Happy New Year, Homeowners & Residents,

I am pleased to present Edison Township’s 2020 Calendar of noteworthy dates, useful community information, and essential phone numbers.

I am also proud to say Edison Township — thanks to your participation in our recycling initiatives—we keep making progress to reduce our waste stream and become more sustainable. Thank you for your continued cooperation as we improve our recycling initiatives.

In addition to curbside recycling pickups, our Public Works Department has made it easier for residents to drop off household recyclables at Minnie Veal in North Edison. Our 471 Meadow Rd recycling location is currently under renovation and is scheduled to reopen during 2020.

Edison will again partner with Re-Purpose NJ to recycle textiles, like old clothing, coats, outerwear, handbags and cloth accessories. Textile recycling bins are at the following addresses around town:

- 20 New York Blvd.
- 745 New Durham Road
- 7 Langstaff Avenue
- Minnie B. Veal Community Center

Our public libraries

Edison will also host two “E-Recycling Events” this Fall & Spring at Papaianni Park. Your participation since 2017 has prevented hundreds of tons of old televisions, computers, printers and fax machines from going into landfills.

Our Township again received a state grant to continue to promote recycling education, in an effort to increase our towns recycling efforts. We continue to educate our residents with our storm water management awareness programs, which help to prevent fertilizers, pesticides, oils, detergents and animal waste from contaminating water sources, such as our creeks, rivers and ultimately the Raritan Bay.

Edison offers many ways for your family to stay in touch and learn more about our first-rate municipal services:

- Visit Edison’s website: [www.edisonnj.org](http://www.edisonnj.org) or download our mobile-friendly “myedisonnj” for your Apple and Android Smart Phone devices.
- Download our “Recycling Coach App” with up-to-the-minute details about sanitation, recycling and special collections.
- Tune in to Edison’s public access TV Channel 15.
- Subscribe to Edison’s NIXLE emergency notifications that offers traffic and emergency alerts.
- Sign up for Robo call notifications via our website at [www.edisonnj.org](http://www.edisonnj.org)

If you need help navigating Edison’s menu of services, please contact my office at (732) 248-7298. For assistance with sanitation, recycling and street maintenance, contact our Public Works Department at (732) 248-7288 or [publicworks@edisonnj.org](mailto:publicworks@edisonnj.org).

Updated Information
During the year, updated and new information regarding the recycling, garbage, leaf/grass and Spring/Fall clean-up will appear on the Township website at www.EdisonNJ.org and/or Edison TV Channel 15.

Missed Collections
Residents should contact the Public Works office at 732-248-7288 or publicworks@edisonnj.org for all missed collections. Hours of operations are 8:30 A.M. to 4:30 P.M.

Inclement Weather
All collection programs may be canceled due to weather or emergencies.

Holiday Schedule
Municipal Garbage Collection Holiday schedule is noted on the monthly calendar.

Multi-Family Units
Household Garbage/Solid Waste is collected by private haulers at designated areas. Recycling items are collected at designated areas bi-weekly. Contact your Management office for your recycling days and designated area locations.
RECYCLING COLLECTION

HOW CAN YOU RECYCLE?
The Township provides a curbside recycling collection program for basic recyclable items (single stream containers, newspaper, magazines, mixed paper). The curbside recycling program is a simple and efficient way residents can properly dispose of recyclables. Recyclables must be placed at your curbside in appropriate recycling containers prior to 6:00 A.M. on your recycling days. All cardboard is placed next to container.

Drop-Off Center for Edison residents for all the basic recyclables for curbside recycling collection program:

Minnie B. Veal Drop-Off Center
Hours: Monday to Friday
8:30 A.M. to 4:30 P.M.
Saturday
8:30 A.M. to 4:00 P.M.
Closed Holidays

Note: Summer hours apply for Saturdays. Security cameras on location for your safety.

Please do not leave any items outside the gate when the Recycling Drop-Off Center is closed. This is a violation of Township Ordinance.

HOW TO DETERMINE YOUR RECYCLING SECTION
The Township is divided into 10 Recycling Sections (RS). Materials for recycling are collected every other week (bi-weekly). Refer to page 8 for your Recycling Section and Recycling Collection Day. The specific dates for each recycling section are shown on the Month-by-Month Calendar starting on page 10. Multi-family residences have centralized recycling areas from which recyclables are collected bi-weekly. Contact your Management office for recyclable days and centralized area locations.

The Middlesex Greenway is a multi-use trail in New Jersey running from the town of Metuchen to Woodbridge, for a total length of 3.5 miles (5.6 km). The mission of the Middlesex Greenway Coalition is to preserve a historic rail corridor as a rail-trail, and to connect it to a growing system of bike paths, and bike routes. The Middlesex Greenway evolved by converting the abandoned Lehigh Valley Railroad into a 3.5-mile linear County Park Trail from Crows Mill Road near William Street, with a 10-foot wide asphalt surface, and ends in Metuchen west of Amboy and Lake avenues. There are 12 entry points along the trail’s length.

SOLUTIONS TO STORMWATER POLLUTION

Actions You Can Take to Protect and Help Restore the Raritan River & Bay

Why does the Raritan Bay need our help?
Long appreciated for its great aesthetic, economic and recreation value, an array of human impacts now threaten the health of the Raritan Bay.

Pollution on streets, parking lots and lawns is washed by rain and snow melt into ditches, storm drains, streams, rivers and ultimately, Raritan Bay.

The stormwater pollution is one of Raritan Bay’s greatest threats to clean water and the rivers and creeks that drain into it. Fertilizers, pesticides, motor oil, animal waste, detergents, grass clippings, yard waste and litter are all examples of stormwater pollution.

Limit your use of fertilizers and pesticides

- Perform a soil test to see if you need to fertilize
- Use a drop spreader to apply fertilizer
- Sweep up fertilizer from pavement and other hard surfaces after applying
- Do not apply fertilizers if heavy rain is predicted
- Follow the instructions on the bag label for correct application procedures
- Try alternatives to pesticides, such as plants that repel insects
- Properly store fertilizers and pesticides
- Landscape your property using native vegetation and plants
- To learn more about the proper use of fertilizer go to: www.nj.gov/dep/healthylawnshealthywater

As a resident or business of the Raritan Bay, there are everyday actions you can take to help reduce stormwater pollution

DON’T PUT ANY WASTES IN STREET OR STORMSEWERS
- The Stormwater system is for the collection of stormwater only, with limited exceptions.

DON’T PUT YARD WASTE IN STREET
- Grass clippings, leaves and other yard waste should always be placed in containers and never swept, raked, blown, or otherwise put in street
- If such materials are in the street, they should be removed

KEEP A LID ON ALL DUMPSTERS & REFUSE CONTAINERS
- Uncovered dumpsters and other refuse containers can cause wastes to reach natural water bodies during storm events

CLEAN UP AFTER YOUR PET
- Use newspaper, bags or pooper scoopers to pick up pet waste

DON’T FEED WILDLIFE
- Do not feed ducks, geese or other forms of wildlife in public areas

DON’T LITTER
- Place litter in trash receptacles and keep it out of storm drains
- Reduce, reuse and recycle
- Participate in community cleanups
