ORAL PETITIONS AND REMARKS

Council President Karabinchak opened the meeting for public comment.

Lois Wolke 10 Peake Road, thanked everyone involved in the capture of the home invaders. She said residents can now feel a lot safer.

Esther Nemitz, 162B Fay Street, said she was very impressed with the newspaper article outlining what it took to trail these perpetrators through several states and she commended the reporter that wrote the article. She said she is also interested in what information was received from Pilgrim Pipeline at the meeting that was held.

Councilmember Lombardi said the representative from Pilgrim was George Bochis. He said they are still unsure as to what parts of Edison the pipeline will go through if at all. He said it will carry refined product not crude but was unsure as to how often they would have shut off valves. He said federal regulations require every ten miles.

Councilmember Diehl said Pilgrim explained that this is a different type of pipeline. It will be placed three feet underground and is a state of the art computerized system. He asked why it has to go through Edison at all and was told that they are still unsure.

Councilmember Lombardi said when additional information is obtained they will schedule another meeting.

Fred Wolke, 10 Peake Road, said that this was the fourth year in a row that the Township has held the “Wreaths Across America” ceremony at the St. James Church. The French and Indian War through the Vietnam War was represented. A great job was done by Walter Stochel and the Terra Nova Garden Club. He also commented that the Police hiring ordinance that was passed this year was a very good idea and he asked if we are promoting some Police officers.

Mr. Northgrave said the promotions should be made shortly.

Ms. Ruane corrected him saying that promotions were already made.

Mr. Wolke asked if a specific planning board application will be held up due to a parking issue. He asked if money is placed in a parking fund where the parking will come from.

Councilmember Mascola said the project will not be held up and residents would have to park on the street.

Maryann Hennessey, 20 Carmello Drive wished everyone Season’s Greetings and a Happy New Year. She had several budget questions for the Police department including warranty coverage and what happens to the old Police cars.

Captain Kelly replied that we receive the standard warranty coverage and the older Police vehicles are used for Police non-emergency situations or put up for auction.

Esther Nemitz, 162B Fay Street, said the information for the proposed development in Raritan Center has been received and is in the Clerk’s office. She asked who will review it and make any comments. She said the project is huge.

Hearing no further comments from the public Councilmember Mascola made a motion to close the public hearing, which was seconded by Councilmember Diehl and duly carried.

Having no further business to discuss, on a motion made by Councilmember Diehl, seconded by Councilmember Shah, the meeting was adjourned at 7:15 p.m.
