisions of N.J.S.A. 19:44A-20.5 et. seq.; and

WHEREAS, CAMPBELL SUPPLY CO., LLC., has completed and submitted a Business Entity Disclosure Certification which certifies that they have not made any reportable contributions to a political or candidate committee in the Township of Edison in the previous one year, and that the contract will prohibit CAMPBELL SUPPLY CO., LLC. from making any reportable contributions through the term of the contract; and

WHEREAS, this Contract is not awarded through a “fair and open process” pursuant to N.J.S.A. 19:44A-20.5, et seq.; and

WHEREAS, funds in the amount of $24,632.05 have been certified to be available in the Fire Fighting Maintenance of Motor Vehicle, Account Number 0-01-25-0265-001-025; and

WHEREAS, the Township Council accepts Edison Township’s recommendations as described herein.

NOW, THEREFORE, IT IS RESOLVED by the Township Council of the Township of Edison, as follows:

1. The quote submitted by CAMPBELL SUPPLY CO., LLC, 1015 Cranbury South River Rd., Monroe, NJ 08831 for the emergency vehicle repairs to Truck #2, for the Division of Fire, is determined to be in the best interest of the Township.

2. The Mayor, or his designee, is hereby authorized to execute a contract/purchase order in the amount not to exceed $24,632.05, and any other necessary documents, with CAMPBELL SUPPLY CO., LLC as described herein.

CERTIFICATION OF AVAILABILITY OF FUNDS

I hereby certify that funds in the amount of $24,632.05 are available for the above in Account No. 0-01-25-0265-001-025.

RESOLUTION R.453-082020

RESOLUTION ACCEPTING BID AND AWARDING A CONTRACT TO FIT-RITE UNIFORM CO., INC. FOR THE FURNISHING OF UNIFORMS AND EQUIPMENT-DIVISION OF FIRE/FIRE PREVENTION

WHEREAS, bids were received by the Township of Edison on May 22, 2020 for Public Bid No. 20-01-29-Uniforms and Equipment-Division of Fire/Fire Prevention for the Township of Edison; and

WHEREAS, FIT-RITE UNIFORM CO., INC., 657 Chestnut St., Union, NJ 07083, submitted the lowest legally responsible bid for various items of the bid as listed on the spreadsheet; and

WHEREAS, the initial contract shall be for one (1) year from execution of the contract with options to renew for two (2) one (1) year renewals at the sole discretion of the Township at the same prices, conditions, requirements and terms of the contract, subject to and contingent upon appropriation of sufficient funds each renewal year; and

WHEREAS, the total amount of the first year and any succeeding renewal year shall not exceed $100,000.00, and cannot be encumbered at this time; and

WHEREAS, pursuant to N.J.A.C. 5:30-11.10 funds for Open-End Contracts shall be committed at the time an order is placed and shall not exceed the unit price; and

WHEREAS, no amount shall be chargeable or certified until such time as goods or services are ordered or otherwise called for. Prior to incurring the liability by placing the order, the certification of available funds shall be made by the Chief Financial Officer or Certifying Financial Officer. It shall be the responsibility of the official responsible for issuing the purchase order to notify and seek the certification of availability of funds of the Chief Financial Officer or Certifying Finance Officer, as appropriate (N.J.A.C. 5:30-5.5(b)); and

WHEREAS, the Township Council accepts Edison Township’s recommendations as described herein and as submitted on the summary spreadsheet.

NOW, THEREFORE, IT IS RESOLVED by the Township Council of the Township of Edison, as follows:

1. All bids have been reviewed, and the bid submitted by FIT-RITE UNIFORM CO. INC., 657 Chestnut St., Union, NJ 07083 for Uniforms and Equipment-Division of Fire/Fire Prevention is determined to be the lowest legally responsible, responsive bid for various items of the bid as listed on the spreadsheet.

2. The Mayor, or his designee, is hereby authorized to execute a contract in the amount not to exceed $100,000.00, for the first year and any succeeding renewal year contingent upon appropriation of sufficient funds each renewal year and any other necessary documents with FIT-RITE UNIFORM CO., INC.
RESOLUTION R.454-082020

RESOLUTION ACCEPTING BID AND AWARDING A CONTRACT TO CONTINENTAL FIRE & SAFETY, INC. FOR THE FURNISHING OF UNIFORMS AND EQUIPMENT-DIVISION OF FIRE/FIRE PREVENTION

It shall be the responsibility of the official responsible for issuing the purchase order to notify and seek the certification of availability of funds of the Chief Financial Officer or Certifying Finance Officer, as appropriate (N.J.A.C. 5:30-5.5(b)); and

WHEREAS, the Township Council accepts Edison Township’s recommendations as described herein and as submitted on the summary spreadsheet.

NOW, THEREFORE, IT IS RESOLVED by the Township Council of the Township of Edison, as follows:

1. All bids have been reviewed, and the bid submitted by TURN OUT FIRE & SAFETY, INC., 3468 Kennedy Blvd., Jersey City, NJ 07307, for Uniforms and Equipment-Division of Fire/Fire Prevention is determined to be the lowest legally responsible, responsive bid for various items of the bid as listed on the spreadsheet.

2. The Mayor, or his designee, is hereby authorized to execute a contract in the amount not to exceed $150,000.00, for the first year and any succeeding renewal year contingent upon appropriation of sufficient funds each renewal year and any other necessary documents with TURN OUT FIRE & SAFETY, INC.
RESOLUTION R.457-0820020

NJ Department of Law and Public Safety- Juvenile Justice Commission Award for the Edison Police Department Stationhouse Adjustment Support Initiative
Grant Application and Approval

Whereas; the Division of Police wishes to apply for and approve acceptance of grant funding in the amount of $30,900.00 to use towards the overall coordination of the Edison Police Department Stationhouse Adjustment Support Initiative; and

Whereas; the Edison Division of Police is one of several police departments in New Jersey that is eligible to receive funding through this program; and

Whereas; the grant allows for the Edison Police Department to coordinate efforts to utilize stationhouse adjustments as an alternative disposition in dealing with juvenile delinquency matters.

Now, therefore, be it resolved that the Edison Township Council and the Division of Police declares its support for the grant application and to approve acceptance of the NJ Department of Law and Public Safety- Juvenile Justice Commission Funding in the amount of $30,900.00.

Be It Further Resolved, that the Business Administrator be and is hereby authorized to sign the aforesaid grant application and execute the grant agreement for and on behalf of the Township of Edison.
RESOLUTION R.458-082020

RESOLUTION APPROVING PARTICIPATION IN 2020 NJ STATE BODY ARMOR REPLACEMENT GRANT FUNDING PROGRAM

WHEREAS, the New Jersey Division of Criminal Justice, State Body Armor Replacement Fund initiative is designed to provide valuable lifesaving equipment to local law enforcement officers; and

WHEREAS, this grant funding enables local law enforcement agencies to cover up to fifty (50) percent of the cost of each vest purchased or replaced for sworn officers of the Edison Police Department; and

WHEREAS, this vest replacement grant program demonstrates the Edison Police Department’s commitment to helping ensure that law enforcement officers have protective equipment they can rely on to keep our community safe;

THEREFORE, BE IT RESOLVED that the Township of Edison wishes to participate to the fullest extent in the New Jersey Division of Criminal Justice, State Body Armor Replacement Fund grant funding program.
RESOLUTION R.459-082020

Resolution
2021 Pedestrian Safety Enforcement and Education Grant Approval

WHEREAS, the Division of Police has been approved for grant funding in the amount of $16,500.00 to provide additional manpower hours to educate the public in pedestrian laws, increased enforcement of traffic laws, and additional signage; and

WHEREAS, in 2018, almost 6,000 pedestrians were killed in traffic accidents in the United States and more than 60,000 pedestrians were injured; and

WHEREAS, an enforcement crackdown is planned to combat traffic violations related to pedestrian laws; and

WHEREAS, the State of New Jersey, Division of Highway Traffic Safety, has approved several law enforcement agencies throughout the State to participate in the Pedestrian Safety Grant; and

WHEREAS; the project will involve increased enforcement and education from July 1, 2020 through May 31, 2021; and

WHEREAS; an increase in education and enforcement will save pedestrians lives on our roadways;

THEREFORE, be it resolved that the Edison Township Council and the Division of Police declares it’s acceptance of the grant and supports our participation in The Pedestrian Safety Grant Program FY 2021 from July 1, 2020 through May 31, 2021 and pledges to increase awareness of pedestrian safety laws.

BE IT FURTHER RESOLVED, that the Business Administrator or designee is hereby authorized to sign the aforesaid grant approval for and on behalf of the Township of Edison.
RESOLUTION R.460-082020

RESOLUTION AUTHORIZING A REIMBURSEMENT TO
YASH PAUL SOI FOR THE RENTAL OF PAPAIAANNI PARK

WHEREAS Yash Paul Soi made payment in the amount of $350.00 for the rental of Papaianni Park for an India Independence Day Celebration; and

WHEREAS due to the current state health emergency, the event was canceled; and

NOW; THEREFORE, IT IS RESOLVED by the Township Council of the Township of Edison, that the Chief Financial Officer of the Township of Edison shall refund the amount of $350.00 to Yash Paul Soi, 1398 Edinburg Rd., Princeton, NJ 08850, which represents the amount of his payment.

CERTIFICATION OF AVAILABILITY OF FUNDS

I hereby certify that funds in the amount of $350.00 are available in Account #0-01-55-0291-000-000.
RESOLUTION R.461-082020

WHEREAS, applications have been made for the renewal of Plenary Retail Consumption Licenses, issued by the Municipal Council of the Township of Edison, expiring on September 30, 2020; and

WHEREAS, the proper applications and fees have been received; and

WHEREAS, no legally valid objections have been made as to why these applications should not be approved.

NOW, THEREFORE, BE IT RESOLVED, by the Municipal Council of the Township of Edison, County of Middlesex, New Jersey, that the following Plenary Retail Consumption Licenses expiring on September 30, 2020, for which the required fees of $2,500.00 to the Township of Edison and $200.00 to the State Division of Alcoholic Beverage Control have been paid, be the same hereby granted and renewed, effective August 26, 2020.

EXPLANATION: A Resolution authorizing and approving the Person-to-Person transfer of the Plenary Retail Consumption License held by Zin Edison, LLC (inactive) to Tio Edison, LLC, d/b/a Tio Taco & Tequila Bar

WHEREAS, an application has been filed with the Township of Edison (“Township”) for a Person-to-Person transfer of the Plenary Retail Consumption Liquor License No. 1205-33-030-006 (“License”), issued to Zin Edison, LLC (“Seller”) to Tio Edison, LLC d/b/a/ Tio Taco & Tequila Bar (“Applicant”)

WHEREAS, the Applicant’s submitted application form is complete in all respects, the transfer fees have been paid and the License has been properly renewed for the current license term; and

WHEREAS, the applicant is qualified to be licensed according to all standards established by Title 13 of the New Jersey Statutes, regulations promulgated thereunder, as well as pertinent local ordinances and conditions consistent with Title 33; and

WHEREAS, the applicant has disclosed and the issuing authority reviewed the source of all funds used in the purchase of the License and the licensed business and all additional financing obtained in connection with the licensed business; and

WHEREAS, public notice of this transfer has been published in the Home News Tribune, a New Jersey publication, in accordance with law; and

WHEREAS, no legally valid objections have been received nor made as to why this transfer should not be granted to the Applicant.

NOW THEREFORE, BE IT RESOLVED BY THE MUNICIPAL COUNCIL OF THE TOWNSHIP OF EDISON, NEW JERSEY AS FOLLOWS:

1. The aforementioned recitals are incorporated herein as though fully set forth at length.

2. The Municipal Council hereby approves the Person-to-Person transfer of the License to the Applicant.

3. The Township Clerk is hereby directed to endorse the Applicant’s current license certificate as follows: “This license, subject to all of its terms and conditions, is hereby transferred to Tio Edison, LLC, d/b/a/ Tio Taco & Tequila Bar.

4. This Resolution shall take effect immediately.

(New License No. 1205-33-030-007)
RESOLUTION R.465-082020

WHEREAS, Making it Possible to End Homelessness, has requested a waiver of any and all permit and/or application fees for (1) HVAC Units at 100 Mitch Snyder Drive.

WHEREAS, the Municipal Council of the Township of Edison feels that it would be appropriate to waive (50%) Fifty percent of any applicable fees;

NOW, THEREFORE, BE IT RESOLVED, by the Township of Edison, that it does hereby waiving (50%) fifty percent of any application fees for (1) HVAC unit at 100 Mitch Snyder Drive, Edison except the DCA fee, due to the Township of Edison as a result of the application being submitted by Making it Possible to End Homelessness, Inc., located at 211 Livingston Avenue, 2nd floor, New Brunswick, NJ 08901.
