APPROVAL OF MINUTES

On a motion made by Councilmember Lankey, seconded by Councilmember Karabinchak, and duly carried, the Minutes of the Regular Meeting of February 27, 2013, and Worksession Meeting of March 25, 2013 were accepted as submitted.

COUNCIL PRESIDENT’S REMARKS

Council President Diehl said he had several announcements to make. He wished everyone a Happy Administrative Professionals Day. He also announced that on April 27th there will be a drug collection program held between 10:00 a.m. and 2:00 p.m. where residents can turn in their unused prescription drugs. He said on April 28th there will be an Earth Day celebration held in Dudash Park. He also asked that any Councilmember wishing to serve on a Council sub-committee contact him and lastly he said that we are in urgent need of a Zoning Board member.

CY 2013 MUNICIPAL BUDGET: PUBLIC HEARING

Council President Diehl declared the Public Hearing opened for the Introduced CY 2013 Municipal Budget.

Jane Tousman, 14 Butler Road, asked where the tax bills are and when we will be publishing the delinquent tax sale notices. She said the Department of Law does not reflect all of their numbers. She did not see any consultant fees in the Planning and Zoning Board budgets. She also asked why the MCUA is up to $1 million. She questioned the $3.9 million in the capital budget for Kilmer. She asked how much money we owe for tax appeals and said there were many items she could not find in the budget including court costs.

Ms. Ruane said the tax bills will go out mid-June. The delinquent tax sale notices will be published in the fall. She said the court costs can be found on line 15E in the budget. Regarding Camp Kilmer, she said all the buildings are free except for the public works building which will cost $2.2 million.

Hearing no further comments, the public hearing was closed on a motion made by Councilmember Lankey, seconded by Councilmember Karabinchak and duly carried.

UNFINISHED BUSINESS

ORDINANCES FOR FURTHER CONSIDERATION AND PUBLIC HEARING

The following Ordinance, which was introduced by Title on April 10, 2013, passed on first reading, published according to law for further consideration at this meeting, was read by the Township Clerk:

O.1831-2013 AN ORDINANCE ADOPTS A REDEVELOPMENT PLAN FOR A PORTION OF THE PROPERTY COMMONLY KNOWN AS CAMP KILMER BEING BLOCK 3-E, PROPOSED NEW LOT 3.014.

(The above Ordinance O.1831-2013 can be found in its entirety in Ordinance Book # 26.)

Council President Diehl declared the Public Hearing opened for O.1831-2013.
Joseph Albert, The Albert Group, said in November 2005, the Department of Defense finalized the BRAC process for the Kilmer property. In 2006 the DOD set Edison as the Local Redevelopment Agency for the property. In December of 2010 the Township entered into a legally binding agreement and in September, 2011 HUD approved the plan. He explained the areas and the plan and said we are in compliance.

Melissa Belamy, 319 Dunellen Avenue, explained the BRAC process and how the Kilmer project will help to end homelessness in Middlesex County. She said she is in full support of the project.

Fred Wolke, 10 Peake Road, asked if the Township will receive any taxes or if this is a PILOT program.

Councilmember Karabinchak said Edison will receive $109,000 per year under the PILOT. He also said the PILOT must be approved by the Council.

Mr. Wolke said he is not in favor of the PILOT as he feels the Township will wind up as the loser.

Michelle Benson, 1880 Woodbridge Avenue, said she supports the Kilmer project as a means for people to find affordable housing.

Irene Wall, 205 Fleet Avenue, said she is totally opposed to this. She said housing means children which we cannot afford in Edison anymore.

Councilmember Karabinchak said housing is only one element of the project. We will also be getting a school, a public works and recreation building. This is one piece of the puzzle and if it is not approved everything is in jeopardy.

Bill Brunner, 215 Loring Avenue, said this is an all in one package deal. The longer we fight this the longer it takes to receive the other parcels we need.

Jane Tousman, 14 Butler Road, said she does not feel that this is quality affordable housing. She felt a traffic study and an environmental impact study should be done before this is approved.

Hearing no further comments, on a motion made by Councilmember Lankey, seconded by Councilmember Mascola and duly carried, this Public Hearing was closed.

Councilmember Mascola said this is a tough decision to make. He understands that there is over-crowding in our schools, but we need the other components that go with this. If this is not passed we run the risk of this being sold to a developer. He said he thinks the pros outweigh the cons and he will be supporting this.

Councilmember Gomez said this is not perfect, but he agrees with Councilmember Mascola and he will be supporting this.

Councilmember Lombardi said this will take a big chunk out of our COAH obligation and will also support our veterans so he will be supporting this.

Councilmember Dr. Prasad said this is not perfect but the downside is much worse. He will be supporting this but will keep his eyes open.

Councilmember Lankey said he has struggled long and hard with this. He said the PILOT bothers him but the greater good has to be the outcome so he will support this.

Council President Diehl said he has made his feelings clear on this. This is an unusual project because it is so large and has many attractive parts but multi unit housing, traffic and additional school children are some of the unattractive parts that he is extremely concerned with and he will not be supporting this.

On a motion made by Councilmember Karabinchak, seconded by Councilmember Mascola, the Ordinance was adopted.

Council President Diehl opened the meeting to the public for comments on Proposed Resolutions R.204-042013 and R.218-042013 through R.231-042013.
